TAHESHA L. WAY
LT. GOVERNOR

BRIAN K. BRIDGES, PH.D.
SECRETARY OF HIGHER EDUCATION

POSTING

Paid Internship /Fellowship Positions

The Office of the Secretary of Higher Education (OSHE) seeks undergraduate/graduate students and recent graduates that are passionate about education and government affairs and are looking to be engaged in an active experience supporting a variety of teams within OSHE. The paid internship/fellowship is offered in the fall, spring, and summer. This internship/fellowship presents a unique opportunity to have a close view of postsecondary education policymaking and statewide government affairs and be exposed to all the work and efforts of all the areas that go hand in hand to improve education initiatives across the state and make higher education more affordable and accessible for New Jerseyans. Selected candidates will provide support to the following areas: Policy, Communications, Legislative, Licensure, Student Support, Finance, Research, and General Administration.

Interested candidates must have excellent writing skills, effective email and oral communication, good literature research skills, familiarity with quantitative and qualitative research methods, and demonstrated time management/organizational skills. Familiarity with New Jersey institutions of higher education and/or relevant organizations is preferred.

The selected applicants will be expected to adapt to and work in a fast-paced environment, being exposed to multiple facets of a government agency. Interns/Fellows will rotate through most areas of OSHE; however, priority projects and tasks will be considered for those that align with the intern/fellow's interests. Though we have listed preferred qualifications, we recognize that part of being an intern/fellow is to learn skills that advance your career and academic pursuits. As a result, you will be afforded the opportunity to learn and gain experience not only from your team/area but also gain exposure to other teams and their operations, thus applicants who may not meet all the qualifications are still encouraged to apply.

Tasks and projects in each area may include:

Policy

- Research and drafting of memos and reports
- Participating and minute-taking with a variety of statewide commissions and task forces
- Participate and record meeting notes for implementation work groups
- Provide project support for implementation of policy and program initiatives and logistical support for planned agency convenings
- **Strong Skills Required:** Editing/proofreading skills, detail-oriented, time management/organizational skill, multi-tasking skills, ability to analyze and synthesize research, familiarity with quantitative and qualitative data
- **Interest** in higher education policy, government affairs, and NJ institutions

Communications

- Social media/graphics creation
- First-round draft of press releases
