
G. Profile of Ocean County College: Degrees and certificate programs

The college has been authorized to offer three degrees: the associate in arts (A.A.), the associate in science (A.S.), and the associate in applied science (A.A.S.). Currently available with the A.A. designation are the liberal arts programs (including Honors Program) and Digital Mass Media with two options. Currently available with the A.S. designation are the following academic emphases: business administration, computer science, criminal justice, engineering, environmental science, general studies, homeland security, and public service. Currently available with the A.A.S. designation are the following programs: administrative office management, business with paralegal studies option, computer science/information technology, fire science, interpreter training, nursing, technical studies, and visual communications technology. In addition, the college offers twelve Certificate of Proficiency programs. They are in administrative office management, criminal justice, exercise science, fire science, information technology, paralegal studies, personal training, physical therapy aide, small business management, sports management, and visual communications. Seven Certificates of Completion are offered as well. They are: accounting, addictions counseling, business studies, computer graphics, information technology, legal secretary, and teacher's aide. See Section IV: Appendix B for a complete listing of all degree programs, options, transfer tracks, and certificate programs.
