

Salem Community College

J. MAJOR CAPITAL PROJECTS

During the 2006-2007 academic year, Chapter 12 funded the Davidow Hall HVAC project. In addition, Davidow classroom renovations were implemented and will be completed in early FY 2008.

In addition, the College was awarded a \$130,000 rebate from the Board of Public Utilities (BPU) from the Clean Energy and Smart Start Buildings program.

The College received approval for FY 2008 Chapter 12 funding in the amount of \$3.6 million. The funds will support the Davidow Hall roof system installation (\$1.8 million) and the renovation and expansion of science laboratories.

The partnership with the Salem County Utilities Authority (SCUA) to establish a new Glass Education Center adjacent to the landfill is moving ahead. During the FY 2008 year, a 14,000 square-foot facility will be constructed by the SCUA and donated to the College.
