**Subject:** Reminder – Mental Health in Higher Education: Community Provider Partnerships and Professional Development Grant Application

---

Thank you to institutions for submitting technical questions regarding the Notice of Grant Opportunity (NGO) for the Mental Health in Higher Education: Community Provider Partnerships and Professional Development Grant. Answers to submitted questions will be posted on or before January 6, 2023.

**Applications are due on or before 5:00pm on January 31, 2023.** The NGO and budget template are available on our website: <https://www.state.nj.us/highereducation/mentalhealth.shtml>.

As a reminder, an additional \$10 million was allocated to OSHE in the FY 2023 Appropriations Act for telehealth services to support students' mental health on campuses. As you prepare your Community Provider Partnerships and Professional Development Grant applications, please keep in mind that OSHE is currently developing a statewide telehealth initiative for institutions.
