    o Webinar Wednesdays – covers topics of interest related to transition to adult life
    o Opportunity Expos – events held in different areas of the state throughout the school year, where students and families can meet and learn about support coordination agencies and service providers.

✔ Through person-centered planning, assist the student in identifying his/her vision for work and life and supports that may be needed to achieve this vision
   For help getting started, review DDD’s Person-Centered Planning Tool: www.nj.gov/humanservices/ddd/documents/person-centered-planning-tool.docx

  https://irecord.dhs.state.nj.us/providersearch

FEBRUARY/MARCH: Support Coordination Agency Selection

- Complete and submit the Support Coordination Agency Selection Form (STEP 4)
  - The Support Coordination Agency (SCA) Selection Form will be provided during the eligibility application process. When completing the SCA Selection Form, identify both a first-choice and second-choice agency to increase your chance of getting an agency of your own choosing. The list of SCA’s can be found at https://irecord.dhs.state.nj.us/providersearch
  - The SCA Selection Form should be returned to the DDD Intake Worker assisting the student with the eligibility application process.

APRIL: Support Coordination Agency Assignment

- DDD assigns the student to a Support Coordination Agency
  - DDD will assign the student a Support Coordination Agency based on the SCA Selection Form that was completed and on the available capacity of the agencies selected.
  - Once assigned, a Support Coordination Agency can receive funding to attend exit IEP and/or transition-related meetings at school, and to develop the Individualized Service Plan (ISP).

APRIL – JUNE: Service Plan Development

- Develop the Individualized Service Plan
  - The Support Coordinator is responsible for writing the Individualized Service Plan (ISP), with guidance from the planning team (student, family, providers, etc.) and information gathered during the Person-Centered Planning process and completion of the NJCAT.
  *The ISP should be completed and approved before the student exits the school system, so that services will be in place upon graduation.
