

HealthyNJ 2030
Healthy Communities – Equitable Access
May 10th, 2022, 1:00pm

Attendees: Jackie Bavaro, Katie Bisaha, Julia, Wieczorek, Paula Bloom, Karen Shapiro, Christine Schell, Osa Osemwegie, Kathryn Corpuz, Melissa Feltmann, Serena Collado

1. Debrief on Community Conversations project
 - a. Reviewed themes and subthemes that come from the Community Conversations Project that relate and supply examples/strengthen objectives of the Health Communities act
 - b. Julia can be reached at Julia.wieczorek@yalliance.org for any questions
 - c. Draft alignment document of Healthy NJ 2030 goals with Community conversations' themes is attached to email
 - d. Community Conversations project can be found here: <https://www.njymca.org/communityconversations>
2. HC Updates and Restructuring
 - a. Focus will be on these 4 key areas:
 - i. Community Services & resources/programs
 - ii. Civic Engagement & public education
 - iii. Arts, Culture, and social opportunities
 - iv. Transportation access and mobility
 - b. Identify data disparities, identify the problems and health impacts associated with that disparity, and use this to identify goals to improve on in in the 10-year plan
3. Next Steps:
 - a. Healthy Communities—Equitable Access members will identify data available for the 4 focus areas and brainstorm goal statements and strategies for them. Members that were not able to make the call can inform Jackie which area they would like to focus on:
 - i. Jackie & Katie: Community Services & resources/programs
 - ii. Katie & P Bloom: Civic Engagement & public education (health and safety and access to)
 - iii. Kathryn & Osa: Arts, Culture, and social opportunities
 - iv. Karen & Manisha (?): Transportation access and mobility
