## 1 INTRODUCTION AND SUMMARY OF THE REQUEST FOR QUOTES (RFQ)

This Request for Quotes (RFQ) is issued by New Jersey Department of Health (Using Agency) on behalf of the Public Health and Environmental Laboratories (PHEL).

Prospective Bidders are advised that Quotes are only accepted by email at [centralprocurement@doh.nj.gov](mailto:centralprocurement@doh.nj.gov), and all file submissions must be in Microsoft compatible formats. PDF submissions are acceptable.

The Contract will be awarded in the State of New Jersey's (State's) eProcurement system, **NJSTART** ([www.njstart.gov](http://www.njstart.gov)). The awarded Contractor is advised to read through all Quick Reference Guides (QRGs) located on the [NJSTART Vendor Support Page](#) for information. It is recommended, though not required, that Bidders be registered in **NJSTART** prior to submitting a Quote. **NJSTART** is required to complete Contract award.

### 1.1 PURPOSE, INTENT AND BACKGROUND

The purpose of this RFQ is to solicit Quotes for the provision of Newborn Screening Request Blood Test Forms: IEM-1 and IEM-1a.

Newborn screening (NBS) is an essential public health activity whose goal is to screen every infant for congenital disorders which, if not detected and managed early, can result in significant morbidity, mortality, and disability (N.J.S.A 26:2-110). As per N.J.A.C. 8:18-1.2, the NBS Laboratory is responsible for making NBS sample collection devices available to hospitals, birthing centers, midwives, and physicians for their use in collecting the mandatory NBS sample on each baby. These collection devices are considered medical devices and must be approved by the United States Food and Drug Administration (FDA).

It is the intent of the State to award (a) Contract to that responsible Bidder whose Quote, conforming to this RFQ is most advantageous to the State of New Jersey (State), price and other factors considered. The State may award any or all price lines. The State, however, reserves the right to separately procure individual requirements that are the subject of the Contract during the Contract term, when deemed to be in the State's best interest.

The State of New Jersey Combined Standard Terms and Conditions (SSTCs) included with this RFQ will apply to all Contracts made with the State. These terms are in addition to the terms and conditions set forth in this RFQ and should be read in conjunction with them unless the RFQ specifically indicates otherwise.

### 1.2 COMMUNICATING WITH THE USING AGENCY PRIOR TO NOTICE OF INTENT TO AWARD CONTRACT

The RFQ and the State of New Jersey Combined Standard Terms and Conditions provide parameters for the appropriate scenarios for Bidders to contact the Using Agency regarding this procurement, and by which method it may be appropriate. Examples include, but are not limited to, RFQ Section 2.1 *Question and Answer Period* and RFQ Section 3.1 *Quote Submission*. Except where expressly permitted, a Bidder shall not contact the Using Agency, procurement staff, or program staff directly, in person, by telephone or by e-mail, concerning this RFQ, prior to Notice of Intent to Award Contract.

### 1.3 CONTRACT AMOUNT

The estimated amount of the Contract, if stated, shall not be construed as either the maximum or minimum amount which the State shall be obliged to order.

### 1.4 ORDER OF PRECEDENCE OF CONTRACTUAL TERMS

The Contract awarded, and the entire agreement between the parties, as a result of this RFQ shall consist of: (1) the final RFQ as issued; (2) the responses to questions received as described in Section 2.1; and (3) State of New Jersey Combined Standard Terms and Conditions; (4) the Quote; (5) any Bidder responses to clarifications, if applicable; (6) a Bidder's Best and Final Offer; (7) other negotiated document(s); and/or (8) third party document(s). In the event of a conflict in the terms and conditions among the documents comprising this Contract, the order of precedence, for purposes of interpretation thereof, listed from highest ranking to lowest ranking as noted above.

Any other terms or conditions, not included with the Bidder's Quote and accepted by the State, shall not be incorporated into the Contract awarded. Any references to external documentation, including those documents referenced by a URL, including without limitation, technical reference manuals, technical support policies, copyright notices, additional license terms, etc., are subject to the terms and conditions of the RFQ and the State of New Jersey Combined Standard Terms and Conditions. In the event of any conflict between the terms of a document incorporated by reference, the terms and conditions of the RFQ and the State of New Jersey Combined Standard Terms and Conditions shall prevail.

## **2 PRE-QUOTE SUBMISSION INFORMATION**

The Bidder assumes sole responsibility for the complete effort required in submitting a Quote and for reviewing the Quote submission requirements and the Scope of Work requirements.

### **2.1 QUESTION AND ANSWER PERIOD**

The Using Agency will electronically accept questions and inquiries from all potential Bidders.

Questions should be directly tied to the RFQ and asked in consecutive order, from beginning to end, following the organization of the RFQ.

A Bidder shall submit questions only to the Using Agency designee by email to [centralprocurement@doh.nj.gov](mailto:centralprocurement@doh.nj.gov). The Using Agency will not accept any question in person or by telephone concerning this RFQ. The cut-off date for electronic questions and inquiries relating to this RFQ is indicated on the RFQ cover sheet. In the event that questions are posed by Bidders, answers to such questions will be issued by Addendum. Any Addendum to this RFQ will become part of this RFQ and part of any Contract awarded as a result of this RFQ. Addenda to this RFQ, if any, will be posted to the Using Agency's website.

### **2.2 EXCEPTIONS TO THE STATE OF NEW JERSEY COMBINED STANDARD TERMS AND CONDITIONS (SSTC)**

Questions regarding the State of New Jersey Combined Standard Terms and Conditions and exceptions to mandatory requirements MUST be posed during the Question and Answer period and shall contain the Bidder's suggested changes and the reason(s) for the suggested change(s).

### **2.3 BID AMENDMENTS**

In the event that it becomes necessary to clarify or revise this RFQ, such clarification or revision will be by Bid Amendment. Any Bid Amendment will become part of this RFQ and part of any Contract awarded. Bid Amendments will be posted with the RFQ posted on Using Agency website. There are no designated dates for release of Bid Amendments. It is the sole responsibility of the Bidder to be knowledgeable of all Bid Amendments related to this RFQ.

### **3 QUOTE SUBMISSION REQUIREMENTS**

#### **3.1 QUOTE SUBMISSION**

In order to be considered for award, the Quote must be received by the Using Agency, by the required date and time indicated on the RFQ cover sheet. If the Quote opening deadline has been revised, the new Quote opening deadline shall be shown on the posted Bid Amendment. Quotes not received prior to the Quote opening deadline shall be rejected.

Bidders are advised that Quotes are only accepted by email at [centralprocurement@doh.nj.gov](mailto:centralprocurement@doh.nj.gov). Email sizes exceeding 25mb will be rejected. If an email size in excess of 25mb is required, Bidders are advised to submit Quotes in multiple emails.

Bidders are advised that all Quote submission requirements must be submitted as an email attachment, or if applicable, in the body of the email itself. All file submissions must be in Microsoft compatible formats. PDF submissions are acceptable. The State is unable to accept Quote submission requirements via links, third party websites downloads, external download applications, etc.

#### **3.2 BIDDER RESPONSIBILITY**

The Bidder assumes sole responsibility for the complete effort required in submitting a Quote in response to this RFQ. No special consideration will be given after Quotes are opened because of a Bidder's failure to be knowledgeable as to all of the requirements of this RFQ. The State assumes no responsibility and bears no liability for costs incurred by a Bidder in the preparation and submittal of a Quote in response to this RFQ or any pre-contract award costs incurred.

#### **3.3 QUOTE ERRORS**

In accordance with N.J.A.C. 17:12-2.11 "Proposal errors," a Bidder may withdraw its Quote as described below.

#### **3.4 QUOTE WITHDRAWAL PRIOR TO QUOTE OPENING**

A Bidder may withdraw its Quote submission prior to the Quote opening by making a written request to the Using Agency to withdraw its Quote from consideration for award. The Quote withdrawal request must include the RFQ Number, RFQ Title, and the Quote submission date and should be sent to [centralprocurement@doh.nj.gov](mailto:centralprocurement@doh.nj.gov). The Bidder may submit a revised Quote as long as the Quote is received prior to the announced date and time for Quote submission. Bidders may refer to the QRG "Submit a Quote" for additional instructions.

#### **3.5 QUOTE WITHDRAWAL AFTER QUOTE OPENING, BUT PRIOR TO CONTRACT AWARD**

If, after the Quote opening, but before Contract award, a Bidder discovers an error in its Quote, the Bidder may make a written request to the Using Agency to withdraw its Quote from consideration for award. If the Bidder's request to withdraw is made in good faith, and the State will not be significantly prejudiced by granting the withdrawal of the Quote beyond the loss of the benefit of the bargain to the State of the withdrawing Bidder's offer, the request shall be granted. Evidence of the Bidder's good faith in making this request can be demonstrated by one (1) or more of the following factors: A mistake is so significant that to enforce the Contract resulting from the Quote would be unconscionable; that the mistake relates to a material feature or term of the Contract; and that the mistake occurred notwithstanding the Bidder's exercise of reasonable care. After Quote opening, while pursuant to the provisions of this section a Bidder may request to withdraw its Quote and the Using Agency may in its discretion allow said Bidder to withdraw it, the Using Agency also may take notice of repeated or unusual requests to withdraw by a Bidder and take those prior requests to withdraw into consideration when evaluating the Bidder's future Quotes.

The Quote withdrawal request must include the RFQ Number, RFQ Title, and the Quote submission date and should be sent to [centralprocurement@doh.nj.gov](mailto:centralprocurement@doh.nj.gov).

If, during a Quote evaluation process, an obvious pricing error made by a potential Contract awardee is found, the Using Agency shall issue written notice to the Bidder. The Bidder will have up to five (5) business days after receipt of the notice to confirm its pricing. If the Bidder fails to respond, its Quote shall be considered withdrawn, and no further consideration shall be given to it.

#### **3.6 SMALL BUSINESS SET-ASIDE OR PREFERENCE CONTRACT**

Not applicable to this procurement.

#### **3.7 DISABLED VETERANS' BUSINESS SET-ASIDE OR PREFERENCE CONTRACT**

Not applicable to this procurement.

#### **3.8 BIDDER ADDITIONAL TERMS SUBMITTED WITH THE QUOTE**

A Bidder may submit additional terms as part of its Quote. Additional terms are Bidder-proposed terms or conditions that do not conflict with the scope of work required in this Bid Solicitation/RFQ, the terms and conditions of this Bid Solicitation, or the State of

New Jersey Combined Standard Terms and Conditions. Bidder proposed terms or conditions that conflict with those contained in the State of New Jersey Combined Standard Terms and Conditions will render a Quote non-responsive. It is incumbent upon the Bidder to identify and remove its conflicting proposed terms and conditions prior to Quote submission.

Quotes including Bidder proposed additional terms may be accepted, rejected, or negotiated, in whole or in part, at the State's sole discretion.

If Bidder intends to propose terms and conditions that conflict with the State of New Jersey Combined Standard Terms and Conditions, those Bidder proposed terms and conditions shall only be considered if submitted and agreed to pursuant to the electronic question and answer procedure. Bidders shall not submit exceptions or modifications as part of the Quote.

### **3.9 QUOTE CONTENT**

The Quote should be submitted with the attachments organized in following manner:

- Forms
- Technical Quote
- State Price Sheet

A Bidder should not password protect any submitted documents. Use of URLs in a Quote should be kept to a minimum and shall not be used to satisfy any material term of a RFQ. If a preprinted or other document included as part of the Quote contains a URL, a printed copy of the information should be provided and will be considered as part of the Quote.

### **3.10 FORMS, REGISTRATIONS AND CERTIFICATIONS TO BE SUBMITTED WITH QUOTE**

The successful Bidder is required to complete and submit the following forms, registrations, and certifications prior to contract award. Contract award is contingent on the successful Bidder submitting and signing all forms. Bidders are strongly recommended to submit the forms, registrations, and certifications with their Quote.

As an alternative to uploading certain forms with the submitted Quote, a Bidder may complete several certifications electronically in [NJSTART](#) on the "Terms and Categories" Tab within the Vendor Profile. If a Bidder does not submit the form with the Quote, the Bidder must comply within seven (7) business days of the State’s request or the State may deem the Quote non-responsive. The Bidder is advised that submission is mandatory prior to Contract award and failure to submit with Quote may introduce delays in awarding the Contract.

The Bidder should submit a completed and signed Confidentiality/Commitment to Defend Form with the Quote. In the event that the Bidder does not submit the Confidentiality form with the Quote, the State reserves the right to request that the Bidder submit the form after Quote submission.

After the opening of sealed Quotes, all information submitted by a Bidder in response to a RFQ is considered public information notwithstanding any disclaimers to the contrary submitted by a Bidder. Proprietary, financial, security and confidential information may be exempt from public disclosure by OPRA and/or the common law when the Bidder has a good faith, legal/factual basis for such assertion.

When the RFQ contains a negotiation component, the Quote will not be subject to public disclosure until a notice of intent to award a Contract is announced.

As part of its Quote, a Bidder may request that portions of the Quote be exempt from public disclosure under OPRA and/or the common law. The Bidder must provide a detailed statement clearly identifying those sections of the Quote that it claims are exempt from production, and the legal and factual basis that supports said exemption(s) as a matter of law. The State will not honor any attempts by a Bidder to designate its price sheet, price list/catalog, and/or the entire Quote as proprietary and/or confidential, and/or to claim copyright protection for its entire Quote. If the State does not agree with a Bidder's designation of proprietary and/or confidential information, the State will use commercially reasonable efforts to advise the Bidder. Copyright law does not prohibit access to a record which is otherwise available under OPRA.

The State reserves the right to make the determination as to what to disclose in response to an OPRA request. Any information that the State determines to be exempt from disclosure under OPRA will be redacted.

In the event of any challenge to the Bidder's assertion of confidentiality that is contrary to the State's determination of confidentiality, the Bidder shall be solely responsible for defending its designation, but in doing so, all costs and expenses associated therewith shall be the responsibility of the Bidder. The State assumes no such responsibility or liability.

In order not to delay consideration of the Quote or the State's response to a request for documents, the State requires that Bidder respond to any request regarding confidentiality markings within the timeframe designated in the State's correspondence regarding confidentiality. If no response is received by the designated date and time, the State will be permitted to release a copy of the Quote with the State making the determination regarding what may be proprietary or confidential.

### **3.10.8 SUBCONTRACTOR UTILIZATION PLAN**

Bidders intending to use Subcontractor(s) shall list all subcontractors on the Subcontractor Utilization Plan form.

For a Quote that does NOT include the use of any Subcontractors, the Bidder is automatically certifying that, if selected for an award, the Bidder will be performing all work required by the Contract.

If it becomes necessary for the Contractor to substitute a Subcontractor, add a Subcontractor, or substitute its own staff for a Subcontractor, the Contractor will identify the proposed new Subcontractor or staff member(s) and the work to be performed. The Contractor shall forward a written request to substitute or add a Subcontractor or to substitute its own staff for a Subcontractor to the State Contract Manager for consideration. The Contractor must provide a completed Subcontractor Utilization Plan, a detailed justification documenting the necessity for the substitution or addition, and resumes of its proposed replacement staff or of the proposed Subcontractor's management, supervisory, and other key personnel that demonstrate knowledge, ability and experience relevant to that part of the work which the Subcontractor is to undertake.
