Topic: FY24 Rate Changes

The State Fiscal Year 2024 (FY24) Appropriations Act included language increasing certain Fee-For-Service rates. The Department of Human Services' (DHS) Division of Developmental Disabilities (Division) completed publication of the required [Public Notice](#) and [Rates](#) on June 30, 2023, allowing the increases to be *effective on July 1, 2023*. Impacted rates are as follows:

- Support Brokerage rate increase to \$10 per 15-minute increment;
- Behavioral Supports Assessment/Plan Development rate increase to \$22.05 per 15 minute increment;
- Behavioral Supports Monitoring rate increase to \$8.26 per 15 minute increment; and
- A 3.25% COLA increase to all other Fee-For-Service rates that are **not** reimbursed as Reasonable and Customary (See impacted [Rates](#) or Appendix on page two of this document).

Due to timing of these increases, system updates allowing for payment to occur through regular claiming are projected to be completed on or about July 8, 2023. Once complete, Prior Authorizations will be updated to allow for retroactive claiming at the new rates from July 1, 2023 forward. To collect the new rates, providers will need to either:

- Delay claims for services rendered on or after July 1, 2023 until updated Prior Authorizations (projected to be available in the late PM on July 8, 2023) are available; **or**
- For claims submitted and paid for services rendered on or after July 1, 2023 using old Prior Authorizations, recycle those claims using updated Prior Authorizations (projected to be available in the late PM on July 8, 2023) once available.

**No Changes Needed to Individualized Service Plans (ISPs)**

- Support Coordinators do not need to revise ISPs.
- Updated Up-To Budgets will be available in iRecord after the system updates have occurred and are included on page five of this document. The Community Care Program and Supports Program Manuals will also be updated with this information shortly.
