Subject: Now Available: Spring 2025 Insights from New Jersey Some College, No Degree Partnership

In partnership with ReUp Education, OSHE is excited to share an updated insights brief on our statewide effort to support students with some college credit but no degree in returning to complete a life-changing credential.

The brief is now [available on our website](#) and includes:

- Updated outcomes on student engagement and re-enrollment
- Economic impact of the initiative
- Learner insights and top return pathways
- An institution spotlight featuring County College of Morris

To date, over 11,800 students have re-enrolled through this partnership, and more than 1,100 have graduated.
