The Community Dashboard format has been revised to more clearly present individuals **actively** receiving services through DDD for whom reporting of COVID-19 positivity and deaths are required. Data for individuals not under DDD services for whom reporting is voluntary and provided for informational purposes only can be found at the end of this document.

**DHS compiles community totals using data from incidents that are reported by provider agencies and by the families of individuals who reside in family homes. All information is included in the totals reported by the New Jersey Department of Health. Developmental Center data is not represented in Community tables.*
