

Section I: Major capital projects underway in fiscal 2009

Recently Completed:

Bergen at the Meadowlands Facility

The College purchased 1280 Wall Street West in Lyndhurst, NJ in March 2010. The purchase and renovations are being funded by a Bond Issue through the Bergen County Improvement Authority.

New Science Wing - Pitkin Education Building, Paramus

Addition to main building of new science wing, consisting of new classrooms and laboratory space.

HVAC in Ender Hall - Ender Hall, Paramus

Refurbishment of HVAC system in Ender Hall

2010-2020 Master Plan

Completed during Fiscal Year 2010

Under Construction:

Renovation of Existing Science Labs (not in new wing)
Student Center renovation, including expanded entrance
Renovation of recently-purchased Lyndhurst facility

In Planning Stages:

Renovation of campus restroom facilities
Upgrade of campus security system
