GRANT AGREEMENT BETWEEN THE OFFICE OF THE SECRETARY OF HIGHER EDUCATION AND RUTGERS - SUMMER GRADS

This Grant Agreement (“Agreement”) is entered into by and between the Office of the Secretary of Higher Education (“OSHE”), a public agency of the State of New Jersey and **Rutgers - Summer Grads**, an institution of higher education within the State of New Jersey (“Grantee”) for implementation of the Educational Opportunity Fund (“EOF”) Program. The EOF was created by law in 1968 to ensure meaningful access to higher education for those who come from economically and educationally disadvantaged backgrounds.

The purpose of the partnership between OSHE and the Grantee is to provide an opportunity for higher education to educationally and economically disadvantaged New Jersey residents who would not be able to attend college without the financial assistance and special support services that are part of the EOF Program. Pursuant to this Agreement, OSHE will provide funding to implement goals and strategies for capacity building and increasing enrollment, improving student retention, persistence, completion, and reducing financial burdens on students.

I. EDUCATIONAL OPPORTUNITY FUND GRANT AMOUNT

Grantees shall use the funds provided pursuant to this memorandum to achieve identified goals as part of a comprehensive program implemented between June 1, 2022 and June 30, 2023.
- B. All monies expended pursuant to paragraph A of this section must be spent or encumbered by June 30, 2023.
- C. The Grantee agrees to attend and participate in activities that may be convened by OSHE in furtherance of the EOF program and the EOF funding. The activities may include, but are not limited to: in-person and virtual periodic meetings, webinars, trainings, and collaborative events with multiple institutions to examine best practices that can be utilized for the sustainability of the EOF program.

D. Compliance with Existing Laws

Grantee, agrees to comply with all federal, state, and municipal laws, rules, and regulations in the performance of this Agreement that are generally applicable to the activities in which the Grantee is engaged in the performance of said contracts.

E. Dissemination

- 1. All public events, activities, curricular materials, press releases, requests for proposals, bid solicitations, and other documents produced with OSHE funds provided pursuant to this agreement must state clearly that the project partnership is administered by OSHE and that OSHE is a partner in the project partnership. The only official name to be used in describing the overall program is “Educational Opportunity Fund (EOF)” and no other institutional-specific branded name shall be used in official communication about the grants.
- 2. Content of materials. Subject to any specific requirements that apply to the grant, the Grantee may decide the format and content of project materials that it publishes or arranges to have published.

EDUCATIONAL OPPORTUNITY FUND

RUTGERS, THE STATE UNIVERSITY
Additional Contract Provisions

Attachment A-1 is hereby annexed to and provides for additional contract provisions and conditions between the State of New Jersey, Office of the Secretary of Higher Education (OSHE), and Rutgers, the State University as detailed below.

A. Redistribution of Academic Year Article III Funds

1. The Educational Opportunity Fund (EOF) director of each applicable college/school within the University and the financial aid office of the University will submit to the Higher Education Student Assistance Authority (HESAA) via the New Jersey Financial Aid Management System (NJFAMS) a roster containing initials, renewals, and transfer students as required by the OSHE no later than the final EOF campus program roster processing date. An electronic copy of this roster will also be sent via Excel format to OSHE.

2. If any of the colleges within the University require additional student allocations for funding under Article III, a formal written request shall be made by the University to OSHE as soon as such need becomes clear, but in no event later than the contractual deadline for such requests as set by the OSHE for the fall and spring semesters, which will be separate and distinct from the contractual deadline for requesting payments.

3. Subsequent to the above-mentioned deadlines, OSHE will then review the formal written requests received from each college for additional allocations and:

- a. Determine if there is need for more allocations by those colleges requesting them, and
- b. Calculate the total pool of unused allocations from each of the three University regions of Newark, Camden and New Brunswick.

4. If one of the colleges of the University has made a formal written request for additional allocations and OSHE has determined that need for additional allocations exists at said college, such need shall first be satisfied from the unused allocation pool of the University region within which the requesting college is located. All adjustments under this paragraph shall only be made under the authority of the University Administrator for the EOF Program and upon the prior notification from OSHE.

5. If one of the colleges of the University has made a formal written request for additional allocations and OSHE has determined that need for additional allocations exists at said college and the college's need cannot be met under the provision of paragraph 4 above, then said college shall receive priority to receive unused allocations from another University region subsequent to each University region having completed its own redistribution of allocations under paragraphs 4 above. Any requests for reallocations under this paragraph shall be subject to the same deadlines as set forth in paragraph 2 above.

6. If, after the applications of paragraphs 4 and 5 above, a requesting college still has a need for more allocations, such need shall be satisfied through normal reallocation procedures established for all EOF programs within the State by OSHE.

7. All approved reallocations shall become part of each college's permanent allocation for that academic year.

B. Redistribution of Article IV Funds

1. Upon discussion between the college EOF director and the designated University Business Manager for EOF programs, a college shall submit a proposal to OSHE if it desires to make any budget changes within its own budget for projected use of unexpended Article IV funds. Such proposal shall be submitted by the contract deadline for budget changes of the projected use of unexpended funds.

2. No later than the specified deadline for contract budget changes for the spring semester, the University will submit a budget change request package to OSHE which would transfer Article IV funds, within region, from one college where an under-expenditure exists, to another college where there is need for additional Article IV funds.

3. All budget change requests shall be submitted with the signatures of the appropriate college EOF Director and the University Business Manager for EOF Programs to the EOF Executive Director and the appropriate program liaison for review and approval.

4. Any reallocation of unexpended Article IV funds under this section must have the prior approval of OSHE.
