

## SECTION G A PROFILE OF THE INSTITUTION

### **1. Provide a profile of Brookdale's degree and certificate programs.**

Brookdale Community College has a main campus in Lincroft, a Branch Campus in Western Monmouth, and several Higher Education Centers distributed throughout Monmouth County – Eastern Monmouth (Neptune), Northern Monmouth (Hazlet), Long Branch, and Wall Township. Brookdale offers AA, AFA, AS, and AAS degrees in 38 programs, and within those programs, students can choose from approximately 50 different options or concentrations. Brookdale also offers nine Academic Credit Certificates (ACC) that require 30 or more credits to complete, as well as 12 Academic Credit Certificates of Achievement (ACA) which require fewer than 30 credits to earn.

The table on the next two pages contains the degree and certificate programs currently offered at Brookdale Community College. In the table, degree programs are presented first and are listed alphabetically. Certificate programs follow.

Brookdale also provides local access to post-associate degree education through Brookdale's New Jersey Coastal Communiversisty, a post-associate degree partnership with Georgian Court University, Montclair State University, New Jersey City University, New Jersey Institute of Technology, and Rutgers, the State University of New Jersey. The Communiveristy allows Monmouth County residents to pursue over 30 degree options without having to leave the county.
