The Gloucester County College Athletic Department is a Comprehensive 13-Sport Program for men and women. As a member of the National Junior College Athletic Association (NJCAA), GCC competes in Region XIX and the Garden State Athletic Conference against other two-year colleges from New Jersey, New York, Pennsylvania, Delaware and Maryland.

Activities and Awards received in 2010-2011 include:

- For the second straight year, **Gloucester County College** has been named the best overall National Junior College Athletic Association (NJCAA) Non-Scholarship Athletic Program in the country.
- The **Roadrunner athletic program** recently captured its second straight National Alliance of Two-Year College Athletic Administrators (NATYCAA) Cup, an award annually presented to the best athletic program in the country. A record-breaking spring season propelled the Roadrunners to victory, resulting in GCC's program scoring their highest number of points in the NATYCAA Cup program.
- National championship performances by the **men's tennis team** (a second consecutive national title) and the **women's softball team** (a first national title), second-place national finishes by the **women's tennis and baseball teams**, a fifth-place finish by the **men's track & field team** and a seventh-place finish by the **women's track & field team** helped lead the Roadrunners to the top of the leader board for the NATYCAA Cup.
- A third-place finish by **men's cross country** and a ninth-place finish by **women's cross country** in the fall 2010 season and a fifth-place national finish by the **wrestling team** in the winter season also contributed to GCC's winning total of 154 points.
- The top three places in this year's NJCAA Non-Scholarship College Division were awarded to the same colleges as last year. GCC's 154 points outdistanced Herkimer County College's point total of 128 and Mohawk Valley Community College's total of 127.
- In addition to winning the NATYCAA Cup two years in a row, GCC has also won 18 national titles in the last 20 years and the CAANJ award for the last six years.
