The New Jersey Office of the Secretary of Higher Education (OSHE) awarded funding to 146 employers across the state for **600 paid** internship opportunities through the [New Jersey Career Accelerator Internship Grant Program](#) for the summer of 2024.

This grant program provides funding to New Jersey employers who are interested in hosting part-time undergraduate, graduate, or recent graduate interns from across the state (May through August). The grant program aims to foster mutually beneficial relationships between students and New Jersey-based employers. There are currently 146 employers seeking around 600 interns for these paid experiences all over the state.

OSHE is hosting two information sessions for students and advisors to review expectations of the program, where to find the open positions, and how to apply. **The next session will be held on Tuesday, March 26<sup>th</sup> at 2:00pm.**

Attendees must register in advance for the session using the following link: [https://oshe-nj.gov.zoomgov.com/meeting/register/vJItceGhpjgrG\\_h3-MvslIujf9I3d\\_BDrM8#/registration](https://oshe-nj.gov.zoomgov.com/meeting/register/vJItceGhpjgrG_h3-MvslIujf9I3d_BDrM8#/registration)
