- Visiting hours will be 6PM to 8PM daily and will now also include 1PM to 3PM on weekends and Holidays.
- To ensure that all patients have access to visitation while also respecting social distancing, patients may be limited to one visit per day.
- The court room will remain the location for visits for those patients in the main building. The number of visits to be scheduled in the court room will increase to 15 per hour. (Limits of 2 visitors per patient will remain in effect.)
- Cottage Visits will occur in the patient's respective cottage. Visitors will need to schedule as indicated above and will be required to check in at the front lobby when arriving for the visit.
