Preface

Attached herewith is the 2019 Institutional Profile for Mercer County Community College.

This information provides a snapshot of the state of our institution.

Dr. Jianping Wang
President
A. Accreditation Status

Institutional Accreditations

Mercer County Community College was first accredited by Middle States Commission on Higher Education in 1967. Its accreditation was last reaffirmed on June 23, 2016. The next evaluation review and visit is scheduled for 2022-2023.

Professional Accreditations

- The New Jersey Board of Nursing approves and the Accreditation Commission for Education in Nursing (ACEN) accredits the college’s Associate Degree Nursing program.
- The Radiography program is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT) and approved by the New Jersey Radiologic Technology Board of Examiners.
- The Medical Laboratory Technology program is accredited by the National Accrediting Agency of Clinical Laboratory Sciences (NAACLS).
- The Commission on Accreditation in Physical Therapist Education (CAPTE) of the American Physical Therapy Education has given accreditation to the Physical Therapist Assistant program.
- The American Bar Association (ABA) accredits the Legal Assistant program.
- The American Board of Funeral Service Education (ABFSE) accredits the Funeral Services program.
- Mercer’s Aviation Flight Technology program became the first two-year aviation program in the nation to be accredited by the Aviation Accreditation Board International (AABI).
- The Automotive Technology program is accredited by ASE Education Foundation.

G. Profile of Institution

Mercer County Community College was established in 1966. It began operations in the summer of 1967 after incorporating the former Trenton Junior College and The School of Industrial Arts, an institution whose history dates from 1898. Initially housed in various rented facilities in downtown Trenton, the college moved in 1972 to a comprehensive new campus located on 290 acres adjacent to a sprawling new county park in suburban/rural West Windsor Township. Limited operations continued in Trenton until 1976, when the newly constructed Trenton Campus opened as a visible sign of the college’s continuing commitment to serve the Trenton community.

Degree and Certificate Programs

The scope of Mercer’s educational offerings is among the broadest in the state of New Jersey. Through more than 75 program options, including 3 fully online options, students may earn an Associate in Arts (AA), Associate in Fine Arts (AFA), Associate in Science (AS) or Associate in Applied Science (AAS) degree or a Certificate of Proficiency. Unique programs including Funeral Service and Aviation continue to draw a large number of out-of-county students to Mercer. Noncredit offerings cover a wide spectrum, including customized corporate training, continuing professional education, personal interest courses, entry-level employment skills development, and adult basic education. There are also many youth-oriented year-round programs and summer camps.
## G. Credit Programs by Degree Type, Fall 2019

### Access Programs
- English-as-a-Second Language: Non-degree Exploratory
- LPN-RN Advanced Placement: Non-degree Other College
- Non-degree Career Related: Non-degree Personal Development
- Non-degree Dual Enrollment: Non-degree Jump Start

### AA Programs
- Communication: Liberal Arts & Sciences
  - Organizational
  - Radio
  - Television
  - Communication: Speech and Theater
- Dance
- Education
  - Theatre
- American Studies
- Global Studies
- Humanities
- Liberal Arts
- Political and Legal Studies
- Social Science
- Women’s & Gender Studies
- Liberal Arts (Online)

### AFA Programs
  - Dance: Visual Arts
  - Photography & Digital Imaging: Art History
  - Theatre: Ceramics / Sculpture
    - Fine Arts

### AS Programs
- Architecture: Criminal Justice: Corrections
- Aviation Management: Criminal Justice: Law Enforcement
- Biology: Criminal Justice: Corrections (Online)
  - Pre-Dentistry
  - Pre-Medicine
  - Pre-Veterinarian
- Business Administration: Culinology
  - Global Business
  - Sports Management
- Chemistry: Nursing (ADN)
- Computer Information Systems: Nursing Coop (St. Frances Medical Center)
- Computer Science: Physics
- Communication: New Media: Plant Science
  - Computer Science: Occupational Therapy Assistant
  - Communications: Public Health

### AAS Programs
- Accounting: Funeral Service
  - Administrative Professional: Funeral Service Preparatory
- Advertising & Graphic Design: Game Design
  - Building & Construction Technology: Game Programming
- Automotive Technology: Health Information Technology
- Aviation Customer Relations: Health Science
- Aviation Flight Technology: Radiography
- Business Software Applications: Heating, Refrigeration & Air Conditioning
- Business Studies: Hotel, Restaurant & Institutional Management
  - Entrepreneurship
  - Management
- Civil Engineering Technology: Laboratory Technology
- Computer Networking & Technology: Medical Laboratory Technology
- Culinary Arts / Pastry Arts: Microcomputer Systems Administration
- Digital Film: Ornamental Horticulture
- Digital Media Arts: Horticulture
  - 3-D Animation: Floral Design
  - Multimedia: Landscape Design
  - Web Design: Paralegal

H. Major Research and Public Service Activities

Mercer is a publicly assisted co-educational institution of higher education that provides quality programs and services at a reasonable cost. Funding is secured through state support (distributed among the various New Jersey community colleges according to enrollment), annual county allocation, student tuition and fees, and supplemental grants. The college offers associate degrees and certificates in over 75 programs. The Mercer Institute of Management and Technology Training provides a full range of customizable training for business and industries throughout the region. Similarly, the Division of Life Long Learning offers a range of non-credit programs and course offerings for the citizens and businesses of Mercer County and beyond.

With the main campus in West Windsor and a location in downtown Trenton (the state’s capital), Mercer operates under a one-college philosophy that ensures equitable educational opportunities and services to all students. Full-time faculty members teach both day and evening courses at the West Windsor campus and James Kerney campus. Academic divisions and support-service departments serve students at both campuses and are responsible for day, evening and weekend students as well as those who enroll in online courses via Mercer Online.

In keeping with the College’s commitment to enhanced retention and completion, the College revitalized its Guided Pathways to Success (GPS) initiative, indexing degree curriculum mapping efforts to the NJ Council of County College Center for Student Success 5-year implementation plan. During the 2018-2019 academic year, 100% of degree program curriculum mapping was achieved.

To better serve our students and businesses, Mercer County Community College has recently developed 8 innovative partnerships with regional businesses that provide paid and academically meaningful internships for Mercer students while they pursue their degree or certificate programs at Mercer. Students who need supplementary income while attending Mercer benefit from the meaningful job experience they get while earning, strengthening their backgrounds and job skills. Most of these partnerships include either a promise of employment at the partnering business or access to networks of employers in some of the in-demand occupations today. Our partners also participate in teaching staff or providing lab teaching at the Partner’s locations.

As part of our strategic plan, Academic Affairs completed a comprehensive five-year Education Master Plan that will inform teaching, learning, student advisement, and educational systems through 2022.

The MCCC University Center is scheduled to be expanded by 200% with the budget approved by the County. This will allow students to continue their studies at the Bachelor’s and Master’s degree level with our on-campus partners -- Fairleigh Dickinson University, Felician College, Rutgers University, William Paterson University, and the New Jersey Institute of Technology which provides bachelor’s degree courses in the Engineering Sciences on the MCCC campus. The most recent addition to MCCC’s University Partnerships is Wilmington University. Wilmington University will offer degree programs in three majors in Trenton and West Windsor: Criminal Justice, Media Design, and a Master’s of Education degree in School Leadership. Eventually the bachelor’s degree program will be expanded to include Health Sciences and Software Design.

The College's dual enrollment program has continued to expand, including fifteen area high schools and the County Vocational Technical School’s Health Science, Career Prep, Advertising Design, STEM Academy, and Culinary Arts Academy. Our current dual enrollment has reached our five-year goal of 600. The College also offers a number of pre-college opportunities through Youth College including federally funded TRIO Programs (Upward Bound and Educational Talent Search).

Mercer County Community College also completed its third of a five-year (Title III) U.S. Department of Education Strengthening Institutions Programs grant. MCCC is in its fourth year of a National Sciences Foundation (NSF) STEM grant, which increases our recruitment and retention of students interested in pursuing the Science, Technology, Engineering and Math sectors. The College is
Mercer County Community College Institutional Profile, 2019

in the fifth year of a cooperative NSF grant with William Paterson University in implementing the Robert Noyce Teacher Scholarship program. Mercer continues to benefit from an annual Bristol-Myers Squibb Science Learning Center grant. In 2017-2018, the College successfully petitioned the U.S. Department of Labor to join the Employment and Training Administration Office of Apprenticeship as a Registered Apprenticeship-College Consortium (RACC) member for Automotive Technology. MCCC was again awarded and completed a College Readiness Now (CRN IV) that was designed to serve non-college ready students from Hightstown, Hamilton West, Trenton STEM, Nottingham, and Ewing High Schools. Students were provided Accuplacer testing preparation, success coaching/advising, and intensive remediation for English. Successful students were then placed into a dedicated section of ENG 101 English Composition I. The College completed its second year of a Mercer-Princeton Teaching Partnership program, matching Princeton University doctoral candidates with Mercer senior faculty for higher education mentorship and teaching experience in a coaching/advising, and intensive remediation for English. Successful students were then placed into a dedicated section of ENG 101 English Composition I. The College completed its second year of a Mercer-Princeton Teaching Partnership program, matching Princeton University doctoral candidates with Mercer senior faculty for higher education mentorship and teaching experience in a community college setting.

Mercer County Community College is a cultural hub. The Kelsey Theatre provides a full slate of musical and dramatic productions for both adults and children. This year they sold over 39,000 tickets to 35 different ticketed events. The college’s Art Gallery exhibits six major shows per year. A listener-supported public radio network offers classical music programming at 89.1 WWFM and a new HD-2 channel for jazz on the same frequency. The total revenue generated by WWFM for fiscal year 2018 was $534,118 from 3,103 donors. Mercer hosts a series of speakers on topics of interest to the community through its Distinguished Lecture Series. These included “A Mission Trip to India – To Empower Women in their Breast Cancer Journey”, “Making the Complex Simple: Learning to Lead in a Technical World” and “Prison Hospice – Dignifies End of Life Care for the Aging Prison Population”. The Conference Center at Mercer serves as a host location for events sponsored by regional, state and local organizations; Finally, each year the Campus College offers summer enrichment programs to 3000-4000 children throughout the Mercer County region.

Mercer actively supports and provides global education experiences for our students, both inside and outside of the classroom and internationally. The Center for Global Opportunities was formed in August 2016. The Center offers Study Abroad, Travel and Learn, campus internationalization, and support for curriculum infusion in order to provide a robust global experience for Mercer students. Mercer students have many opportunities to observe, learn about, and engage the world community, which has a great benefit of providing them with the tools they will need to be successful global citizens in an exceedingly interconnected world. Mercer provides study abroad opportunities for students to learn from real-world exposure to various peoples and cultures. In May of 2019, Mercer has 2 study abroad trips. The first had a group of 28 students and faculty members go on a college Study Tour of Poland. They returned with powerful insights regarding The Holocaust. Later that month, 28 Health Professions students and faculty members traveled to Ireland to study global healthcare.

The College offers robust ESL programs for students for whom English is not their native language. We offer credit courses in 9 languages with free online access to Rosetta Stone for any student looking to learn another language independently. Diversity and global perspective are integrated into our general education courses that are required in all degree programs. In addition, Mercer has a rich International Student program where 318 international students from more than 50 different countries come to Mercer to earn Associate degrees.

Mercer is a destination site for area high school athletes seeking a first class education, intercollegiate sports participation and university college scholarship opportunities. The men and women’s soccer teams are Division I; cross-country for women is Division I. Baseball, softball, and men and women’s basketball participate in Division II and our Division III teams are men’s and women’s tennis and men’s cross-country. The College maintains a tradition of excellence in Athletics. It sponsors 10 sports for men and women (tennis, soccer, basketball cross-country and baseball/softball. Mercer annually wins regional championships; most recently in soccer and tennis, and the baseball team has advanced to the national junior college series championships 3 of the last 4 years.

Due to the national success of the baseball team over a four-year period, 5 Mercer baseball players were drafted by major league teams and are currently participating on professional teams. On a yearly basis approximately 150 students from the local community, the east coast and internationally come to the college to participate in sports. Academics remains a strong focus for the department with approximately 50 students achieving academic honors level work each year. The department 6-semester graduation rate annually ranges from 25-30%.

While our faculty and staff are major supporters and a catalyst for the area’s vibrant non-profit community, the College itself is the centerpiece of the activities for many non-profits and educational entities. Each year, the College participates in the American Heart Association Heart Walk. Our 290-acre campus is used frequently for similar walks for March of Dimes, Sudden Infant Death Syndrome (SIDS), The American Cancer Society, etc. Various non-profit or other groups use the College facilities every day of the
week, and these activities are coordinated with our security personnel for the health and safety of students and community members. The College continues to house the Mercer County Police Academy and the Mercer County Fire Academy.
I.  Major Capital Projects

The following Chapter 12 projects scheduled for fiscal year 2018 were completed/designed at a total cost of approximately $3.2 million dollars.

- Classroom renovations and upgrades at the West Windsor Campus on the 2nd and 3rd floor of the BS building – Phase III (West Windsor campus) – 7,133 sq. ft.
- Student Center “One Stop” renovation (West Windsor Campus) Phase (design costs for a 20,900 s.f. of critical operations center).
- CCTV/Access Control/Safety & Security Improvements – West Windsor Campus/James Kerney Campus (camera/IT/systems, infrastructure and access controller upgrades – Phase I).
- Student Center Chiller replacement (WWC) - mechanical device and fitments.
- Restroom improvement & upgrades in the Student Center and the Communications Building at West Windsor, and the Commons Area at James Kerney Campus) – 1,415 sq. ft.
