

Warren County Community College
2007 Institutional Profile
J. Major Capital Projects Underway in FY 2007

The College was approved for a \$5.5 million dollar expansion by the Board of Chosen Freeholders. The College held a groundbreaking ceremony during the spring 2007 semester. The project is expected to add an estimated 20,000 SQF to the institution. The expansion is expected to be completed on 12/15/2008.
