

Childhood Vaccination Subcommittee

Meeting Minutes

March 3, 2022

Attendance:

Jeni Sudhakaran
Erika Lobe
Lia Palapanis
Felicia Walton
Maria Baron

Discussion:

- Broader, updated goal: “Increase childhood vaccination”
- This subcommittee will cover vaccination from birth through adolescence
- Lia agreed to chair the committee
- **Meeting schedule still needs to be established**
- Between now and 5/20/22,
 - Review existing plans, strategies, and reports, including [SHIP 2020](#) and NJDOH’s Vaccine-Preventable Disease Program reports to CDC, to see what’s already being done in NJ, so we don’t reinvent the wheel or contradict other projects
 - Review HP2030 and other states’ work for ideas
 - Look at quantitative and qualitative data, including [Community Conversations](#)
 - Brainstorm ideas for how to increase vaccination in NJ, always keeping [equity](#), [resilience](#), social determinants of health ([SDOH](#)), and root causes in mind
 - Prioritize those ideas and select the top ones to include in the action plan
 - Send plan drafts to the HNJ email account along the way for review by the Advisory Council
