UPDATES

RECENT EVENTS: IMPACT UPDATE FROM DOH

- “HNJ is the one place we get to do things the right way.”
- Look at everything about COVID through a “HNJ lens.”
- Incorporate all the lessons learned from COVID but apply them broadly.
- Use this opportunity while the general public is aware of problems we already knew existed.
- “From struggle to survival”

THE 5 Ps

- Find existing ones
- Identify gaps
- Fill the gaps

REFRAMING OBJECTIVES AND DATA AVAILABILITY

SMART objectives can come last

Don't limit yourselves to what can be measured when brainstorming the 5 Ps

Don't limit yourselves to whether or not data already exist when brainstorming the 5 Ps

Skim the 2020 SHIP to see the balance of content in terms of text vs data

HEALTH EQUITY

- Community Conversations
 - We won't be able to do as planned
- Informant Interviews and Intercept Surveys as a replacement
 - Work-related contact with general public
 - Target Populations: vulnerable populations, those most impacted by COVID, youth, small business owners, essential workers, seniors, etc.
 - Ideas on 3-5 questions

CULTURE OF HEALTH CONFERENCE

- TBD: Atlantic City or virtual
- Cost of Poverty Experience (COPE)
- Public Health Disparities Exposed by COVID-19
- COVID-19's Effect on Mental Health
- COVID-19's Economic Impact
- Lessons Learned in Housing and Homelessness in a Pandemic
- Healthy New Jersey 2030
- New Era in Technology
- The Future of Philanthropy

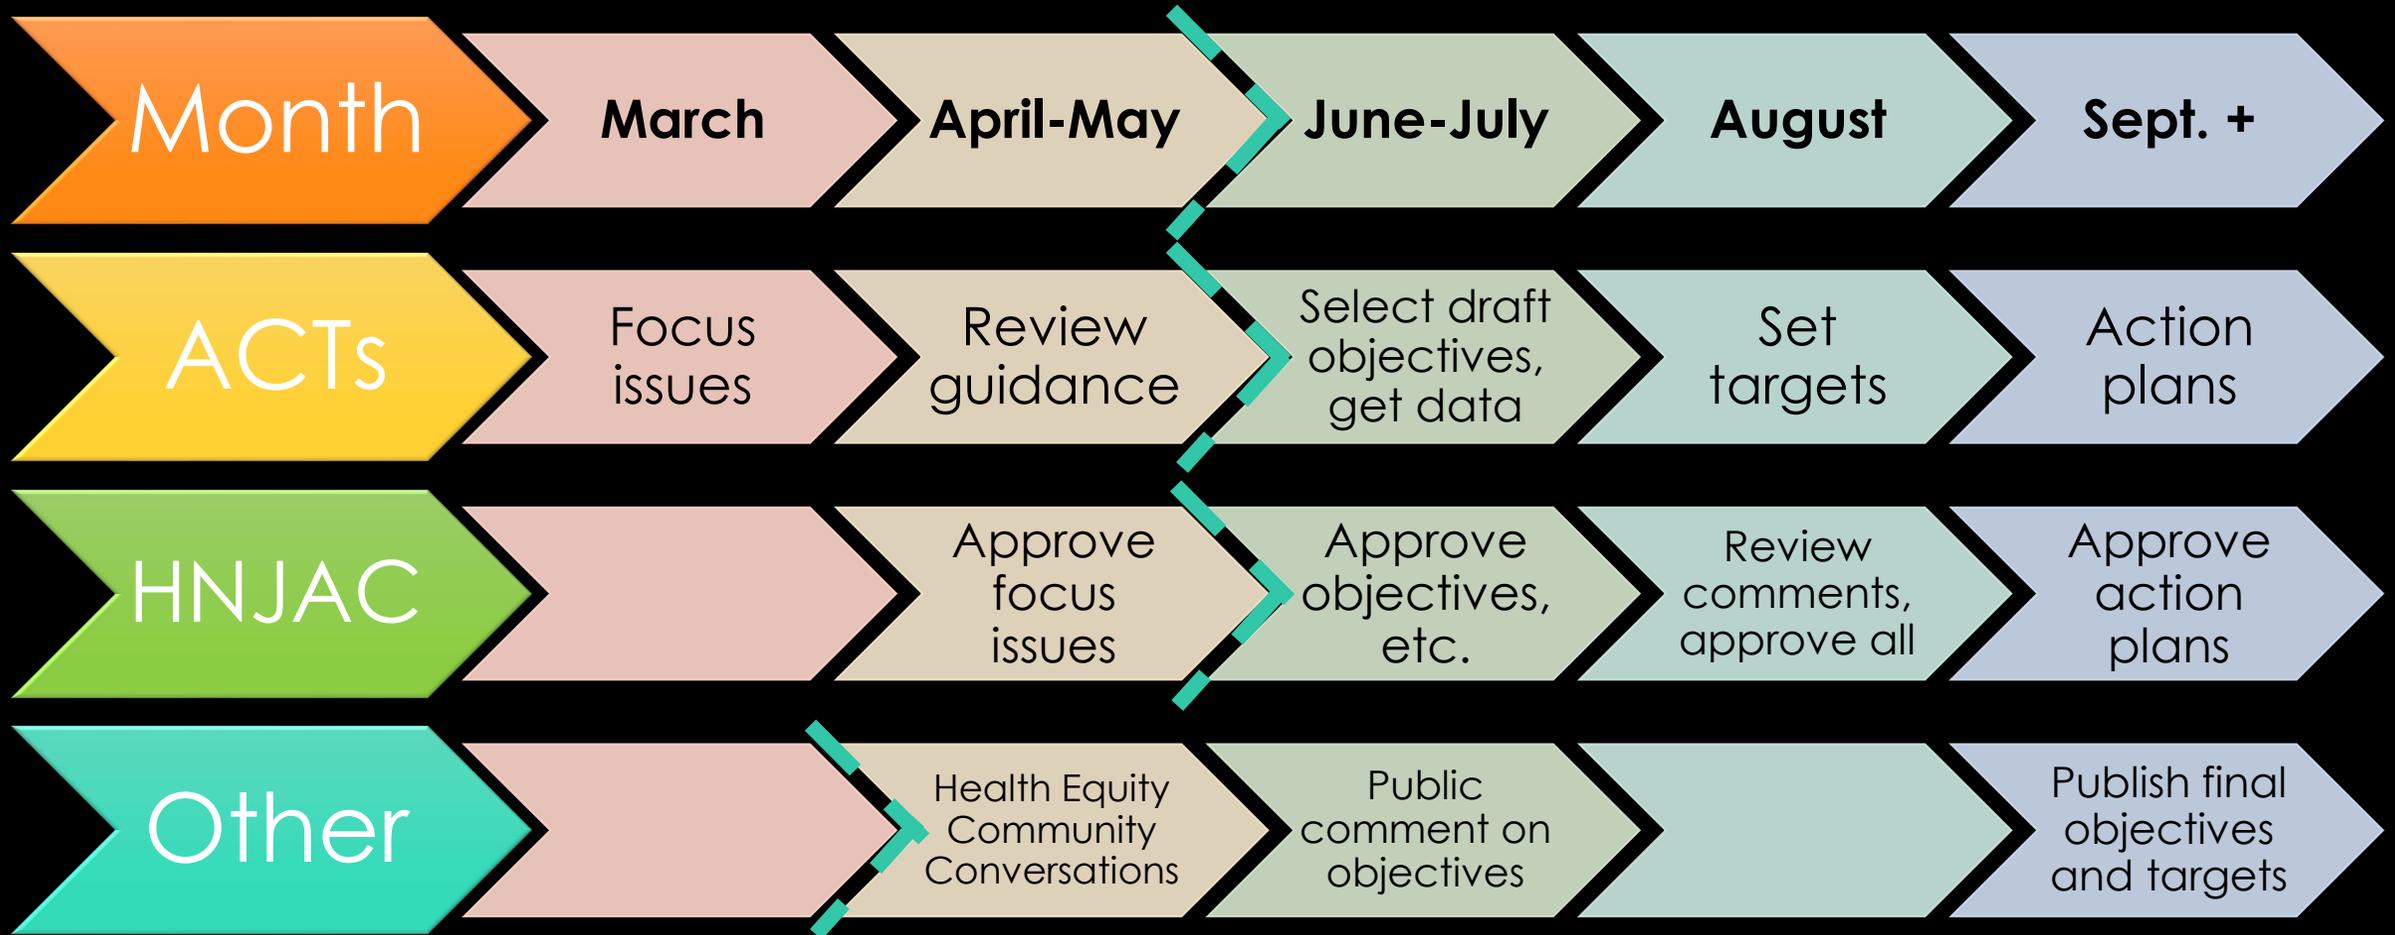

8TH ANNUAL CONFERENCE

A Culture of Health in New Jersey
WHAT PUBLIC HEALTH MEANS DURING A PANDEMIC

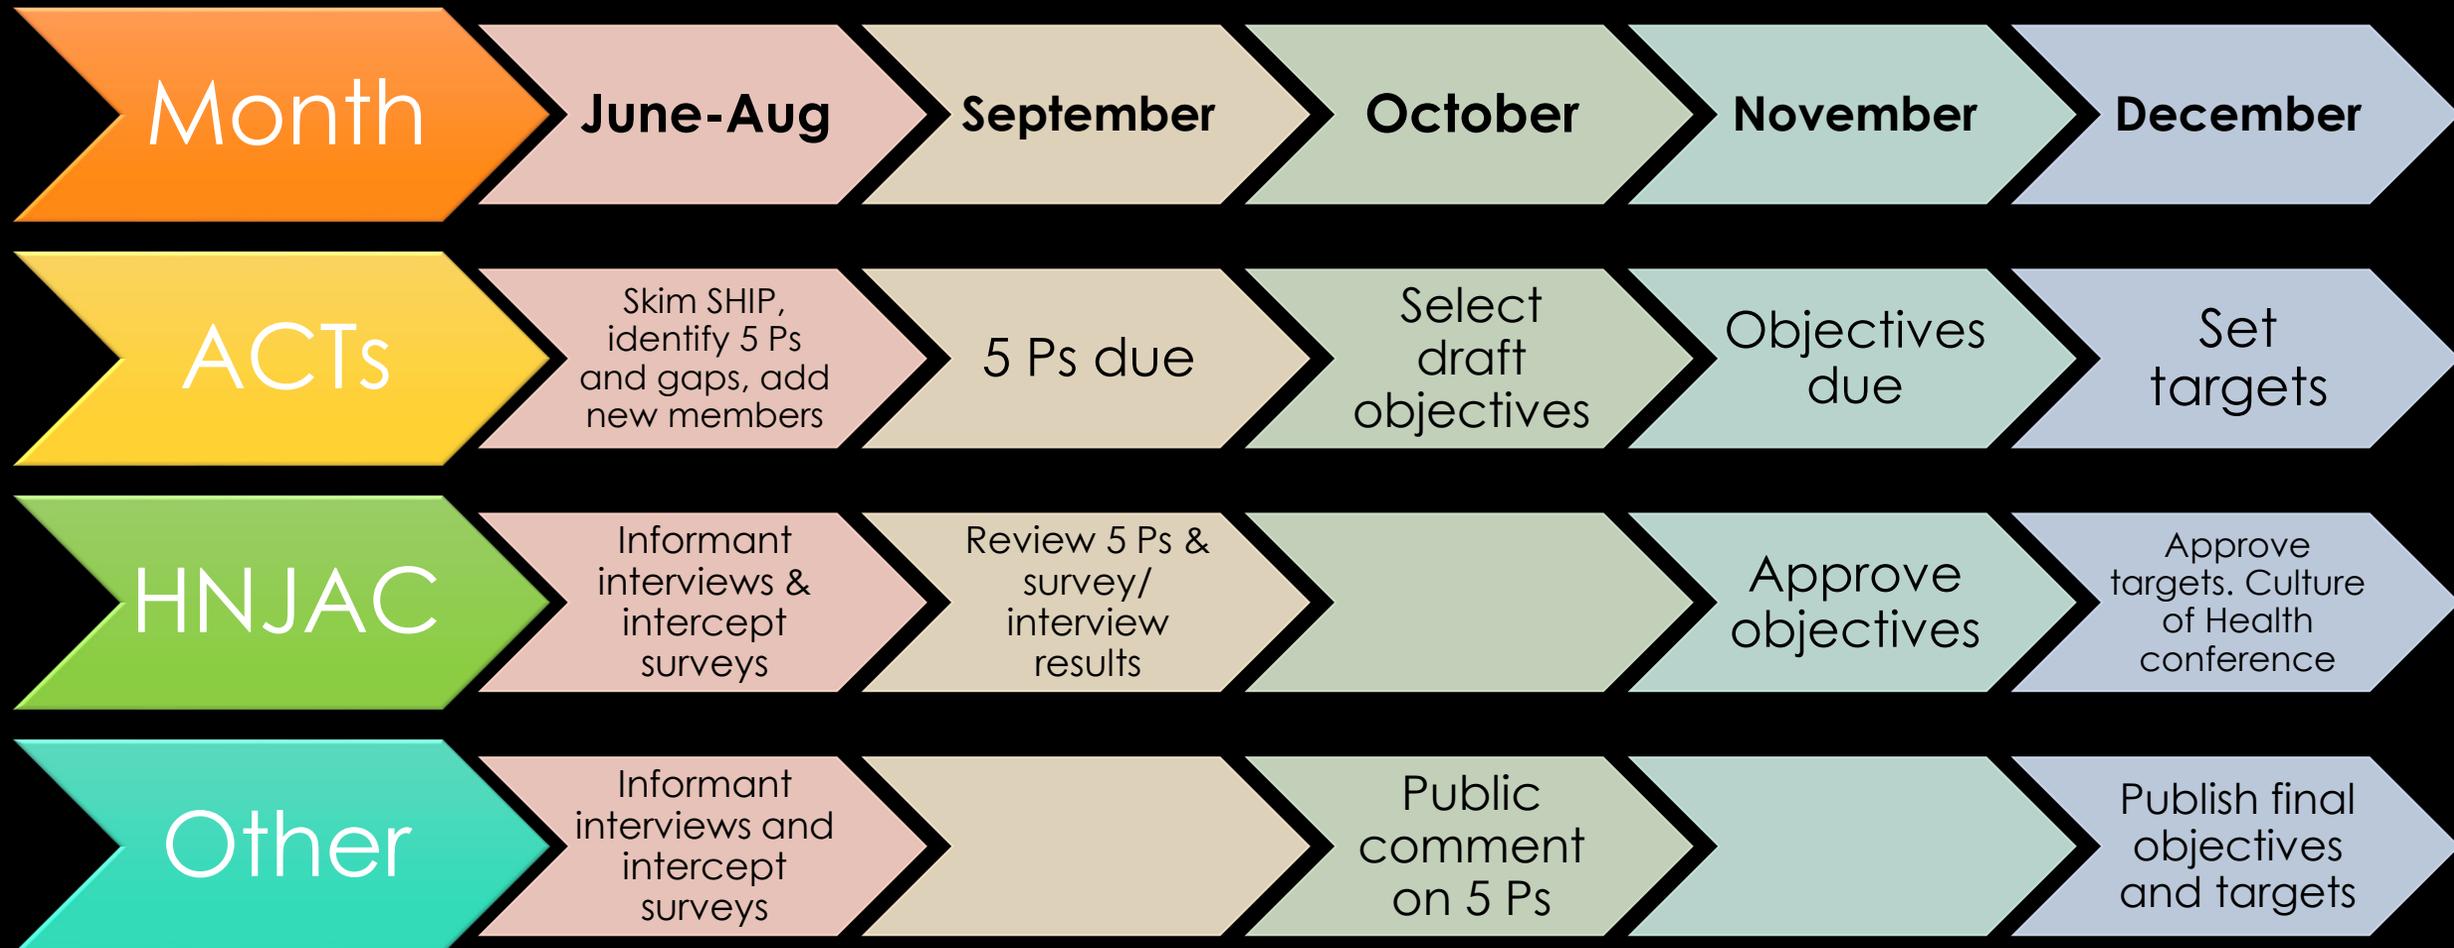

December 10 – 11, 2020

PRE-COVID TIMELINE

NEW TIMELINE

UPCOMING MEETINGS

Advisory Council
