# State Health Assessment

---

- Other half of the SHA-SHIP loop
- PHAB requirement: every 5 years
- Mostly based on data
- **Collaborative**

## **STANDARD 1.1**

Participate in or lead a collaborative process resulting in a comprehensive community health assessment.

---

# Brainstorm

---

1. Health challenges experienced by the residents of New Jersey
2. Inequities in the factors that contribute to these health challenges
3. Community assets or resources beyond healthcare and NJDOH that can be mobilized to address health challenges.

# Polls

Thank you!
