Request for Applications – Alternative Treatment Centers

Take notice that, in compliance with N.J.S.A. 24:6I-1 et seq., and N.J.A.C. 8:64-6.1, the Department of Health (Department) published notice of a Request for Applications (RFA) in the June 3, 2019, New Jersey Register for entities that seek authority to apply to the Department for a permit to operate an alternative treatment center. That RFA is hereby canceled and replaced with an amended RFA . Copies of the amended RFA, including the number of permits and endorsements being issued, eligibility criteria, a statement of general criteria by which the Department shall evaluate applications, weights for the criteria the Department shall use to evaluate applications and select successful applicants, deadlines, and the process for obtaining application materials, may be found online at <http://www.nj.gov/health/medicalmarijuana/> or obtained by contacting the Division of Medicinal Marijuana at 609-292-0424.
