I. PROFILE OF RAMAPO COLLEGE OF NEW JERSEY

Ranked by *U.S. News & World Report* as fifth in the “Best Regional Public Colleges & Universities North” category, and also cited for excellence by Kiplinger’s magazine and The Princeton Review, Ramapo College of New Jersey is sometimes mistaken for a private college. This is, in part, due to its unique interdisciplinary academic structure, its fall 2015 enrollment of 6,026 students, and its pastoral setting in the foothills of the Ramapo Mountains on the New Jersey/New York border. Its designation as New Jersey’s “public liberal arts college” by the State legislature declares the Public College’s commitment to affordable undergraduate and graduate liberal arts education.

The Public College is located in Mahwah Township, in northwestern Bergen County. The barrier-free campus occupies 300 acres. Facilities include general classrooms, laboratories, academic buildings, an administration building, library, a center for fine and performing arts, a sports and recreation center, campus life buildings, a spiritual center, athletic fields, dining halls, student apartments and residence halls.

Increasingly, the Public College is attracting students with higher class ranking, SAT scores and grade point averages. Many of these students are selecting the Public College as their first choice school. For the fall 2015 semester, 53% of freshmen applicants were accepted. The average combined-SAT score (critical reading and math) for regular-admit degree-seeking freshmen was 1144. The average combined-SAT score for all degree-seeking freshmen who enrolled, including Educational Opportunity Fund and special admit students, was 1104.

The Public College’s mission is focused on its four “pillars” of education: international, intercultural, interdisciplinary and experiential, all of which are incorporated throughout the curriculum and co-curricular activities. The international mission is further accomplished through an emphasis on global programs such as faculty/student exchanges.

Organized into five interdisciplinary schools offering more than 40 undergraduate and graduate degree programs, the Public College’s offerings are complemented by lectures, performances, and off-campus experiences. The Public College offers bachelor degrees in the arts, business, the humanities, the social sciences, and the sciences, as well as in professional studies such as nursing, social work and teacher education. Eight programs are currently offered leading to a master’s degree: Master of Arts in Educational Leadership (MAEL), Master of Arts in Liberal Studies (MALS), Master of Arts in Sustainability Studies (MASS), Master of Science in Educational Technology (MSET), Master of Science in Nursing (MSN), Master of Business Administration (MBA), Master of Arts in Special Education (MASE), and Master of Social Work (MSW). The Public College has joint degree programs with Rutgers Biomedical and Health Sciences in Allied Health Technologies, Clinical Laboratory Science and Medical Imaging Science and has a dual enrollment program with Seton Hall University’s School of Law. The Public College maintains articulation agreements with other participating institutions with

programs in Physician Assistant, Biomedical Informatics, Physical Therapy, Chiropractic, Dentistry, Optometry, and Podiatric Medicine, and other professional fields.

An important key to the Public College's strategy has been the building of partnerships with members of the college community, the surrounding communities, the state, high schools, other colleges, and domestic and international corporations. Faculty have been successful in obtaining major grants from state, national, and international sources to support scholarship, partnerships, curriculum improvements, seminars and conferences. Their efforts have brought recognition in the form of Fulbright Awards and Guggenheim Fellowships, major National Science Foundation and National Endowment for the Arts grants, international presentations, and numerous prestigious awards.

The Public College is currently undertaking a number of capital projects that will improve the quality of campus life and the teaching and learning environment, and completed the following projects in FY 2015:

- Adler Center for Nursing Excellence
- Library Fourth Floor—Renovation of Space for Archives
- Academic Buildings and Student Center—Installation of Interior Room/Wayfinding Signage
- Sports & Recreation Center—Installation of New Boilers
- Phase III Academic Building (Wing G)—Exterior/Interior Renovations
- Student Center—Retail Served & Dining Renovations
- Buckeye Residence Hall—Interior Renovations
- Sports & Recreation Center, Auxiliary Gym—Installation of Batting Cages

The Public College is a signatory to the American College and University Presidents' Climate Commitment and its solar power and other initiatives are helping achieve the objective of carbon neutrality as soon as feasible.

INSTITUTIONAL MISSION

Ramapo College is New Jersey's Public Liberal Arts College, dedicated to providing students a strong foundation for a lifetime of achievement. The College is committed to academic excellence through interdisciplinary and experiential learning, and international and intercultural understanding. Ramapo College emphasizes teaching and individual attention to all students. We promote diversity, inclusiveness, sustainability, student engagement, and community involvement.

INSTITUTIONAL VISION

As the region's premier public liberal arts college, Ramapo College of New Jersey prepares students to be successful leaders for a changing world through its distinctive commitments to hands-on learning and faculty-student mentoring.

GOALS AND OBJECTIVES

Goal 1: Advance Academic Excellence and Engagement

Objective 1.1 The College will offer rigorous curricula and experiential activities that prepare all students for a lifetime of achievement.

Objective 1.2 The College will ensure that students increase academic, personal, social, and civic engagement by offering enhanced curricular, co-curricular, and extra-curricular programming.

Objective 1.3 The College will continue to support and develop a diverse, highly qualified, engaged, and accessible faculty through activities centered on teaching, learning, and advising; scholarship and creative work; and service and college governance.

Objective 1.4 The College will increase enrollment and graduation rates among underrepresented groups, transfer students, international students, graduate students, and returning students. The College will identify and make use of currently underutilized capacity within undergraduate academic programs.

Goal 2: Enhance Financial Strength and Institutional Sustainability

Objective 2.1 The College will enhance its strength by managing its financial risk and improving its financial position while maintaining conservative utilization of future debt.

Objective 2.2 The College and the Foundation will continue to increase external funding through all constituencies to support the College's mission and strategic initiatives.

Objective 2.3 The College will provide a supportive environment for work, study, and social interaction.

Objective 2.4 The College will be environmentally sustainable.

Objective 2.5 The College will ensure that its major institutional decisions are based on timely, accurate, and reliable data.

Goal 3: Improve Internal and External Relations and Communications

Objective 3.1 The College will improve communication among constituents.

Objective 3.2 The College will strengthen mutually beneficial partnerships with alumni, parents, friends, business, professional organizations, as well as community and government agencies.

Goal 4: Cultivate and Support Diversity and Inclusiveness

Objective 4.1 The College will create a safe and supportive environment for all, with particular consideration toward members of underrepresented and marginalized groups.

Objective 4.2 The College will retain and continue a diverse student population.

Objective 4.3 The College will develop and promote curricular, co-curricular, and extra-curricular programs that demonstrate the value of diversity, self-awareness, examination of multiple perspectives, and respect for others.

Objective 4.4 The College will recruit and retain employees who reflect and are committed to diversity and inclusiveness.

B. NUMBER OF STUDENTS SERVED

Ramapo College served almost 6,900 students during fiscal year 2015. In the Fall semester of 2015, over 6,000 students were enrolled (5,661 undergraduates and 365 graduate students).

Over 7000 applications were submitted by new freshman and approximately 53% were admitted to the college. Of those admitted, roughly 25% (931 students) subsequently enrolled.

Over 16% of all undergraduates were first-time freshman, while nearly 10% were students who transferred to Ramapo from another institution.

In keeping with the college's strategic plan, Fall 2015 enrollment of first-time graduate students increased by over 30% from Fall 2014.

C. CHARACTERISTICS OF UNDERGRADUATE STUDENTS

Over 81% of the 931 new students enrolled in Fall 2015 were regular admit, while nearly 9% were Educational Opportunity Fund (EOF) students.

Undergraduates were tested using Accuplacer to determine if they needed any remediation in the areas of computation, algebra, or reading. Approximately 5% of all undergraduate students and over 22% of first-time, full-time (FT FT) freshman required remediation in at least one area. The most common of these areas was computation, with over 14% of students enrolling in a remedial course in that subject.

DEMOGRAPHICS

In Fall 2015, 6,026 students enrolled at Ramapo College of New Jersey. Of those, 94% (5,661) were undergraduates.

Approximately 88% of undergraduates were enrolled full-time. Fifty-five percent of undergraduates were female, and among those who provided information regarding race/ethnicity, 64% were white, and minorities accounted for approximately 27% of the population. Eighty-seven percent of all undergraduates were between the ages of 18-24.

A large proportion of undergraduates (93%) were from New Jersey, of whom over 43% were from Bergen County.

E. FACULTY CHARACTERISTICS

In Fall 2015, 215 full-time faculty and 239 part-time faculty (adjuncts, etc) taught over 6,000 students at Ramapo College. Of the 215 full-time faculty members, 82% were tenured, 51% were female, and 70% were white. Over 89% of full-time faculty members possess a doctorate degree or a terminal degree. The student-faculty ratio is 17:1, while the average class size is about 23.
