

Annual Institutional Profile Report  
September 15<sup>th</sup>, 2012

## **A. Accreditation Status**

### **1. Institutional Accreditation**

In June 2012, the Commission on Higher Education Middle States Association of Colleges and Schools (CHE/MSA) reaffirmed full accreditation for The Richard Stockton College of New Jersey. In addition, Stockton received two commendations for its progress to data and the excellent quality of its self-study process. Stockton received exceptionally high marks in all categories, including quality of teaching and learning outcomes, faculty accomplishment and student services. The College is not required to send any progress or monitoring report during its reaccreditation term. In recent years, Stockton is one of the few NJ institutions in their self-study processes that resulted in such distinctive designation. The evaluation team's report confirms the College's superior performance and acknowledges the fulfillment of its mission to maintain an environment for excellence for New Jersey students.

The next MSA evaluation process for Stockton will be the Periodic Review Report, due on June 1, 2017.
