Care Beds for Ventilator Care**

Take notice that, in compliance with N.J.S.A. 26:2H-1 et seq., and N.J.A.C. 8:33, Dr. Raynard E. Washington, Commissioner, New Jersey Department of Health (Department), hereby publishes notice that the January 2, 2025 call for certificate of need (CN) applications for new specialized long-term care beds for ventilator care is canceled.

In accordance with N.J.A.C. 8:33-4.1(a), a CN call for new specialized long-term care beds for ventilator care was scheduled to take place on January 2, 2025.

The Department published a notice of postponement for the January 2, 2025 CN call for new specialized long-term care beds for ventilator care on March 17, 2025, at 57 N.J.R. 619(a).

At this time, the Department is evaluating data to determine whether there is a need for new specialized long-term care beds for ventilator care and will provide potential applicants and affected parties enough time to respond appropriately to a CN call notice in the event the Department determines that a call is appropriate. If the Department proceeds with the call, a notice for new specialized long-term care beds for ventilator care will be published in a future issue of the New Jersey Register.
