

REGISTRY OF ANIMAL RESCUE ORGANIZATIONS IN NEW JERSEY

N.J.S.A. 4:19-15.33 requires that NJDOH establish a voluntary registry of animal rescue organizations in New Jersey. Participation is voluntary and this Registry may not include all organizations operating in the state. NJDOH does not have regulatory or licensing authority over animal rescue organizations and inclusion on this list does not equate to licensing or endorsement by NJDOH. Animal rescue organizations are advised to contact their local municipality and the New Jersey Division of Consumer Affairs to inquire about any requirements they may have. To be added to the Registry, or if contact information has changed, animal rescue organizations should complete and submit the [VPH-2 Animal Rescue Organization Registration form](#)-submission instructions can be found on the VPH-2 form.
