

IQIP

IMMUNIZATION QUALITY IMPROVEMENT FOR PROVIDERS

Immunization Quality Improvement for Providers (IQIP)

Goal: Increase on time vaccinations for VFC-eligible children

IQIP is a 12-month process that consists of one in-person, and three virtual visits.

Initial Site Visit

- In person
- About 60 minutes
- Designed for medical providers and all staff

2-month & 6-month Check-ins

- Phone or Teams meeting
- About 15-20 minutes
- Review progress towards quality improvement goals

Conclusion: 12-month Follow-up

- Phone or Teams meeting
- About 15-20 minutes
- Wrap-up & review outcomes

Benefits

- Streamline Processes
- Increase Efficiency
- Incorporate New Health Education Tools

VFC Providers are selected by NJDOH for IQIP participation or contact us to self-enroll!
