Interim Executive Director

Dear NJ Constituents:

We are pleased to provide you with our newly updated New Jersey Resources publication. This comprehensive guide identifies the many helpful programs and services the Department of Human Services offers to New Jersey residents, caregivers, and advocates, as well as resources and programs offered by our partners.

In this directory, families can find information on available food, income or employment assistance programs; caregivers can find information on support programs and services to assist them in caring for their loved ones; and individuals with disabilities can find information on services including in-home supports, vocational rehabilitation, personal care assistance and education. Information is also available on transportation programs, utility assistance, healthcare, and many other essential services available to New Jersey residents.

Our mission demands that every person who turns to Human Services is treated with dignity, respect, and compassion. We want all New Jerseyans to live full, healthy lives, and this publication can serve as clear guidance on how to access programs and services that can help individuals and families thrive.

While eligibility guidelines included in this print edition reflect 2026 standards, we continually update the online version in an accessible digital format at nj.gov/humanservices/dds/home/. Additionally, overviews of available programs and services can be found at the New Jersey Disability Information Hub at nj.gov/disabilities/.

To request additional hard copies in English or Spanish, please email the Division of Disability Services (DDS) at Dds.publications@dhs.nj.gov. If you have any questions or need further assistance, contact DDS at 1-888-285-3036.

We hope you find this resource to be of value.

Sincerely,

Dr. Stephen Cha
Commissioner

CHAPTER 1: INCOME ASSISTANCE

Work First New Jersey (WFNJ): Temporary Assistance for Needy Families (TANF) and General Assistance (GA)

Work First New Jersey (WFNJ) provides cash assistance and supportive services like job search and readiness, child care, transportation and short-term housing support. You are required to look for a job and participate in an employment and training program as a WFNJ recipient. WFNJ is made up of two programs: Temporary Assistance for Needy Families (TANF) assists families and General Assistance (GA) assists single adults and couples without dependent children.

To be eligible for TANF, a family of three can have a gross monthly income of \$839. To be eligible for GA, a single adult can have a gross monthly income of \$278. Learn more at www.WFNJ.gov or in person at your County Social Service Agency.

WFNJ Hotline – DFD Call Center number: 1-800-792-9773

DFD Call Center representatives are available Monday through Friday, 8:30 AM to 4:30 PM, to assist you with questions about your case, applications, MyNJHelps.gov account, or any general program inquiries.

Supplemental Security Income (SSI)

Supplemental Security Income (SSI) is a federal program that provides monthly payments to certain people who have limited income and few resources. The basic monthly SSI payment for 2025 is the same nationwide. It is: \$967 for one person; or \$1,450 for an eligible individual with an eligible spouse, but not everyone gets the same amount. Where and with whom you live also makes a difference in the amount of your SSI payment. In New Jersey, SSI recipients also receive NJ FamilyCare (Medicaid).

Eligibility

Eligibility: US residents who are 65 or older & those of any age, including children, who are blind or who have disabilities may be eligible if they also meet income and resource guidelines.

To apply for an adult, please visit: www.ssa.gov/apply or call Social Security to schedule an in-person or telephone appointment 1-800-772-1213.

Eligibility for children has different rules and is based on parental income. While a portion of the application for children can be completed online, you must schedule an in-person or telephone appointment to submit the full application for children.

For more information about benefits for children, please visit: www.ssa.gov/benefits/disability/apply-child.html or call 1-800-772-1213.

Receiving Social Security Disability and considering working?

The social security administration publishes the **Redbook: A Helpful Guide to Social Security Work Incentives**.

Find a copy here: www.ssa.gov/redbook/

Go to [Chapter 7](#) to learn more about Social Security work incentives.

Social Security Disability Insurance (SSDI)

The Social Security Disability Insurance (SSDI) program pays benefits to workers who have a permanent disability and their families. To be eligible for SSDI, you must be determined to have a permanent disability and must have earned a minimum number of credits from work covered under Social Security. The required number of credits varies depending on your age at the time you became disabled.

You should apply as soon as you become permanently disabled. While disability determinations can be processed faster for certain conditions that are noted on the compassionate allowances list, processing an application can take three to five months.

To learn more or to apply, please visit: www.socialsecurity.gov or call Social Security at 1-800-772-1213 to schedule an in-person or telephone appointment.

Paid Family and Medical Leave

Also known as Temporary Disability and Family Leave Insurance. Provides cash benefits to New Jersey workers who stop working due to:

- Care for their own, or a loved one's physical or mental health condition
- Pregnancy and childbirth recovery
- Bond with a new child
- Cope with domestic or sexual violence or care for a loved one who is a victim/survivor

Most employers in New Jersey are required to pay into these programs, or provide a private insurance plan. Ask your employer which coverage you have.

See the current year's eligibility requirements, maximum weekly benefits and apply for benefits at: myleavebenefits.nj.gov.

A worker's job may also be protected under State and Federal law. Learn more about job protection at myleavebenefits.nj.gov/jobprotection.

Workers' Compensation

Workers' compensation provides medical treatment, wage replacement and permanent disability compensation to employees who suffer job-related injuries or illnesses, and death benefits to dependents of workers who have died as a result of their employment. If a worker is injured at work, the employer must be notified as soon as possible. Notice can be given to the worker's supervisor, personnel office, or anyone in authority at the worker's employer. Under NJ workers' compensation law, the employer and/or the insurance carrier can select the physician(s) to treat injured workers for work related injuries. Please note that if a dispute arises, a worker may file a formal claim petition or an application for an informal hearing with the Division of Workers Compensation.

Learn more at: nj.gov/labor/wc or call 609-292-2515

CHAPTER 2: FINANCIAL ASSISTANCE PROGRAMS

Catastrophic Illness in Children Relief Fund

The Catastrophic Illness in Children Relief Fund is a financial assistance program for New Jersey Families whose children have an illness or condition and, as a result, have incurred expenses that remain uncovered by insurance, State or Federal programs, or other sources, such as fundraising. The child must have been 21 years old or younger when the expenses were incurred. In order to be eligible, qualified uncovered expenses must exceed 10 percent of the family's income (plus 15 percent of any income over \$100,000). Families may reapply annually. **Applications may be submitted online or requested by calling 1-800-335-3863.** For more information, please visit www.state.nj.us/humanservices/cicrf/home/.

Housing and Utility Assistance

Homeownership Preservation Foundation

The Homeownership Preservation Foundation (HPF) is a nonprofit group that helps financially challenged homeowners navigate their budget problems and, whenever possible, helps them to avoid mortgage foreclosure. For more information, **please call 1-888-995-4673** or visit: www.995hope.org

The resources listed on pages 4-5 provide options for help paying utility bills. For an online list of all programs, please visit: www.bpu.state.nj.us/bpu/assistance/programs/.

**For additional housing assistance resources,
see [chapter 3](#).**

NJ SHARES

NJ SHARES is a non-profit corporation that provides assistance to income eligible households in paying their energy, telephone/broadband and water bills. A list of programs and eligibility guidelines can be found here: www.njshares.org/program-eligibility/. Inquiries on eligibility or how to apply can be made at any of the participating social service agencies throughout the state as listed here: www.njshares.org/agencies/ or by visiting their website www.njshares.org or by phone at **1-866-657-4273**.

New Jersey 2-1-1

Dial 2-1-1 any day, any time for confidential referrals to local health and human service assistance services or search NJ 2-1-1's on-line database at: www.nj211.org. Funded by the United Ways of NJ in partnership with the State of New Jersey, 2-1-1's utility assistance prompt can help you find additional local utility assistance help after you have exhausted USF, LIHEAP and PAGE utility assistance benefits.

Low Income Home Energy Assistance Program (LIHEAP) and Universal Service Fund (USF)

LIHEAP and USF are two utility assistance programs designed to help households with their heating and electric bills. LIHEAP helps pay for heating costs and certain medically-necessary cooling expenses. Applicants can qualify for LIHEAP even if their heating and cooling costs are included in their rent. USF helps pay for electric and natural gas costs. The monthly USF credit amount is based on how much a customer spends on energy in relation to their income. One application serves both programs. Typically, applications for LIHEAP are accepted from October 1st through June 30th of each year while funds last and are accepted year-round for USF. Both programs have the same income limits, which can be viewed at: www.energyassistance.nj.gov. You can apply online at www.nj.gov/dca/dcaid, or by **calling 2-1-1**. Agencies that assist the public with their USF/LIHEAP application can be found by **calling 2-1-1** or by going to www.energyassistance.nj.gov.

Fresh Start: Fresh Start is an energy debt forgiveness program available to USF customers once in a five-year period. Fresh Start is administered by the electric and gas utility companies in New Jersey and overseen by the New Jersey Board of Public Utilities. Fresh Start allows eligible USF households to earn forgiveness for pre-existing arrearages by making full, on-time payments of their current monthly charges for 12 months. You cannot apply for Fresh Start, but if you are eligible, you will be automatically enrolled by your utility company and receive information about the program in the mail. For more information about Fresh Start, please **call your utility company at the number on your bill**. For complaints about Fresh Start please call the New Jersey Board of Public Utilities at: **1-800-624-0241**. More information about Fresh Start is available at: www.nj.gov/bpu/assistance/programs/.

NJ Lifeline Utility Assistance

Lifeline is administered by the Division of Aging within the NJ Department of Human Services and provides a \$225 annual energy benefit to seniors and people with disabilities who meet the eligibility requirements for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program or who receive SSI. The benefit is also available to customers who have electric and/or gas costs included in their rent. For more information, call **1-800-792-9745**. To apply, **complete an NJSave application at:** www.nj.gov/humanservices/doas/services/l-p/njsave/.

More information about the Lifeline program is available at: www.nj.gov/humanservices/doas/services/l-p/lifeline-utility/.

Payment Assistance for Gas & Electric

PAGE is a state-funded utility assistance program designed to assist low to moderate income families in New Jersey with up to \$700/year in benefits to pay their utility bills. Income-eligible applicants must apply for the Universal Service Fund (USF) and Low-Income Home Energy Assistance Program (LIHEAP) first before seeking supplemental assistance from PAGE.

For more information or to apply, **please call New Jersey SHARES at: 1-866-657-4273** or visit: <https://njshares.org/programs/>. Information is also available on the New Jersey Board of Public Utilities website: www.nj.gov/bpu/assistance/programs/.

Reduce Home Energy Bills through New Jersey's FREE energy efficiency programs:

Comfort Partners

This program is designed to improve energy affordability for income eligible households through direct installation of free energy efficiency measures and education about steps to save energy (electric and gas heating customers only). For more information, including income eligibility limits, or to apply, please call **1-866-378-4345** or go to: www.njcleanenergy.com/residential/comfort-partners.

New Jersey Weatherization Assistance Program (NJWAP)

This program assists income eligible NJ residents in weatherizing their homes, improving their heating system efficiency and conserving energy. The NJ WAP contracts with a network of community-based organizations that deliver weatherization throughout the State. Customers of all heating types are served through this program. For more information about NJWAP, please call **609-913-4159** or go to www.energyassistance.nj.gov.

New Jersey Utility Assistance Bill of Rights

Know your rights: Review the Utility Customer Bill of Rights at: www.nj.gov/bpu/assistance/rights

What do I do if I receive a shut off notice from my utility company or if my service is disconnected for non-payment?

- 1) Call your utility company at the number on your bill and request a payment arrangement where you can pay a portion of the amount you owe each month in addition to your current bill for a certain period of time. If you are not able to reach a fair payment arrangement with your utility company, contact the New Jersey Board of Public Utilities (NJ BPU) at **1-800-624-0241** or file a complaint online at: www.nj.gov/bpu/assistance/complaints/.
- 2) **Apply for the utility assistance and energy efficiency programs listed above to reduce your balance and your energy usage. If you don't know where to start, please call 2-1-1 or email: utilityhelp@nj211.org.**

Winter Termination Program

Administered by the New Jersey Board of Public Utilities (NJBPU), the Winter Termination Program (WTP) protects specific categories of customers from having their gas, electric, water or sewer service shut off between November 15th and March 15th. Those enrolled in specific programs (SSI, Temporary Assistance to Needy Families, General Assistance, Pharmaceutical Assistance to the Aged and Disabled, USF, LIHEAP and Lifeline) are protected by WTP, and an additional “catch-all” category is included for people unable to pay their utility bills because of circumstances beyond their control, such as unemployment or illness. During the WTP period, customers should contact their utility company at the number on their bill to request protection under WTP. Then if further information is needed, they should contact the NJBPU at: **1-800-624-0241**.

Community Solar Energy Program

The Community Solar Energy Program enables utility customers to participate in a solar energy project that is remotely located from their property. This program is designed to allow residents who rent or otherwise cannot install their own solar panels to participate in and benefit from the clean energy transition. Customers who subscribe to the electricity generation of a community solar project will receive a bill credit on their utility bill and discounts of approximately 15–25%. Projects must reserve more than half of their capacity for low- to moderate-income households. Interested residents may find a project at the [Community Solar Project Finder](#) and learn more at the BPU website www.njcleanenergy.com/renewable-energy/programs/CS.

Life-Sustaining Equipment Program

If you (or a member of your household) rely on electricity to operate life-sustaining equipment, such as a respirator or dialysis machine, it is important that you notify your utility company. In such cases, companies work with you to prevent shutoffs should you fall behind in paying your electric bills.

Lifeline (Free Smartphone Program)

Lifeline is a federal program that provides eligible low-income individuals with a free smartphone and free wireless phone service (free data, free monthly minutes and unlimited texting). This Lifeline program is operated by the federal government, and should not be confused with the state's Lifeline utility assistance program.

Property Tax Reimbursement (“Senior Freeze”)

The Senior Freeze Program reimburses eligible senior citizens and individuals with disabilities for property tax or mobile home park site fee increases on their principal residence. For eligibility guidelines and information on how to apply, **please call 1-800-882-6597** or visit: www.state.nj.us/treasury/taxation/ptr/

Auto Insurance Assistance

The Special Automobile Insurance Policy (SAIP) is an initiative to help make limited coverage auto insurance available to drivers who are likely to go uninsured because of limited financial resources. The policy costs \$365 for the year and is available to people who are currently enrolled in some, not all, NJ FamilyCare programs. For more information on eligibility and application **call 1-800-652-2471** or **visit: www.state.nj.us/dobi/division_consumers/insurance/saip.htm**

Did you know?

The New Jersey Motor Vehicle Commission (MVC) provides a discount on the cost of vehicle registration to SSI, PAAD and Lifeline recipients.

In order to receive this discount, PAAD recipients must provide a current PAAD eligibility card at the time of vehicle registration. Lifeline only and SSI recipients should provide a letter showing their eligibility in these programs (letter can be obtained from the Division of Aging Services) at the time of vehicle registration.

For additional information, call the PAAD toll-free hotline at 1-800-792-9745.

Saving Money for Disability Related Expenses

NJ Achieving a Better Life Experience (NJ ABLE)

With NJ ABLE, eligible individuals with disabilities can save money for disability-related expenses in tax advantaged savings and investing accounts. Savings in ABLE accounts are disregarded when determining eligibility for many government assistance programs with asset thresholds, including but not limited to: Medicaid, Supplemental Nutrition Assistance Program (SNAP), the Free Application for Federal Student Aid (FAFSA) and Housing and Urban Development (HUD) programs. For Supplemental Security Income (SSI), account balances of up to and including \$100,000 are excluded from the SSI resource limit. If an individual's balance exceeds \$100,000, the SSI cash benefit will be suspended, but he/she will continue to be eligible for Medicaid. Once the balance falls below \$100,000 again, the cash benefit will be reinstated automatically—no need to reapply.

Allowable withdrawals or expenses are not limited to medical necessity and can include: education, housing, transportation, personal support services, and more. The individual with the disability is the account owner and anyone can contribute to the account. Income earned by the account is not taxed.

Want more information on NJ ABLE?

The Division of Disability Services (DDS) is available to host **NJ ABLE Presentations** at your request. To schedule an NJ ABLE presentation or to request brochures, please contact DDS at **1-888-285-3036**.

NJ ABLE Eligibility

To be eligible, individuals must meet two requirements:

1. Their disability was present before age 26; and
2. One of the following is true:
 - They are eligible for SSI or SSDI because of a disability
 - They experience blindness as determined by the Social Security Act; OR
 - They have a similarly severe disability with a written diagnosis from a licensed physician.

Apply online: www.savewithable.com/nj/home.html

Have questions? Call NJ ABLE at 1-888-609-8869 or email at: nj.clientservice@savewithable.com

NJ ABLE is administered in partnership with the contracted program manager, **Ascensus College Savings Recordkeeping Services**.

Special Needs and Pooled Trust

A Special Needs Trust (SNT) is a legal instrument that is established by placing funds and other assets under the control of a trustee for the financial protection of an individual with a disability. Until the ABLE Act became law, creating a SNT was the only legal way to save money without sacrificing eligibility for government benefits. There are three distinct types of Special Needs Trusts: third party/supplemental trusts, first party/pay-back or self-settled/d(4)(A) trusts, or pooled Special Needs Trusts. The funds in the Special Needs Trust supplement, but do not supplant, government benefits.

Generally, a Special Needs Trust is easy to tailor to specific needs and can handle larger sums of money, for example, from a settlement. However, in New Jersey, a SNT must be established in accordance with specific Medicaid guidelines in order to preserve an individual's eligibility for benefits.

For more information, visit: www.state.nj.us/humanservices/dmahs/clients/snt.html

Qualified Income Trust

A Qualified Income Trust (QIT), also known as a Miller Trust, is a special legal arrangement for holding a person's income. A QIT is a written trust agreement for which the trustee establishes a dedicated bank account. The income deposited into this dedicated bank account is disregarded when determining financial eligibility for Long Term Services and Supports. A QIT requires that a trustee is appointed to manage the monthly deposits and expenses and account for the funds in the trust. The trustee must be someone other than the Medicaid applicant/recipient. A QIT written agreement has special conditions that must be met and is subject to the approval of, and monitoring by, the appropriate Medicaid eligibility determining agency (EDA) and the Division of Medical Assistance and Health Services (DMAHS). For more information, visit:

www.state.nj.us/humanservices/dmahs/clients/mtrusts.html

CHAPTER 3: HOUSING AND HOMELESSNESS ASSISTANCE

Emergency Assistance (EA)

Emergency Assistance is temporary housing and shelter-related assistance for people who are receiving Supplemental Security Income (SSI) and Work First New Jersey (WFNJ) (individuals or families receiving cash assistance) and are facing immediate risks of homelessness, eviction, foreclosure or loss of utilities (heat, water or electric). EA benefits may include, but are not limited to: essential food, clothing, shelter and household furnishings, temporary rental assistance, back rent or back mortgage payments, utility payments, transportation to search for housing, and moving expenses. **Contact your County Social Service Agency to request EA.**

Call 2-1-1

Social Services for the Homeless (SSH)

The Social Services for the Homeless program provides short-term assistance to families and individuals who are homeless or at risk of becoming homeless, but are not eligible for Work First New Jersey (usually because their income is too high). The program provides emergency food, emergency shelter, and payment of security or utility deposits as well as back rent, back mortgage and utilities costs. These services, also include referral services and limited case management to individuals and families who can continue to afford their living space and/or utilities once the short-term assistance ends.

New Jersey residents experiencing homelessness can call 2-1-1 for help. NJ 2-1-1 will work in partnership with county agencies to ensure residents have a safe place to stay and get connected to resources.

NJ 2-1-1 operators will be available 24 hours a day, 7 days a week and accessible in different languages for non-English speakers. Information provided by the callers will be kept confidential, except for information that must be shared with providers involved in providing shelter or shelter-related services.

Call 2-1-1 for a list of agencies in your county or visit:

New Jersey Housing Resource Center (NJHRC)

The New Jersey Housing Resource Center has an online tool that will allow you to search thousands of affordable, subsidized and market rate units throughout New Jersey. You can customize your search based on your specific needs, budget and desired location. The NJHRC is free, anonymous, and updated regularly. To access the NJHRC, **go to:** www.nj.gov/njhrc/ or **call 1-877-428-8844.**

The Section 8 Housing Voucher Program and the State Rental Assistance Program (SRAP)

Based on the premise that housing costs (rent and utilities) should not exceed 30 percent of a household's income, these programs assist in making safe and quality housing in the private rental market affordable to low and very low-income households by reducing housing costs through direct rent subsidy payments to landlords. There are waiting lists for these programs. To see if the waiting lists are accepting pre-applications, please visit the statewide open enrollment waiting list site at: www.nj.gov/dca/dhcr/offices/vouchers.shtml

DCAid

The New Jersey Department of Community Affairs' (DCA) Division of Housing and Community Resources (DHCR) created a user-friendly eligibility screening tool designed to help New Jersey residents find available housing-related assistance programs through DCA for which they may qualify.

The eligibility screening process is a series of questions that takes approximately 1-2 minutes to complete. Users can find out if they are eligible for DCA services that provide assistance with rent, including the Section 8 Housing Choice Voucher Program and the State Rental Assistance Program, heating costs, utility bills, removal of lead hazards in the home, Veterans Affairs Supportive Housing (VASH), weatherization assistance, and homelessness prevention programs. The results, based on general income and household information entered, will provide the user with a brief description of eligible programs with contact information for the agency where the user can apply.

The **DCAid – Program Eligibility Screening Tool** can be accessed at: www.nj.gov/dca/dcaid. Individuals in emergency situations should dial NJ 2-1-1 for information on immediate assistance.

Office of Homelessness Prevention

The Office of Homelessness Prevention coordinates efforts to prevent homelessness among State and local agencies and private organizations that provide services to individuals who are homeless or at risk of homelessness. The Office has both programmatic and research and evaluation capacities, which are used to assess State and local homelessness prevention services, and to develop and implement innovative programs and resources that address and support the evolving needs of individuals in the State who are homeless or at risk for homelessness. The duties of the Office include:

- Advancing emerging and innovative practices from across the country to address homelessness
- Using data to drive decision-making and policy at the state and local levels
- Convening stakeholders and providing technical assistance and training at the local level
- Administering DCA's homelessness prevention programs

Assistance Provided To: State and local agencies and private organizations

Supplemental Nutrition Assistance Program (NJ SNAP)

New Jersey's Supplemental Nutrition Assistance Program (SNAP) provides food assistance for income-eligible individuals and families. You can use your SNAP benefits to buy groceries at most food retail stores, including online ordering or curbside pickup, and some farmer's markets – stretching your food budget. If you are eligible, you will receive at least \$95 a month for food shopping.

Eligibility depends on your household's income, size and resources. For most applicants, a single person can have a gross monthly income of \$2,413 and a household size of three can have a gross monthly income of \$4,109 (eligibility numbers are from October 2025 to September 2026 and are updated every October.) However, if a household member is age 60+ or has a disability, they may still be eligible even if their gross income exceeds these amounts.

Visit www.NJSNAP.gov to learn more.

You can apply for SNAP online, by mail or in person at your County Social Service Agency. If you are unable to get to the County Social Service Agency due to illness or disability, you may send an authorized representative on your behalf or request a telephone interview.

Households in which all members are applicants for, or recipients of, Supplemental Security Income (SSI) may apply for NJ SNAP at the Social Security District office at the same time you apply for SSI.

NJ SNAP Hotline – DFD Call Center number: 1-800-792-9773

DFD Call Center representatives are available Monday through Friday, 8:30 AM to 4:30 PM, to assist you with questions about your case, applications, MyNJHelps.gov account, or any general program inquiries.

Need help applying? A SNAP Navigator can help.

SNAP Navigators are community organizations that partner with the state. They can answer any questions you may have about SNAP, including eligibility requirements, and can assist you with the SNAP application process. You can find a list of SNAP Navigators and their contact information at www.NJSNAPNavigators.gov.

Supplemental Nutrition-New Jersey WIC

The Supplemental Nutrition Program for Women, Infants, and Children (WIC) provides supplemental nutritious foods, nutrition education, breastfeeding promotion and support, immunization screening, and health care referrals to pregnant women, women who have delivered a child within the last six months, breastfeeding women who have delivered a child within the last year, and infants and children under five years old.

Congregate or Group Meals

This service, administered by the Area Agencies on Aging (AAA) in each county, provides at least one hot nutritious meal per day, five or more days per week. These meals, along with education, socialization, and other services, are usually provided in locations such as senior centers, schools, or churches. The program is available to all persons age 60 or over and their spouses, regardless of age. Participants are provided with an opportunity to voluntarily contribute whatever they can afford toward the cost of these meals.

Home-Delivered Meals

This service, administered by Area Agencies on Aging (AAA) in each county, provides one (or sometimes more) hot meal a day at least five days per week to older persons who are homebound. This program is federally funded and serves only persons age 60 or older. A meal may be provided to the spouse if it is in the best interest of the homebound older person being served. This federal program has been supplemented by state legislation providing nutrition services on weekends and holidays for frail eligible participants.

A nutrition assessment is required for participation in these programs. There is no income requirement; financial need, however, may be used to prioritize service participation.

Participants are provided with an opportunity to voluntarily contribute whatever they can afford toward the cost of these meals.

CHAPTER 5: HEALTH INSURANCE AND HEALTHCARE ASSISTANCE

Get Covered New Jersey

Get Covered New Jersey is the state's official health insurance marketplace, and a source of affordable health insurance for New Jersey residents who do not have health coverage from their employers or access to other health care programs. Financial help is available to help lower the cost of premiums and out-of-pocket costs for those who qualify. Residents can also learn at Get Covered New Jersey if they might qualify for NJ FamilyCare, New Jersey's publicly funded health insurance program. Open Enrollment is once each year and is typically the only time you can enroll in coverage; however special enrollment opportunities are available throughout the year under certain circumstances.

For more information, visit getcovered.nj.gov

NJ FamilyCare

NJ FamilyCare, New Jersey's publicly funded health coverage program, provides health coverage to children; pregnant women; parents; caretaker relatives; single adults; childless couples; individuals who are elderly, blind, and have disabilities; and individuals qualified for long-term care services. NJ FamilyCare's comprehensive health coverage program provides a wide-range of services including: doctor visits, hospital services, prescriptions, tests, vision care, mental health care, dental, nursing home care and other healthcare services, depending on the person's eligibility category. Most NJ FamilyCare members are enrolled in managed care. With managed care, a managed care organization health plan, also known as an MCO, coordinates an individual's health care needs.

Medicare

www.medicare.gov | 1-800-Medicare (1-800-633-4227)

Medicare is the federal health insurance program for:

- People who are 65 or older
- Certain younger people with disabilities
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant, sometimes called ESRD)

Medicare coverage is divided into four parts: Part A, Part B, Part C and Part D. Different parts of Medicare cover different services. **See the guide on the next page for the breakdown of coverage.** Some people get Medicare Part A (Hospital Insurance) and Medicare Part B (Medical Insurance) automatically, while others need to sign up for it. In most cases, it depends on whether you're getting Social Security benefits. If you are not receiving benefits from Social Security or the Railroad Retirement Board at least three months before you turn 65, you'll need to sign up with Social Security to get Part A and Part B. Because you must pay a premium for Part B coverage, you can turn it down if you have health coverage from an employer that pays claims before Medicare. You can wait to enroll into Part B when your employment ends or your health plan ends without incurring a penalty.

While costs vary, Medicare typically pays 80 percent of the cost of covered services, while you are responsible for the remaining 20 percent plus any required coinsurance or deductibles for each benefit period.

When to apply for Medicare: You can sign up for Medicare three months before reaching age 65, even if you are not ready to start receiving retirement benefits. During the Medicare application, you can opt out of receiving cash retirement benefits and will have the option to apply for them later.

Medicare Coverage at a Glance

Part	Description of Coverage
Part A:	(Hospital Insurance) Covers inpatient hospital stays, care in a skilled nursing facility, hospice care, and some home health care.
Part B:	(Medical Insurance) Covers certain doctors' services, outpatient care, medical supplies, and preventive services.
Part D:	(Prescription drug coverage) Covers medically approved pharmaceuticals. Monthly costs vary by plan.

Medicare Advantage (also known as Part C) is an all-in-one managed care alternative to original Medicare. Advantage plans include Part A, Part B, and usually Part D, and they are typically purchased through a monthly premium. Several companies offer Medicare Advantage plans at varying costs and levels of coverage.

Medigap

When an individual who is aged or disabled is not covered by an employer or union health care plan, it is possible to buy a supplemental policy to help bridge the gaps in original Medicare coverage. These policies are called Medigap, or Medicare Supplement Insurance. Medigap policies must follow federal and state laws and are standardized, so comparing different plans is relatively simple. Standardized policies cover co-payments for certain benefits. You must pay a monthly premium for Medigap policies, with costs varying based on your age and the level of the policy you purchase. To buy a Medigap

policy, you must be enrolled in Medicare Part A and Medicare Part B. **For a list of Medigap plans available in New Jersey, visit www.nj.gov/humanservices/doas/services/q-z/ship/.**

Need help paying Medicare Part B premiums?

New Jersey offers Medicare Part B premium assistance to individuals meeting income and asset guidelines.

If you have NJ FamilyCare, your Medicare Part B premium may be paid for you.

If you are not eligible for NJ FamilyCare, you may be eligible for Part B premium assistance through the **Medicare Savings Program (MSP)**. The MSP pays partial or full Medicare Part B premiums for eligible participants.

To apply, complete the [NJSave application](#). You may also print out a [paper application](#) instead of applying online.

If you need help completing your application, you can:

- [Watch a video tutorial](#)
- [Read step-by-step written instructions](#) for the online or paper application

Eligibility for the Medicare Savings Program (MSP):

- Must be a New Jersey resident
- Must be enrolled in Medicare Part A
- Must not be financially eligible for NJ FamilyCare
- Must not exceed income or asset eligibility limits:
 - Income may not exceed \$21,546* for single persons and \$29,214* for married couples
 - Liquid assets may not exceed \$9,950* for single persons or \$14,910* for married couples

**Reflects 2026 limits*

Federally Qualified Health Centers (FQHCs)

Federally Qualified Health Centers (FQHCs) are community-based programs that provide primary and preventive healthcare regardless of a patient's ability to pay. **To find a FQHC in New Jersey, visit healthapps.state.nj.us/fhs/cphc/cphcSearch.aspx or see [Appendix 12](#) for a full list of FQHCs in New Jersey.**

The New Jersey Hospital Care Payment Assistance Program (Charity Care)

Charity Care is a payment assistance program available to uninsured or underinsured patients for inpatient and outpatient services at all acute care hospitals throughout New Jersey. Patients who meet income and asset criteria may receive medically necessary services at reduced fees or free. Eligibility is determined at the hospital where the medical service is provided when the completed application is submitted.

This program provides up to a \$500 reimbursement (or up to \$1000 for a pair) to offset the purchase of hearing aids. Eligible individuals must be New Jersey residents, above the age of 65 or between ages 18 and 64 and receiving Social Security Disability benefits, and meet current income guidelines. Individuals with hearing aid benefits through Medicaid, private insurance, or retirement plans may not be eligible for reimbursement assistance from HAAAD. **For more information, contact DDHH: 1-800-792-9745 or visit: <https://nj.gov/humanservices/ddhh/services/hearingaid/haaad/>**

CHAPTER 6: PHARMACEUTICAL ASSISTANCE

Pharmaceutical Assistance to the Aged and Disabled (PAAD)

The Pharmaceutical Assistance to the Aged and Disabled (PAAD) program is a state-funded program that helps eligible older adults and individuals with disabilities save money on their prescription drug costs. The program will pay any costs above the co-payment of \$5 for each covered generic drug or \$7 for each covered brand-name drug.

Eligibility for PAAD:

- You are a New Jersey resident;
- You are age 65 or older or between ages 18 and 64 and receiving Social Security Disability benefits; and
- Your annual income* for 2026 is less than \$54,943 if single or less than \$62,390 if married.
- Medicare-eligible PAAD beneficiaries are also required to enroll in a Medicare Part D Prescription Drug Plan. PAAD will pay the monthly premium for certain Part D plans with a monthly premium at or below the regional benchmark. These plans will cover medically necessary prescription medications under Medicare Part D and will pay any costs above the PAAD co-payments.
- If a Medicare Part D plan does not pay for a medication because the drug is not on its formulary, PAAD beneficiaries will have to switch to a drug on their Part D plan's formulary or their doctor will have to request an exception due to medical necessity directly to their Part D plan. Medicare Advantage participants must add a prescription benefit to their coverage and PAAD will contribute up to the regional benchmark amount toward the prescription portion of their total premium.

***Reflects 2026 limits**

Senior Gold Prescription Discount Program

The Senior Gold Prescription Discount Program (Senior Gold) is a state-funded prescription program with different co-pays and income eligibility guidelines than those of PAAD.

Eligibility for Senior Gold:

- You are a New Jersey resident;
- You are age 65 or older or between ages 18 and 64 and receiving Social Security Disability benefits; and
- Your annual income* for 2026 is between \$54,943 and \$64,943 if single, or \$62,390 and \$72,390 if married.
- All Medicare-eligible Senior Gold beneficiaries are also required to enroll in a prescription drug plan of their choice. They will be responsible for paying the monthly premium directly to the Medicare Part D plan. They also will be responsible for paying any late enrollment penalty imposed by Medicare for each month they were eligible to enroll in Medicare Part D but did not enroll.

**Reflects 2026 limits*

For information about applying for Pharmaceutical Assistance to the Aged and Disabled (PAAD) or Senior Gold, contact the Division of Aging Services PAAD Hotline at 1-800-792-9745 or your local pharmacy.

You can also contact your county's Aging and Disability Resource Connection (ADRC) at 1-877-222-3737 or visit www.aging.nj.gov.

You can also apply online through NJSave at www.nj.gov/humanservices/doas/services/l-p/njsave/.

Medicare Part D: Low Income Subsidy (LIS)

Beneficiaries with Medicare who have limited income and assets may qualify for help with the costs of their prescription drugs through the Part D Low Income Subsidy (LIS), also known as Extra Help. Those enrolled will receive either a full or a partial subsidy, depending on their income and asset levels. Most people on LIS pay no premiums or deductibles (unless receiving the partial subsidy) and no more than \$12.15 for each drug their plan covers. LIS beneficiaries can switch their Part D plan quarterly and beneficiaries who enrolled in Part D after their initial eligibility date pay no late enrollment penalty.

Eligibility for LIS:

In 2026, the income limits are \$23,940 for individuals and \$32,460 for couples and the asset limits are \$18,090 and \$36,100, respectively.

To apply, go to www.ssa.gov/benefits/medicare/prescriptionhelp, the NJSave online application at www.nj.gov/humanservices/doas/services/l-p/njsave/, or contact the Division of Aging Services PAAD Hotline at 1-800-792-9745.

Medicine Assistance Tool (MAT)

PhRMA's Medicine Assistance Tool (MAT) is a search engine designed to help patients, caregivers and health care providers learn more about the resources available through the various biopharmaceutical industry programs. MAT is not its own patient assistance program, but rather a search engine for many of the patient assistance resources that the biopharmaceutical industry offers. MAT includes information in the following areas as well: prescription savings cards, finding free or low-cost clinics, and other healthcare assistance resources.

NJ Medicinal Cannabis Program (previously the Medicinal Marijuana Program)

The New Jersey Medicinal Cannabis Program allows patients with specific conditions to be certified by a physician to receive cannabis products for medical use. Individuals interested in participating in the program should talk to their physician or a physician participating in the program. Physicians are responsible for establishing bona fide relationships with their patients, conducting a comprehensive evaluation of the patient, certifying the use of medicinal cannabis, and determining the amount to be obtained in a given certification period. There is a \$50 registration fee for patients and caregivers. Reduced \$20 fees are available for veterans, seniors and individuals receiving government assistance.

CHAPTER 7: EMPLOYMENT ASSISTANCE

One-Stop Career Centers

One-Stop Career Centers throughout the state offer a wide range of tools to help people, including military veterans, those who are 55+, and individuals with disabilities, find a new job or career. **All services are free of charge to help New Jersey's workers:**

- Find a job
- Strengthen job-search skills
- Get training
- Improve reading and basic skills
- Network the way to a job
- Use labor market information to make career decisions
- Start a business

To connect with your local One-Stop Career Center, call: 1-877-872-5627 or visit www.nj.gov/labor/career-services/contact-us/one-stops/index.shtml

Vocational Rehabilitation Services

Any individual with a physical, mental, cognitive, or other form of disability that has a substantial impediment to employment may be eligible for vocational rehabilitation services. Each consumer is evaluated individually for eligibility and assistance needed to achieve employment.

Within the Division of Vocational Rehabilitation Services (DVRS), counselors work with individuals and their families to develop and carry out a plan for training and placement. If financial need is established, the Division will purchase other rehabilitative services from private providers, such as further evaluation or counseling, training at a vocational center or technical school and on-the-job training. Individuals who are blind or visually impaired are served by the Commission for the Blind and Visually Impaired (CBVI). All others receive services from DVRS.

For more information on CBVI and services for individuals who are blind and visually impaired or deaf/blind, [see Chapter 19](#).

State as a Model Employer (SAME) Program

The New Jersey State as a Model Employer of People with Disabilities (SAME) program is an initiative aimed at promoting inclusive and equitable employment practices within the State government of New Jersey that allows qualified individuals with a significant disability to apply for non-competitive and unclassified positions through a fast-track hiring process.

Created to promote a more inclusive and representative workforce in the New Jersey State government, the program enables State agencies to hire, promote, retain, and advance qualified individuals whose physical or mental disabilities may affect their ability to participate in the State's competitive hiring and promotion processes.

The SAME program shall be implemented by each State agency, inclusive of any State department, authority, commission, office, department, division, bureau, board, or any other agency or instrumentality thereof, including institutions of higher education.

For additional information, email CSC-Same@csc.nj.gov.

Ticket to Work & Work Incentives Improvement Act

Social Security's Ticket to Work Program is available to people ages 18 through 64 who are blind or have a disability and who receive Social Security Disability Insurance (SSDI) or Supplemental Security Income (SSI). Participation in the Ticket to Work program is free and voluntary. If you choose to participate, you will receive services such as career counseling, vocational rehabilitation, and job placement and training from authorized Ticket to Work service providers, such as Employment Networks (EN) or your State Vocational Rehabilitation (VR) agency. The service provider you choose will serve as an important part of your "employment team" that will help you on your journey to financial independence.

New Jersey Transit

NJ Transit is New Jersey's public transportation corporation, providing bus, rail, light rail and ADA paratransit service across the state and into parts of New York City and Philadelphia. Its mission is to move New Jersey and the region by providing safe, reliable and affordable public transportation that connects people to their everyday lives, one trip at a time. NJ TRANSIT is committed to accessibility by operating lift- and ramp- equipped buses, accessible rail and light rail stations, priority seating, and audible and visual announcements.

For more information visit: <https://www.njtransit.com/accessibility>

Access Link: New Jersey Transit's ADA Paratransit

Access Link is NJ TRANSIT's paratransit service, designed to provide transportation for people with disabilities who are unable to use the local fixed-route bus or light rail systems due to physical or functional limitations. Access Link operates in compliance with the Americans with Disabilities Act (ADA). Access Link is a shared-ride service, which means other customers may be picked up or dropped off while you are being transported to your destination.

Access Link provides curb-to-curb transportation service from origin to destination, as long as both locations are within the Access Link service area. The service operates in the same areas and during the same days and hours as NJ TRANSIT's local fixed route bus service and light rail systems, including weekends and holidays.

For more information, refer to the box below.

New Jersey Transit Reduced Fare Program

NJ TRANSIT offers reduced fare for bus, rail and light rail service for seniors (62 years or older), customers with disabilities, and military personnel through the NJ TRANSIT Reduced Fare Program. Customers with disabilities should show a valid NJ TRANSIT Reduced Fare ID or Medicare Card to the bus operator, light rail vehicle operator, or train conductor and pay the appropriate fare. Seniors may be asked to present a valid ID to receive the reduced fare. Personal assistants traveling with customers with disabilities ride for free when proper identification is presented by the reduced fare card holder. You do not need to be a New Jersey resident to participate.

Note: Seniors must be 65 years or older to receive the reduced fare on trips to or from Metro-North Railroad stations.

Where To Apply:

- Applications for the NJ TRANSIT Reduced Fare ID are available on the NJ TRANSIT Website (linked below).
- Applications can also be obtained at NJ TRANSIT Customer Service offices at Newark Penn Station, New York Penn Station, Hoboken Terminal, and the Port Authority Bus Terminal.
- You may also request an application or assistance by contacting the NJ TRANSIT Reduced Fare Office at **973-491-7112** or **ReducedFare@NJTRANSIT.com**.
- **Seniors:** You may also fill out an application at most local banks, savings and loan associations, or county Offices on Aging. You must present a Social Security Card and proof of age (a birth certificate or a driver's license).

CHAPTER 9: CHILD CARE AND ASSISTANCE PROGRAMS

Child Care Assistance

The state's Child Care Assistance Program helps income-eligible families who are working, in school, job training or a combination of these activities by paying a portion of their child care. To apply, you will need to provide proof of income, work/school/training hours and household size to help determine eligibility. **To see if you are eligible, visit www.ChildCareNJ.gov.**

Child Care Resource and Referral (CCR&R) Agencies

Located in every county, CCR&Rs have trained staff to provide information about the availability of child care services provided through the Child Care Assistance Program, different types of child care providers and other social service programs for which you may be eligible. These services are available for all New Jersey residents, regardless of income. To get more information or connect to your local CCR&R, **call 1-800-332-9227 or visit www.ChildCareNJ.gov/CCRR.**

Grow NJ Kids, New Jersey's Quality Rating Improvement System, is an initiative to raise the quality of child care and early learning across the state. Programs that choose to participate are provided with training along with on-site quality improvement technical assistance and access to information on the most current evidence-based practices. For parents, Grow NJ Kids helps you select a quality provider so you can make the most of your child's early learning opportunities.

ChildCareNJ.gov has all the information you need if you are thinking about or applying for the Child Care Assistance Program. You can also search for child care in your area, view licensing information and inspection reports, and find a Grow NJ Kids rated or participating program near you.

Child Support

The New Jersey Child Support Program can help parents and guardians share the responsibility of parenting. We're here to assist with things like setting up child support, locating parents, establishing paternity and getting health care. We collect and make payments promptly, help adjust support orders if things change, and step in if payments stop. You can apply for services through **NJChildSupport.gov**, by visiting your local child support office at your County Social Service Agency or by calling **1-877-NJKiDS1 (655-4371)** to request an application via mail. For a list of County Social Service Agencies, **[see Appendix 2](#)**.

The Kinship Navigator Program

The Kinship Navigator Program (KNP) provides assistance to caregivers who have taken on the responsibility of caring for their relatives' or family friends' children, including siblings, grandchildren, nieces and/or nephews. KNP aids caregivers of children under age 18 or, if disabled, age 21. Local kinship agencies help caregivers navigate other forms of government assistance, determine their eligibility for Kinship Navigator Program benefits, and provide technical support with legal commitments to the child. Services available through the program include, but are not limited to, help with the following:

- Wraparound case management and subsidies for short-term or one-time expenses, such as furniture, moving costs, clothing, tutoring, or summer camp for the child,
- Guidance and support to a caregiver who desires to petition the court to be appointed as a Kinship Legal Guardian (KLG) for the child and seek a KLG subsidy,
- Recommendations and referrals to support the family, such as child care, medical coverage, housing assistance, legal services and support groups.

To be eligible for KNP services, the following criteria must be met:

- The child is under 18, or between 18-21 and has a disability;
- The relationship of caregiver and child has been established; the caregiver is a guardian, has custody, provides for, or has control of the child;
- The child and caregiver live in the same household;
- The caregiver meets income criteria; and
- There is no active case with the Division of Child Protection and Permanency.

KNP services are available in all 21 counties. To access KNP services, contact 211 to be referred to your local kinship agency. Caregivers can also contact their local kinship agency directly:

- **Care Plus, NJ: 201-398-9110, ext. 5645**

Family Success Centers

Located throughout the state, New Jersey's 57 Family Success Centers (FSC) are "one-stop shops" that provide information, resources, and supports that families need in order to thrive. FSCs offer a calendar of free family-friendly activities that focus on: health services, economic self-sufficiency and job readiness, information and referral services, life skills training, housing services, parent education, parent-child activities, and advocacy. All FSC programming is free to community members and affirms the rich ethnic and cultural diversity of their communities.

Connecting NJ

Connecting NJ is a network of county-based agencies dedicated to helping New Jersey families thrive. Connecting NJ provide mothers, fathers, grandparents, and guardians free or affordable access to people, organizations, and other sources of information needed to raise healthy children. Connecting NJ provides referrals to community resources, programs, and services such as:

- NJ FamilyCare, New Jersey's publicly funded health insurance program that includes coverage for doula care, doctor visits, prescriptions, vision, dental care, mental health, substance use services, and more.
- Community doulas who provide culturally competent, emotional, and social support to mothers before, during, and after pregnancy.
- Home visiting programs, like Nurse-Family Partnership, Healthy Families, Parents as Teachers, and Universal Home Visiting (Family Connects), that provide community-based education and in-home support to parents.
- Women, Infants and Children (WIC), a successful public health nutrition program that provides wholesome food, nutrition education and community support for income eligible women who are pregnant and post-partum, infants, and children up to five years old.

Home Visiting Programs

DCF and DOH co-manage a statewide network of evidence-based home visiting services, including Nurse Family Partnership, Parents as Teachers, and Healthy Families America (HFA), which are available free of charge to participating families. Home visiting services aim to improve the physical and emotional well-being of infants, children, and their families by providing community-based education and in-home support to parents. The HFA home visitation model is grounded in an infant mental health framework and aims to cultivate and strengthen nurturing parent-child relationships, promote healthy childhood growth and development, and enhance family well-being by reducing risk and building protective factors. In addition to promoting positive parenting and healthy growth and development of infants and children, HFA links new or expectant parents to existing social service and health care resources. HFA recommends that services start prenatally, if possible, but allows for families to enroll after the child is born.

CHAPTER 11: EDUCATIONAL RESOURCES

The Individuals with Disabilities Education Act (IDEA) guarantees children with disabilities, ages 3 to 21, the right to a free, appropriate public education delivered in the least restrictive environment. The New Jersey Department of Education, Office of Special Education provides leadership to ensure compliance with state and federal regulations and to establish standards that promote improved outcomes for students with disabilities. The New Jersey Department of Health also provides services to support children with disabilities. Below are some of the resources available.

The New Jersey Early Intervention System (NJEIS)

Children develop at different paces, but there are developmental milestones that children should reach by certain times during the first three years of their lives. The Early Intervention System can conduct an evaluation if your child is not meeting those developmental milestones and provide services based on the results of the evaluation. NJEIS implements New Jersey's statewide system of services for infants and toddlers, birth to age three, with developmental disabilities. The cost of Early Intervention services for a child is determined by their family income. Families may receive Early Intervention services at no cost depending on their household income.

Head Start

Head Start is a comprehensive preschool program for low-income children ages birth through five years old. It provides children with a developmentally appropriate early childhood education. The program ensures that young children get health checkups and treatment, oral health screenings and treatment, are fed a nutritious hot meal every day. Families who are not currently employed qualify for Head Start/Early Head Start programs.

Parental Rights In Special Education Guide (PRISE)

This document describes the state and federal laws affecting the provision of special education to help parents understand their rights in the special education process. It is available in English, Spanish, Arabic, Chinese and Portuguese at:

www.nj.gov/education/specialed/parents/index.shtml

Child Study Teams

A Child Study team (CST) is a multidisciplinary group of professionals employed by the board of education to provide parents and teachers with a variety of learning related services. These services include consultative, evaluative and prescriptive services for students who are experiencing academic difficulties. A typical CST consists of a psychologist, a learning disabilities teacher-consultant, and social worker. The CST is responsible for conducting evaluations to determine eligibility for special education and related services.

When a student is determined eligible for special education and related services, an Individualized Education Program (IEP), with stated goals and objectives, is written with the participation of the parents. An IEP is a written document that defines the student's goals and specific accommodations, supports, and services the school will provide for a student with disabilities to help them succeed in school.

County Offices of Education

Each county office serves as a resource for parents and educators, is led by an Executive County Superintendent and has a core staff, which includes an Executive County Business Official, a County Education Specialist and a County Special Education Specialist.

Regional Family Support Planning Councils (RFSPCs)

RFSPCs provide a venue for parents and family members of people with developmental disabilities to exchange knowledge and information about available family support services. RFSPC members advise state agencies on how they can best meet the needs of families and individuals with developmental disabilities. Family members of people with developmental disabilities are encouraged to serve on a council. Councils generally meet monthly and may have up to 11 voting members. Meetings are open to the public and all families are welcome to attend. All 21 counties are represented by 10 regional councils. To find the council representing your county, visit: www.njcdd.org/the-regional-family-support-planning-councils/family-support-planning-councils/ or contact:

Adult Protective Services

Adult Protective Services (APS) receives reports of suspected abuse, neglect, and/or exploitation of vulnerable adults ages 18 or older who reside in the community. Reports to APS that meet state criteria will generate a thorough assessment, including a private face-to-face interview with the potentially at-risk adult, to determine if further intervention is warranted. All information generated by the investigation is confidential. A report of suspected maltreatment should be made directly to the APS office in the county in which the vulnerable adult resides. The Division of Aging Services may be contacted to help facilitate the report to APS by calling **855-835-5277 (855-TELL-APS)**.

[See Appendix 5](#) for a list of APS offices by County.

Court Appointed Special Advocates (CASA) of New Jersey

CHAPTER 14: DISABILITY RIGHTS AND LAWS: INFORMATION, TECHNICAL ASSISTANCE, AND ENFORCEMENT

Many laws protect the rights of individuals with disabilities. Brief overviews of relevant laws and local contacts for additional information and enforcement have been provided below. For a more comprehensive guide to disability rights and laws, please visit: www.ada.gov/resources/disability-rights-guide/

The NJ Law Against Discrimination (NJ LAD)

The New Jersey Law Against Discrimination (N.J.S.A. 10:5-12) (NJLAD) prohibits discrimination and bias-based harassment based on actual or perceived: race or color; religion or creed; national origin, nationality or ancestry; sex, pregnancy or breastfeeding; sexual orientation; gender identity or expression; disability; marital status or domestic partnership/civil union status; liability for military service; age, atypical hereditary cellular or blood trait, genetic information, the refusal to submit to a genetic test or make available to an employer the results of a genetic test; familial status and source of lawful income used for rental or mortgage payments.

The LAD prohibits unlawful discrimination in employment, housing, places of public accommodation, credit and business contracts. **Learn more about the types of discrimination covered by the LAD at:** www.njoag.gov/about/divisions-and-offices/division-on-civil-rights-home/know-the-law/.

The New Jersey Family Leave Act (NJFLA)

The NJFLA requires covered employers to grant time off from work to eligible employees for the birth, adoption or placement for foster care of a child, or the serious illness of a family member or a person equivalent to family. **Learn more about the NJFLA at:** www.njoag.gov/wp-content/uploads/2021/09/fact-FLA.pdf and/or email NJFLA@njcivilrights.gov.

The Fair Chance in Housing Act (FCHA)

The FCHA bars housing providers from asking about criminal history on housing applications in most instances. The FCHA is the first state law of its kind in the country and is intended to ensure people with past criminal histories have a fair shot at accessing safe and affordable housing. **Learn more about the types of discrimination covered by the FCHA at:** <https://www.njoag.gov/about/divisions-and-offices/division-on-civil-rights-home/know-the-law/fair-chance-in-housing-act/>

New Jersey Division on Civil Rights:

The NJ Division on Civil Rights (NJ DCR) is responsible for enforcing the New Jersey Law Against Discrimination (NJLAD), the New Jersey Family Leave Act (NJFLA), and the Fair Chance in Housing Act (FCHA). The Division investigates claims of discrimination in employment, housing, and places of public accommodation (e.g. schools, stores, parks). The Division also offers free seminars and other outreach activities to educate the public on anti-discrimination laws. **Complaints may be filed online via the NJBIAS portal, which is accessible at: bias.njcivilrights.gov.** Complaints must be filed with the Division within 180 days after the alleged act of discrimination. Complaints may also be filed in New Jersey State Superior Court within two years of the alleged act of discrimination.

Air Carrier Access Act

Federal law which requires airlines to accommodate the needs of passengers with disabilities. It applies to all flights in the United States and to flights to, or from, the United States by foreign airlines. It prevents airlines from refusing to transport a passenger solely because of a disability; limits the circumstances under which passengers with disabilities must provide advance information about their disabilities to air carriers; states that assistive devices do not count against passenger baggage limits; and sets accessibility guidelines for airplane facilities. Airline personnel must provide routine physical assistance but are not required to provide what would customarily be regarded as personal care assistance. However, if a passenger requires an attendant, the airline must transport the attendant free of charge. The law does not require an airline to transport an individual who may endanger the health or safety of others. The Act mandates that a Complaints Resolution Officer (CRO) be immediately available to resolve disputes between airlines and passengers with disabilities.

Voting Accessibility for Individuals with disabilities

Requires polling places across the United States to be physically accessible to people with disabilities for federal elections or to provide an alternate means of casting a ballot on the day of the election. This law also requires states to make registration and voting aids available for voters with disabilities and those who are elderly.

CHAPTER 16: PERSONAL CARE ASSISTANT SERVICES AND RESOURCES FOR CAREGIVERS

Personal Care Assistant Service (PCA)

PCA services are non-emergent, on-going health related tasks performed by qualified staff in an eligible NJ FamilyCare (Medicaid) member's home. The purpose of the program is to accommodate long-term/chronic or maintenance health care by providing assistance with activities of daily living and household duties essential to the individual's health and comfort. The number of hours authorized is based upon medical necessity, as determined by a nursing assessment. **To apply, contact your NJ FamilyCare Managed Care Organization (MCO).** *See Numbers below.*

Personal Preference Program (PPP)

The PPP offers an alternate way for individuals to receive their NJ FamilyCare Personal Care Assistant (PCA) services. Using a self-directed model, this program enables eligible NJ FamilyCare recipients to direct and manage their PCA services rather than receiving traditional PCA agency services. NJ FamilyCare recipients work with a financial management service to help develop a plan through which they can decide the services they need, as well as the individuals and/or agencies they wish to hire to provide the identified services. For more information, [click here](#) to access the PPP Web Page.

To enroll, contact your NJ FamilyCare Managed Care Organization (MCO) and ask to speak with a Care Manager:

Managed Long Term Services and Supports (MLTSS)

The Managed Long Term Services and Supports program (MLTSS) is a New Jersey initiative intended to provide a better way to help older adults and individuals with disabilities live at home for as long as possible. An individual is eligible for the MLTSS program when they meet nursing home level of care determined by a comprehensive assessment completed by the MCO or the Office of Community Choice Options (OCCO). The program is designed to coordinate support services according to a participant's needs. Participants will receive their primary, acute, behavioral, and long-term care needs through a NJ FamilyCare MCO.

MLTSS includes services such as:

- Access to all NJ FamilyCare Plan A Benefits ([see Chapter 5](#))
- Care Management;
- Home and Vehicle Modifications;
- Home Delivered Meals;
- Respite;
- Personal Emergency Response Systems;
- Mental Health and Addiction Services;
- Assisted Living;
- Community Residential Services;
- Nursing Home Care.

For more information about MLTSS, visit:

www.nj.gov/humanservices/dmahs/home/mltss.html

To apply for MLTSS:

Birth through age 20: Contact the Division of Disability Services (DDS) at 1-888-285-3036.

21 years or older: Contact your county's Aging and Disability Resource Center (ADRC) or your county Board of Social Services. See [Appendix 3](#) for a listing of those numbers by county.

Individuals already enrolled in a NJ FamilyCare/Medicaid MCO: Contact your Managed Care Organization's (MCO) member services line to request an evaluation for enrollment into MLTSS. See [Chapter 5](#)

Program of All-Inclusive Care for the Elderly (PACE)

PACE provides individuals comprehensive medical and social services coordinated and provided by a team of professionals in a community-based center and in their homes, helping program participants delay or avoid long-term nursing home care. To participate in PACE, an individual must be 55 years of age or older, require nursing home level of care but be able to live safely in the community at time of enrollment with the services of PACE, and reside in the service area of a PACE organization. You can leave a PACE program at any time. Eight PACE agencies are currently operating in New Jersey and you must live in their coverage area to participate.

The Personal Assistance Services Program (PASP)

The PASP is a personal care assistance program for individuals who are NJ residents, with permanent physical disabilities who are capable of directing their own services. The program provides up to 40 hours per week of routine, non-medical personal care assistance to adults ages 18 and above who are employed, preparing for employment (attending school or other training), or engaged in volunteer work. Personal assistants help with personal care tasks including, but not limited to, bathing, dressing, eating, grooming, meal preparation, shopping, light housekeeping, driving, or using public transportation. Eligibility is open to all who meet the above criteria, regardless of earnings, but there is a cost share based on income. To apply, contact your county PASP Coordinator. **For more information and County Coordinator contact information, visit:**

www.nj.gov/humanservices/dds/programs/personalassistance/

Jersey Assistance for Community Caregiving (JACC)

Jersey Assistance for Community Caregiving (JACC) is a program that provides in-home services to seniors age 60 and over who require a nursing facility level of care but wish to remain in their homes. JACC includes an array of services designed to supplement the assistance given by the individual's existing network of family caregivers. Qualified individuals may have the opportunity to hire their own eligible family, friends, or neighbors to provide the care they need. By designing service plans uniquely tailored to the individual, JACC works to enhance the individual's community care options. JACC also strengthens the ability of caregivers to continue in their vital role as primary support providers. Services available through JACC include the following: care management, personal care assistance, caregiver relief (respite), home modifications, special medical equipment and supplies, chore services, personal emergency response system, home-delivered meal services, social adult day care, and transportation. JACC has a monthly co-pay based on the participant's (and spouse's) income.

Individuals eligible for this program must:

- Require nursing facility level of care, but wish to remain at home
- Not participate in other services that provide this type of care
- Meet financial guidelines for income and assets:
 - Countable monthly income that is no more than 365% of the Federal Poverty Level (\$4,760 for individuals and \$6,433 for couples in 2026)
 - Countable resources at or below \$40,000 for individuals and \$60,000 for couples

For more information, visit www.nj.gov/humanservices/doas/services/a-k/jacc/

To apply, please contact your County Aging and Disability Resource Connection (ADRC). [See Appendix 3.](#)

Statewide Respite Care Program

This program offers services to individuals needing care so as to provide a break ("respite") to unpaid caregivers. Services can include adult day care, home care, companion services, campership, or a short stay in a facility. There is a caregiver directed option, which allows the caregiver to pay for and be reimbursed for services or items that make caregiving easier. Cost share is determined on a sliding scale from 0% to 25% of the cost of care apply.

Individuals eligible for this program must:

- Live in the community and require daily, basic care that is currently being provided by unpaid caregivers, such as a spouse, family members, or friends
- Not participate in other services that provide this type of care
- Meet financial guidelines for income (\$2,982 monthly for individuals and \$5,964 for couples) and assets \$40,000 for individuals and \$60,000 for couples
- There may be a co-pay based on income.

For more information, visit: www.nj.gov/humanservices/doas/services/q-z/srcpl/.

To apply, please contact your county AAA/ADRC. [See Appendix 3.](#)

Alzheimer's Adult Day Services Program (AADSP)

This program gives a break (respite) to unpaid caregivers who are caring for a person with Alzheimer's disease or a related disorder, such as dementia, by subsidizing adult day care at participating day centers. The day centers provide higher staffing ratios and dementia-specific care. There are co-pays based on income.

Individuals eligible for this program must:

- Have a qualifying diagnosis that includes permanent and progressive dementia
- Live in the community and require daily, basic care that is currently being provided by unpaid caregivers such as a spouse, family members, or friends
- Not participate in other services that provide this type of care
- Meet financial guidelines for income (\$50,256 for individuals and \$58,632 for couples) and assets (\$40,000 for individuals and \$60,000 for couples)
- There may be a co-pay based on income.

For more information, please visit www.nj.gov/humanservices/doas/services/a-k/aads/.

To apply, call your County AAA/ADRC. [See Appendix 3.](#)

Older Americans Act Funded Programs

The Division of Aging Services administers programs funded through the Older Americans Act. Services vary depending on county and may include home-delivered meals, congregate nutrition programs, information and assistance, and benefits screening. Some counties may have light home repair, or “handyman,” services available. Eligibility for these programs is not based on income. Most programs are for individuals in need age 60 and older, but some services are also available to caregivers of any age and to grandparents age 55 or older.

To learn what services your county has available, call your County AAA/ADRC. [See Appendix 3.](#)

CHAPTER 17: SERVICES FOR INDIVIDUALS WITH PHYSICAL DISABILITIES AND TRAUMATIC BRAIN INJURY

Established in 1997 within the NJ Department of Human Services, the Division of Disability Services (DDS) serves as the lead state agency representing the interests of individuals with disabilities by providing information and support to enhance health, education, employment, recreation and social engagement. Through partnerships with other state and local agencies, DDS ensures representation in policy and decision-making to improve access, equity and inclusion. DDS serves all individuals with disabilities, statewide.

How We Help:

- **Information and Referral (I&R) Services**

Through our toll-free hotline, **1-888-285-3036**, nationally certified Community Resource Specialists (CRSs) are available during regular business hours, Monday through Friday, to:

- assist NJ residents with disabilities in navigating and accessing community supports;
 - provide information and technical assistance for NJ ABLE and NJ WorkAbility (**See more about NJ WorkAbility in [Chapter 7: Employment Assistance](#)**);
 - initiate Managed Long Term Services and Supports (MLTSS) enrollment for children and young adults, 20 years old and younger (**See more about MLTSS in [Chapter 16: Personal Care Assistant Services and Resources for Caregivers](#)**);
 - create and distribute publications, such as New Jersey Resources and the NJ Guide to Accessible Parking; and
 - attend public events throughout the state to provide information and answer questions.
- **Traumatic Brain Injury Fund (TBI Fund)**

The TBI Fund provides services and supports to New Jersey residents of any age, who have a traumatic brain injury. The Fund aims to foster independence and maximize quality of life when insurance, personal resources, and/or public programs are unavailable to meet those needs.

Services include, but are not limited to: companion care; personal care; household management; assistive technology; physical/occupational therapies; cognitive rehabilitation therapy; and home/vehicle modifications.

A portion of the Fund is used to support public education, outreach, and prevention strategies related to TBI.

An eligible applicant must be a NJ resident for at least 90 days prior to the application date, have liquid assets less than \$100,000, and have a medically documented traumatic brain injury.

- **Personal Assistance Services Program (PASP)**

The PASP is a personal care assistance program for individuals with permanent physical disabilities who are capable of directing their own services. The program provides up to 40 hours per week of routine, non-medical personal care assistance to adults ages 18 and above, who are employed, preparing for employment (attending school or other training) or engaged in volunteer work. Personal assistants help with personal care tasks including, but not limited to: bathing, dressing, eating, grooming, meal preparation, shopping, light housekeeping, driving or using public transportation. Eligibility is open to all who meet the above criteria, regardless of earnings, but there is a cost share based on income.

The PASP is administered through County offices with oversight and funding provided by the DDS. **(See more about PASP in [Chapter 16: Personal Care Assistant Services and Resources for Caregivers](#))**

- **Inclusive Healthy Communities Grant Program (IHC)**

The Inclusive Healthy Communities (IHC) Grant Program provides funding to communities and organizations in New Jersey to promote inclusive practices through policy, systems and environmental changes that support the health and well-being of individuals with disabilities in the communities where they live. **For more information, visit: www.inclusivehealthycommunities.org/**

- **Disability Health and Wellness Initiatives**

DDS aims to promote healthy living and prevention of secondary conditions for people with disabilities and create healthier, more inclusive communities. **(See more on Disability Health and Wellness in [Chapter 27: Health and Wellness for People with Disabilities](#))**

CHAPTER 18: SERVICES FOR INDIVIDUALS WITH INTELLECTUAL AND DEVELOPMENTAL DISABILITIES

A developmental disability is a chronic physical or intellectual disability, or a combination thereof, that:

- Manifests before age 22;
- Is permanent;
- Substantially limits an individual's ability to complete activities in at least three of the following life activities:
 - Self-care;
 - Learning;
 - Mobility;
 - Communication;
 - Self-direction;
 - Economic self-sufficiency;
 - The ability to live independently.
- Reflects the need for a combination and sequence of special interdisciplinary or generic care, treatment, or other services that are lifelong or extended and individually planned and coordinated.

Some examples of developmental disabilities are:

Down syndrome, cerebral palsy, autism spectrum disorders, and muscular dystrophy. However, it's important to remember that the definition of a developmental disability is not based on diagnosis alone. It's dependent upon the age at which the disability occurred and the effect on one's long-term abilities to complete activities of daily living. Therefore, injuries to the brain or spinal cord before the age of 22 may also qualify as developmental disabilities provided they are permanent and effect an individual's ability to complete day-to-day tasks in three or more areas of life activity.

In New Jersey, services for individuals with intellectual/developmental disabilities (I/DD) are categorized into children's services or adult services:

Services for Children with I/DD (birth through age 21): are administered through the NJ Children's System of Care (CSOC), under the Department of Children and Families (DCF), through PerformCare.

Services for Adults with I/DD (age 21 and older): are administered through the Division of Developmental Disabilities (DDD), under the Department of Human Services (DHS)

PerformCare

Toll-free: 1-877-652-7624 (24/7 access)

www.performcarenj.org

Through the New Jersey Children's System of Care (CSOC), PerformCare administers the publicly funded developmental disability service delivery system for children and youth up to age 21. PerformCare is also the single point of access to behavioral health and substance use treatment services for New Jersey youth up to the age of 21. **For more information on those services, [see Chapter 15.](#)**

The service system for children with intellectual and/or developmental disabilities is designed to help families meet the needs of children with I/DD that are not being met through school-related services, medical services reimbursable by health insurance, or by other existing supports or services. Services through this program are administered based upon level of care and the availability of funds*. **(See more about early intervention and educational entitlement services in [Chapter 11: Educational Resources](#))**

Services through PerformCare include the following:

Family Support Services (FSS): FSS provide caregivers with relief (respite), assistive technology, home and vehicle modifications, and assistance with summer camp during summer breaks from school.

Connection with local Care Management Organizations (CMOs): CMOs are agencies that provide a full range of treatment and support services to children with the most complex needs. They work with child-family teams to develop individualized service plans. The CMO's goals are to keep children in their homes, schools and communities.

Out of Home (OOH) services and supports: provide out-of-home treatment for youth who are not able to safely be cared for at home. If a youth or young adult (under age 21) requires OOH Treatment, PerformCare will work with the family's Care

Management Organization (CMO) to identify the least restrictive type of treatment setting to best meet a child's identified needs.

To access developmental disability services for children: an application for developmental disability determination of eligibility must be submitted.

For youth under the age of 18 (although services are provided until age 21), the application must be submitted to PerformCare. Applications can be completed online through a secure portal or are available to download and complete by hand at: www.performcarenj.org/families/disability/determination-eligibility.aspx or you can call PerformCare at 1-877-652-7624.

For youth 18 and older, applications for access to developmental disability services can be submitted to the Division of Developmental Disabilities (DDD), but services will continue to be provided through PerformCare until the age of 21, at which time the eligible individual will transition to DDD. An application for an individual age 18 and older can be obtained on the **DDD website at:** www.nj.gov/humanservices/ddd/individuals/applyservices/ or by calling a DDD Intake worker at the DDD Community Services Office that serves the county where the individual lives. See page 101 for a list of DDD offices.

**Under the direction of the New Jersey Council on Developmental Disabilities (NJCDD), the Regional Family Support Planning Councils assist the Children's System of Care in the allocation of funding for family support services by making recommendations based on input they receive from families. [See Chapter 13](#) for additional information about those organizations.*

The Division of Developmental Disabilities (DDD) is the state agency that ensures New Jersey adults with intellectual/developmental disabilities (I/DD) age 21 and older receive quality services to support them in living, working, and participating in their communities. The DDD partners with community-based support coordination and service provider agencies to expand opportunities for adults with I/DD to live as independently as possible, exercise their right to make choices, and reach their goals. A wide array of day and residential services (see below) are available to eligible individuals who meet the functional criteria for an intellectual/developmental disability and are eligible for Medicaid. To talk with a DDD intake worker or request to have an Application for Eligibility mailed to you, contact the DDD Community Services Office that serves the county where the individual lives. **(See next page for DDD Office listings.)**

The Application for Eligibility is also available on the DDD website, www.nj.gov/humanservices/ddd/individuals/applyservices/

<https://www.nj.gov/humanservices/cbvi>

The Commission for the Blind and Visually Impaired (CBVI) provides education, employment, independent living, and eye health services to individuals who are blind, deafblind, or visually impaired; their families or caregivers; and to the community. CBVI programs are designed to enable individuals with low vision to gain independence and include orientation and mobility services, braille instruction, and vocational rehabilitation.

Eligibility:

A person is eligible to receive services if they are experiencing a vision impairment that is affecting their normal daily life activities and meet the following eligibility requirements:

- Best corrected distance visual acuity of 20/70 or less in the better eye

OR

- Visual field of 40 degrees or less in the better eye

CBVI services and programs are available to all eligible vision impaired NJ residents without regard to other disabling condition, sex, age, race, nationality, or religious and cultural orientation.

To apply or refer someone **for services call** 1-877-685-8878 or 973-648-3333. Please see *the end of this chapter* for **[CBVI Regional Office](#)** contact information, so you may contact them directly.

For more information, see Vision Care Assistance in [Chapter 5: Health Insurance and Healthcare Assistance](#)

CBVI Services and Programs

Educational Services

Educational Services are provided from birth through 21 years of age to eligible children and their families. These services are designed to allow students who are blind or vision impaired to participate equally with their sighted peers in classroom activities.

Infant services are provided to infants and toddlers (birth through age 3)

CBVI staff will assess a child's vision and, if eligible, offer specialized instruction tailored to his or her needs in the home. CBVI staff also works closely with family members, early intervention providers, and health care professionals to assist the child in making a smooth transition to preschool at age three.

School-based services (ages 3 through 21)

CBVI contracts with local school districts to provide comprehensive services to children in school. These services include assessment and evaluation of a child's visual abilities, and when applicable, instruction in Braille and blindness-related skills. Instructors provide information and training to family members, teachers, child study teams, and other school personnel. CBVI will also loan the student appropriate adaptive equipment and available adaptive educational materials. Students can be referred at any time in their school careers by the family, school personnel, medical professionals, or social services providers.

DeafBlind Services (birth through 21)

CBVI offers special services to help meet the needs of children who have both vision and hearing deficits. These include assessing the level of the child's impairment, consulting with family members, teaching staff, and loaning the student adaptive equipment and materials.

PUMP (Pre-high school Upwardly Mobile Program):

PUMP is a summer learning experience conducted between the end of July and the beginning of August. This program focuses on middle school students in grades seven and eight who will soon transition to high school. The program occurs at CBVI's Joseph Kohn Training Center in New Brunswick during the last week of the Life 101 Program. Our middle school students engage in joint activities with the high school students attending Life 101. The students participate in discussions, and question and answer sessions intended to share the joys and challenges of the high school experience as a blind or visually impaired student. The themes of their discussions are twofold: 1) be true to yourself; 2) if you have a problem, seek out a trusted adult. Our middle school students also participate in activities focusing on self-advocacy, independence, and celebrating oneself.

Vocational Rehabilitation (VR) Services

VR Services provide vocational training and counseling specifically designed to assist individuals who are blind, visually impaired, or deafblind to prepare for, secure, retain or advance in employment that is consistent with their strengths, skills, and interests.

The scope of Vocational Rehabilitation Services includes:

- Assessment for determining eligibility and VR needs by qualified personnel;
- VR counseling and guidance, including information and support services to assist an individual in exercising informed choice, including referral and services from other agencies;
- Physical and mental restoration services;
- Vocational and other training services;
- Maintenance and transportation related to the rendering of any VR services;
- Vocational rehabilitation services to family members to assist in achieving the employment goal for an individual with a disability, e.g., family counseling;
- Interpreter services, including sign language and oral interpreter services, for individuals who are deaf or hard-of-hearing, and tactile interpreting services for individuals who are deafblind;
- Independent living skills instruction including personal and home management;
- Orientation and mobility services to instruct in methods of independent community travel;
- Services to assist students to transition from school to work;
- Job-related services, including job search and placement assistance, job retention services, follow-up services, and follow-along services;
- Supported employment services;
- Personal assistance services, including reader services;
- Occupational licenses, tools, equipment, initial stocks, and supplies;
- Technical assistance to individuals who are pursuing self-employment;
- Rehabilitation technology services and devices; and
- Post-employment services, i.e., short term services required to keep a job.

Pre-Employment Transition Services

Transition services are available to eligible students with disabilities, ages 14 to 21, and include: job exploration counseling, work-based learning experiences, workplace readiness training, instruction in self-advocacy, and counseling on post-secondary enrollment opportunities. These transition programs include:

- **Life 101:** a two-week summer, residential program for ninth and tenth grade students. The program is comprised of interactive and community-based activities, focused on career exploration, independent living skills, and post-secondary education.
- **EDGE (Employment, Development, Guidance, and Engagement)1.0:** helps prepare blind and visually impaired high school students receiving transition services to become successful professionals. Students attend monthly workshops to develop their professional, self-advocacy, and independent living skills. Additionally, students attend community trips to socialize with other blind peers, build life skills, and learn about opportunities to find employment or become more involved in extracurricular activities.
- **EDGE (Employment, Development, Guidance, and Engagement)2.0:** serves college undergraduates who are blind and visually impaired. Students learn how to maximize their college experience through individualized plans that addresses barriers on campus, sets academic and social goals, and campus and community engagement. Students have career development plans that provide a map to graduation and a guide to careers in their fields of interest. In addition, students participate in campus visits with a career advisor, monthly mentor conversations, and peer meetings with career-centered activities. Using each of these resources and a career-focused approach, students enhance their ability to become employed competitively in their field of choice.
- **PASS Program:** CBVI partners with Sky's the Limit Communications to provide short-term Pre-ETS training to our high school and college students, occurring in the fall and over the summer. The trainings are held both virtually and in person with two legally blind facilitators. Topics include leadership, advocacy, networking, career development, and navigating the college environment.
- **CBVI Pre-Employment Transition Programs at The College of New Jersey**

The goal of the CBVI Transition Programs at The College of New Jersey is to provide Pre-ETS Programs for Transition/Vocational Assessment and Instruction, including year-round workshops and three (3) two-week summer residency programs for students who are blind, visually impaired, and deafblind. The three programs are described as:

- **CREATE Program (Career Research, Exploration, and Awareness for Transition to Employment),** a career preparation program.
- **SUCCESS Program (Students Understanding College and Career Expectations for Excellence in School and Society),** a college preparation program.

- **STEPS Program (Successful Transition Experiences Preparing Students)**, a work skills preparation program.

All students in these programs are immersed in an intensive learning environment to prepare students for college, careers, and independent living, and work through coursework, community-engaged learning, and workshops tailored to meet their goals:

Assistive Technology Support

Assists consumers in gaining direct access to computer equipment and other technology through a comprehensive assessment of skill and accessibility needs. The purpose of the unit is to minimize barriers and enable individuals to have more efficient professional or academic lives. Regional Technology Assistance Centers (RTACs) are located in Newark, Freehold, Cherry Hill, Atlantic City, and New Brunswick.

Joseph Kohn Training Center (JKTC)

Offers vocational rehabilitation, employment services, and independent living skills training to blind, deafblind, and visually impaired individuals. Individuals 18 years or older who are blind or visually impaired, have exited from their secondary school program, and want to learn the independent living skills that will enable them to be integrated into their community may be eligible. The program is customized for each consumer, free of charge, and can range in duration from approximately 2 weeks to 20 weeks or more.

Business Enterprises New Jersey (BENJ)

As the State Licensing Agency (SLA), CBVI directly oversees New Jersey's Federal Randolph-Sheppard program. This program enables individuals who are blind to manage their own businesses, including: vending machines, newspaper stands, snack bars, and full-service cafeterias. Individuals who wish to enter BENJ are required to: be at least 18 years old, be legally blind, have a high school diploma (or GED), pass a background check, be registered to receive CBVI vocational rehabilitation services, and be a US citizen.

Business Relations Unit (BRU)

Provides services to both public and private sector businesses in order to assist them with meeting their diversity initiatives in hiring individuals with disabilities. The BRU partners with businesses to address their needs, such as education and technical assistance on recruiting, hiring, and retaining employees who are blind, deafblind, and visually impaired.

Independent Living Services (IL)

Provides training designed to help people of any age who are blind, deafblind, or visually impaired to adjust to their vision loss and gain the skills of daily living that they need to lead a full and productive life. Services include in-home instruction in the areas of daily living activities and home management; orientation and safe independent travel within the

home, community, work, and school environment; childcare training; training in braille, cell phone usage, and other communication methods; eye health education; low-vision services and referral to community resources.

Assistive Support Programs for Independence Renewal and Education (ASPIRE)

A state-wide network of peer support groups designed to provide individuals who are living with vision loss the opportunity to gain the necessary coping skills, information, and education needed to thrive. ASPIRE offers individuals with vision loss the opportunity to become more socially engaged and connected with peers who face similar challenges and life experiences.

The Senior Hands-On Retreat Experience (SHORE)

Provides consumers age 55+ the opportunity to participate in a six-day retreat that includes intensive instruction in independent living, travel, health and wellness, assistive technology, communication, and self-advocacy skills. Consumers also obtain information about, and/or participate in, coping with vision loss, community integration, emergency preparedness, and leisure activity options. Some of the specific activities/lessons covered include eye health and nutrition, diabetic education, grocery shopping, kitchen safety, dining at restaurants, and music and relaxation therapy.

Library Equal Access Program (LEAP)

Helps individuals age 55 and older with a change in vision to gain access and learn how to utilize assistive technology. Instructional devices include computers (with speech and magnification software), iPads, and Closed Circuit Television Systems (CCTV). The collaborative libraries are located in, East Brunswick, Cherry Hill, Hackensack, Toms River, Ewing, Newark, Atlantic City, and Mullica Hill (Gloucester County). **To sign up for classes, call the Talking Book & Braille Center at 1-800-792-8322, extension 812.**

The Fellowship Program

The Fellowship Program is a mentorship program designed to address the needs of individuals with vision loss residing in New Jersey. The goal of the program is to create a sense of community and mutual mentorship by building meaningful connections between individuals 18-21 years of age and individuals over 21 years of age, who are experiencing vision loss. Objectives foster mutual respect, independence, resilience, and advocacy through a series of educational and skills-based activities.

Project BEST (Better Eye Health Services and Treatment):

The primary role of the Project BEST screening unit is to identify eye disease in target populations of New Jersey residents that do not have access to eye health care, facilitate treatment through community providers, and to identify and refer individuals in need of CBVI services. Along with identifying those in need of eye health care and follow up, Project BEST provides outreach and education to those who host as well as participate

in the eye screenings. Project BEST provides, in conjunction with the Department of Health and Center for Disease Control, a Diabetic Eye Disease Detection Screening, targeting populations with diagnosed Type II Diabetes. The Early Childhood Screening program (Pre-School Vision Screenings) identifies impediments to education, as well as eye disease specific to that age group. Migrant Worker Screenings and the Adult Vision Screenings target primarily adult populations, but are available to children as well. **Schools, faith-based groups, Federally Qualified Health Centers, municipalities, and other organizations throughout New Jersey can access vision screenings by contacting the Supervisor of Project BEST at 973-648-7400.** For a schedule of eye-screenings, visit: www.nj.gov/humanservices/cbvi/services/prevention/index.html

DeafBlind Services

CBVI provides transition and vocational rehabilitation services to individuals with dual sensory impairments. The full range of CBVI services are provided to assist individuals with hearing and vision loss to reach their highest level of independence and prepare for, obtain, or retain employment.

iCanConnect NJ

iCanConnect NJ provides various types of assistive technology and telecommunication devices to New Jersey residents who are both vision and hearing impaired. Devices such as iPads, iPhones, Braille note takers, laptops, screen readers, and adaptive software may be purchased for individuals meeting the program's eligibility requirements. Any New Jersey resident with combined hearing and vision loss can reach out to see if they qualify for the iCanConnect program to receive free technology to support distance communication. Program guidelines can be found at www.icanconnect.org/how-to-apply.

The Support Services Providers of New Jersey Program (SSP)

SSP-NJ is a consumer-driven program providing qualified trained professionals to support and promote the independence of deafblind New Jersey residents. SSPs provide visual and environmental information, as well as human guiding, to acclimate the consumers to their environment so that they can make informed decisions. The program supports consumers in a variety of activities such as post-secondary education, household management, employment, health/well-being, and community integration

CHAPTER 20: SERVICES FOR DEAF AND HARD OF HEARING INDIVIDUALS

Through education, advocacy and direct services, the Division of the Deaf and Hard of Hearing (DDHH) works to eliminate barriers and promote increased accessibility to programs, services, and information to individuals who are deaf and/or hard of hearing.

DDHH strives to enhance public awareness of hearing loss and improve the quality of life of individuals who are deaf, hard of hearing, and deafblind through the following services: communication access, Equipment Distribution Program, assistive technology demonstrations, hearing aid programs, information and referral, language acquisition and development services for children ages 0-5, education and training, and case management and advocacy.

Equipment Distribution Program (EDP)

DDHH's Equipment Distribution Program ([EDP](#)) ensures that eligible New Jersey residents with hearing loss have access to essential telecommunications and visual home safety technology at no cost. Through the EDP, applicants may receive amplified phones, visual smoke detectors, baby cry alert systems and more. Applicants must reside in New Jersey, have a hearing loss as attested by a physician or audiologist, and meet the current income guidelines.

For more information or to apply, visit:
www.nj.gov/humanservices/ddhh/services/edp/

Communication Access Services

DDHH is available to assist individuals and agencies in finding interpreters and captioning services. **Individuals or agencies in need of sign language interpreters or real-time captioning may obtain assistance by calling DDHH at 609-588-2648.**

Lists of interpreters and captioning services are also available at:
www.nj.gov/humanservices/ddhh/services/caption/

Information and Referral

DDHH provides information and referral services linking New Jersey residents to vital resources. The Division responds to a wide range of questions about accessibility, maintains a comprehensive list of resources and provides information in a language-accessible manner so that individuals can make informed decisions.

For assistance, contact DDHH at (609) 588-2648, videophone (609) 503-4862, or email DDHH.communications2@dhs.nj.gov.

Case Management and Advocacy

Deaf and Hard of Hearing Specialists provide advocacy and case management services, eliminating barriers that individuals face in accessing every day services. DDHH's Deaf Specialists understand Deaf culture and are fluent in ASL, while Hard of Hearing Specialists possess knowledge of the needs of individuals who are hard of hearing and those who have recently become deaf. DDHH's Specialists act as liaisons between consumers and service providers, working to ensure compliance with state and federal laws and educating individuals to advocate for themselves. Specialists are available to assist deaf and hard of hearing individuals navigating difficult situations and in cases, attend meetings with individuals in a supportive role.

For assistance, contact DDHH at (609) 588-2648, videophone (609) 503-4862, or email DDHH.communications2@dhs.nj.gov.

Assistive Technology Demonstrations

DDHH conducts assistive technology demonstrations for individuals with hearing loss. Demonstrations cover a wide range of devices such as door bells, alarm clocks, amplified sound systems, and more. By maintaining a display of assistive communication devices, individuals with hearing loss can experience these technologies first hand, and make informed decisions about which technologies work best. The devices offer solutions for communication, alerts, and sound clarity, allowing individuals to identify technology that aligns with individual need and preference.

To schedule a demonstration, contact DDHH at (609) 588-2648, videophone (609) 503-4862, or email DDHH.communications2@dhs.nj.gov.

Hearing Aid Programs

New Jersey Hearing Aid Project

New Jersey residents who are 65 years of age or older, or between ages 18 and 64 and receiving Social Security Disability benefits, and meet income requirements are eligible to receive free refurbished hearing aids through the [New Jersey Hearing Aid Project](#) (NJHAP).

For more information on obtaining hearing aids, contact DDHH at (609) 588-2648, videophone (609) 503-4862, or email DDHH.communications2@dhs.nj.gov.

For more information on donating hearing aids, contact Montclair State University (MSU) at (973) 655-3934.

Hearing Aid Assistance to the Aged and Disabled

The [Hearing Aid Assistance for the Aged and Disabled](#) (HAAAD) provides a \$500 reimbursement to offset the purchase of a hearing aid, or \$1,000 for two hearing aids.

Program Eligibility:

- New Jersey resident;
- Age 65 or older or between ages 18 and 64 and receiving Social Security Disability benefits; and
- Meet current income guidelines

For more information, visit:

www.nj.gov/humanservices/ddhh/services/hearingaid/haaad/.

Language Instruction Program

Research shows that the first five (5) years of life are essential for language learning. It is important for deaf and hard of hearing children to receive early language input during this critical time period. DDHH supports families to provide children with the tools needed for full language acquisition and development. DDHH uses a child and family-centered approach to language acquisition for infants and children in American Sign Language (ASL). Families can use ASL alone or in conjunction with spoken language development to ensure early language acquisition and development.

Families are matched with an ASL Deaf Language Associate (DLA) to work with families for up to twenty-five (25) hours a week. Language instruction services are available in childcare centers, pre-school programs, summer camps, in home settings, or other settings as applicable.

ASL DLAs:

- Provide interactive communication to stimulate growth in vocabulary and linguistic structures
- Facilitate learning through making activities and curriculum accessible
- Act as language and socialization models to deaf, hard of hearing, or deaf-blind children
- Foster and guide children in developing independence and self-confidence.

For more information, contact DDHH at (609) 588-2648, videophone (609) 503-4862, or email DDHH.communications2@dhs.nj.gov

Deaf and Hard of Hearing Sensitivity Training

DDHH provides Deaf and Hard of Hearing Sensitivity trainings to professionals, healthcare providers, government agencies, and many other organizations. Trainings are available to the public. The goal is to provide information on deaf and hard of hearing culture, common challenges, and strategies for effective communication.

Accessible Communication

New Jersey Relay

A free service administered by the NJ Board of Public Utilities (BPU) in collaboration with Sprint, that enables people who are Deaf, Hard of Hearing, DeafBlind or those with a Speech Disability to place and receive phone calls. Relay operators and captioners are specially trained to facilitate the calls. Listed below are the most popular services.

Visit www.njrelay.com for additional information and educational videos.

Text Telephone/Teletypewriter Relay (TTY Relay)

Allows individuals to use a Text Telephone/Teletypewriter (TTY) for their calls using the TTY Relay. The relay operator reads aloud the typed conversation to the other party, and types the other party's voiced messages.

Internet Protocol Relay (IP Relay)

Allows individuals to use any internet-connected device (computer, laptop, tablet, or smartphone) to call anyone using the IP Relay service. Like the TTY Relay, the relay operator reads aloud the typed message to the other party, and types the other party's voice messages.

TeleBraille Relay

Allows individuals who are DeafBlind or Deaf with low vision to use a TeleBraille device or TTY with a large visual display to make relay calls. This service allows individuals to read the phone conversation in Braille or in large print at a low words-per-minute transmission speed. The relay operator reads aloud the typed conversation to the other party, and types the other party's voiced messages.

Relay Conference Captioning (RCC)

Enables individuals to actively participate in video meetings, conference calls or webinars, using live, real-time text via a web browser on your internet-connected device (computer, laptop, tablet, or smartphone). Individuals have the option of either speaking or typing to communicate with other attendees.

Speech-to-Speech (STS)

Allows individuals who have a speech disability or those who use an assistive voice device to call anyone on the phone; a relay operator ensures that the individual will be heard and understood. No special equipment is needed.

For additional information, contact the NJ Division of the Deaf and Hard of Hearing at 609-588-2648 or visit www.njrelay.com

Other Communication Options

Video Relay Service (VRS)

Enables individuals who are deaf or hard of hearing and who use sign language to communicate via a qualified sign language interpreter. VRS can be accessed using any device equipped with a front facing camera or webcam and a high speed internet connection. The interpreter facilitates the conversation in sign language with the VRS user and by voice to standard telephone users.

- Convo: convorelay.com
- Purple: www.purplevrs.com
- Sorenson: sorenson.com
- ZVRS: www.zvrs.com

Captioned Telephones (CapTel), Web CapTel, Wireless CapTel

Allows users to listen, speak directly to the caller, and read captions of the caller's response either through a captioned telephone device (CapTel), via a computer with internet access (Web CapTel), or wirelessly using a mobile device. Spanish translation is available.

CapTel providers:

- CapTel: www.captel.com/

CHAPTER 21: VETERANS SERVICES

US Department of Veterans Affairs (VA)

Veterans of the United States Armed Forces may be eligible for a range of programs and services provided by the U.S. Department of Veterans Affairs (VA). Eligibility for most VA benefits is based upon honorable discharge from active military service, while some benefits require wartime service.

Veterans enrolled in the VA's health care system are eligible to receive health care services, personal care assistance, medications and other services. Veterans must have a service-connected disability or meet income requirements to enroll.

Veterans are also eligible for various services through the VA such as home loans, gravestone markers, funeral plots at no cost when buried at a military cemetery or reimbursement for plots purchased in other cemeteries, educational loans through the GI Bill, vocational rehabilitation and employment services, disability compensation, pensions, life insurance, and survivor's benefits.

For more information, visit: www.va.gov

Department of Veterans Affairs (NJ DVA)

The mission of the Department of Veterans Affairs is to deliver exceptional services, support, and advocacy for Garden State Veterans, families, caregivers, and survivors. DVA honors those who have served and the people who love them by delivering access to earned benefits, programs, and resources.

CHAPTER 22: GUARDIANSHIP

What is guardianship?

Guardianship is the appointment of a person or agency by a court to exercise control over part, or all, of another individual's person and/or property. The guardian is the person or agency appointed by a court to make personal decisions for an individual who is incapable of making some or any decisions independently. The person who lacks capacity is referred to as the "alleged incapacitated person" until a guardian is appointed by the court. Thereafter, the incapacitated person is referred to as the "individual receiving guardianship services." Many individuals with developmental disabilities are capable of making their own decisions with appropriate support and advice, and do not need a guardian.

What types of guardianship are there?

The two types of guardianships involve guardianship of property and guardianship of a person. Many times both types are required to protect an individual receiving guardianship services, but sometimes only one type is necessary.

The guardian of the property has a duty to locate and marshal the assets of the individual receiving guardianship services. This includes all assets such as bank accounts, stocks, personal property and real estate. The guardian is required to file an initial inventory and to swear that it is accurate and complete. The assets are placed in the name of the guardian. It is the responsibility of the guardian to ensure that all assets are safeguarded and spent appropriately. Annual accountings are required to be filed with the court for review and are subject to the court's approval.

The guardianship of the person is appointed to watch over and make major life decisions for the individual receiving guardianship services until the reason for incapacity no longer exists and the court has deemed the person as capable. The guardian of the person makes decisions affecting everything from the individual receiving guardianship services' residence, visitation, medical care, socialization, travel and other areas of their life. Guardians of the person are required to file annual reports with the court to inform as to the status and well-being of the individual receiving guardianship services.

What's the difference between full and limited guardianship?

Generally, a court will consider delegating an individual's decision-making rights in the following areas: residential, vocational, medical, financial, educational and legal. In a plenary, or full, guardianship, all of these rights are delegated to the guardian and no rights are reserved to the individual receiving guardianship services. In a limited guardianship, some delegable rights are delegated to the guardian while the individual receiving guardianship services reserves other rights.

What is the role of the guardian?

All guardians are responsible for:

- Assisting the individual to participate with the guardian in the decision-making process, to the maximum extent of the individual's ability, to encourage the individual to act on their own behalf whenever able to do so;
- Encouraging the individual to develop or regain higher capacity to make decisions to the maximum extent possible in those areas in which they are in need of a guardian;
- Making decisions and giving consents on behalf of the individual, but only to the extent of the court order;
- Protecting the individual from harm;
- Looking out for the individual's interests;
- Safeguarding the individual's human and civil rights;
- Ensuring that the individual's physical, emotional and developmental needs, including education and training, are met;
- Acting consistently with a previously executed power of attorney for health care or advance directive;
- Helping the individual to obtain all available and appropriate benefits and supportive services;
- Visiting the individual not less than once every three months;
- Initiating legal action on the individual's behalf; and
- Submitting reports to the court as specified by the court.

A guardian is NOT responsible for:

- Providing for the individual from his or her own funds;
- Any liability to another person for acts of the individual;
- Injury to the individual from the wrongful conduct of another person providing medical or other care;
- Taking the individual into the guardian's home to live;
- Consenting to shock treatment, psychosurgery, sterilization or medical, behavioral or pharmacological research without further order of the court.

Are there alternatives to guardianship?

Yes. In New Jersey, an individual may appoint a Power of Attorney (POA) to make decisions on their behalf. The individual with the disability must be able to understand on a basic level that they are appointing someone to make decisions on their behalf. In addition:

- A person must be able to give consent;
- A POA can cover person and/or property;
- A POA can be revoked and/or changed at any time, based on changing needs;
- A POA is significantly less costly than guardianship; and
- It is best to work through an attorney to establish POA

Supported Decision Making

In supported decision-making, there is no court-appointed legal guardian to make decisions for a person. Instead, the individual makes his or her own decisions with the assistance and support of a trusted person or people, such as friends, family members, advocates or others. **More information about supported decision-making can be found through the National Resource Center for Supported Decision-Making at: www.supporteddecisionmaking.org**

How does one establish a guardianship?

In recent years, courts have streamlined the application to facilitate families or interested parties who might seek a guardianship for an alleged person needing a guardianship on a pro se basis or self-representation in the court without an attorney. Complaints can also be filed by an attorney. To establish guardianship for an incapacitated adult, a Verified Complaint must be filed with the Surrogate's Court in the county where the alleged incapacitated person resides. The Complaint must include particular information and must be supported by affidavits of physicians or other clinical professional such as a psychologist, advance practice nurse or in certain circumstances, the child study team, as permitted by the court. based upon recent examinations of the alleged incapacitated person. Once a Complaint is filed, the court will enter an order appointing an attorney for the alleged incapacitated person and schedule a hearing. If the court determines that the person is incapacitated, then a judgment will be entered appointing guardian(s). Before the guardian(s) can act on behalf of the incapacitated person, they must appear before the County Surrogate to qualify as guardian, including by posting a bond if required.

Bureau of Guardianship Services

Chief, Jessica Anastasi

PO Box 705

Trenton, NJ 08625-0705

609-631-2213

Under the auspices of the Department of Human Services, Central Office, the Bureau of Guardianship Services (BGS) is the state entity designated to provide guardianship services to adults who are receiving functional services from the Division of Developmental Disabilities (DDD). When a person reaches the age of 18, they have full legal responsibility for themselves regardless of any disability, except, when determined necessary by the court, a guardian may be appointed to make decisions on their behalf.

BGS has two statutory responsibilities:

First, BGS may file a petition through the Office of the Attorney General, for the appointment of a guardian for an eligible adult in need of a guardian.

Second, BGS may serve as guardian of the person for a DDD eligible consumer where there is no known family or other interested party able or willing to serve as guardian of the person.

BGS does not pursue guardianships of the property- only guardianships of the person. **BGS is only able to assist individuals who receive services funded by the Division of Developmental Disabilities. Individuals must apply to DDD to receive an eligibility determination. [See Chapter 18.](#)**

CHAPTER 23: SERVICE ANIMALS

A service animal is defined by the Americans with Disabilities Act (ADA) as a dog that has been individually trained to do work or perform tasks for an individual with a disability. The task(s) performed by the dog must be directly related to the person's disability.

- Under the ADA and the New Jersey Law Against Discrimination (NJLAD), a place of public accommodation cannot refuse admittance of a service animal when it is accompanying a person with a disability.
- The ADA/NJLAD requires that places of public accommodation (which include privately-owned businesses that serve the public) allow people with disabilities to bring service animals into any area in which the public are generally allowed.
- The ADA/NJLAD does not require a service animal be certified or have special identification. When it is not obvious what service an animal provides, only limited inquiries are allowed. Staff may ask two questions: (1) is the dog a service animal required because of a disability, and (2) what work or task has the dog been trained to perform. Staff cannot ask about the person's disability, require medical documentation, require a special identification card or training documentation for the dog, or ask that the dog demonstrate its ability to perform the work or task.
- It is a violation of the ADA/NJLAD for a business to charge a cleaning or maintenance fee when a person with a disability has brought a service dog into the place of business. However, the owner of the animal has sole responsibility for its behavior and may be charged for any damages the animal causes as long as the business has a policy of charging non-disabled customers for damages that they cause. Likewise, it is not a violation of the ADA/NJLAD to exclude a service animal from a place of public accommodation if the animal behaves in a loud, threatening, or uncontrolled manner, creating a substantial disturbance or posing a direct threat to the safety of others.

Disaster Preparedness Checklist for People with Disabilities

The following list is intended to provide suggestions for disaster preparedness planning that may be taken by individuals with disabilities.

Self-Networks

- Discuss your disability and needs with relatives and friends.
- Develop a network of people who know your needs and location, who will be able to assist you or alert emergency personnel on your behalf. Do not depend on only one person.

Medical Equipment and Supplies

- Evaluate equipment for repairs and obtain and keep spare parts.
- Order the full allotment of supplies that your insurance allows, such as protective briefs, leg bags, suction tubing, hearing aid batteries, etc. Stockpile unused items.
- Assemble a first aid kit. It should include: absorbent compress dressings, sterile adhesive bandages in assorted sizes, adhesive cloth tape, antibiotic ointment, antiseptic wipes, aspirin, emergency blanket, breathing barrier (with one-way valve), cold compress, latex gloves (2 pairs), hydrocortisone ointment packets, roller bandages, sterile gauze pads, oral thermometer, triangular bandages, tweezers, and an emergency first aid guide.

Medications and Medical Needs

- Create a list of current prescriptions, names and dosages. Remember to update this list, as needed.
- Keep a list of the names, addresses, and telephone numbers of doctors and pharmacists.

- Prepare a detailed description of your medical regimen and personal care needs.
- Order a full 30-day supply of necessary medications. Check with your insurance carrier.

Communication

- Make sure your cell phone battery and any extra batteries are kept fully charged.
- Pre-arrange alternative methods to reach family, friends, or personal care attendants if ordinary communications are disrupted.
- Consider keeping a notepad, portable white board, or picture boards available to facilitate communication.

Personal Assistant Care

- Consider checking into a nursing home or hospital if a disaster is anticipated. Staff will be available to meet personal care needs. Also, backup generators will be operating to assist people who use power wheelchairs and/or ventilators.
- Contact your personal care attendant provider to discuss disaster preparedness and maintain a list of phone numbers of those who can assist in obtaining personal care for you.

Food and Water

- Three-day supply of water/three gallons of water per person.
- Keep a supply of canned, dehydrated, and no-cook foods.
- Keep cases of nutrients available for tube feeding.
- Keep foods for special dietary needs, such as diabetic and high caloric diets.
- Pack adaptive equipment needed for eating or drinking such as large grip utensils, straws, or cup holders.

Service Animals

- The animal always should wear an identification tag with all necessary contact information.
- Keep your pet's and service animal's medical records current, including vaccination records and rabies tag number.
- Your animal will need at least three days' worth of food and water, kept in sturdy storage containers. The amount of water your pet will need may vary. For example, dogs need at least 1oz of water for each pound of body weight. Be sure to figure out how much food and water you will need for 3 days.
- Create a Go Bag for your Service Animal with food, water, blanket, waste bags, animal's working gear, medications, medical records, veterinarian, and ownership agency contact information.
- Visit the NJDA Animal Emergency Website for more information on animal emergency preparedness www.nj.gov/agriculture/animalemergency/

Power

- Extended power outages may affect ventilators, heating and/or cooling units, which may be a matter of life or death for some people with disabilities. Contact your utility provider if you require power to support your special need or circumstance.
- Familiarize yourself with emergency plans where you live, work, and in your community.
- Consider staying at a hotel or with friends or family out of your area if you anticipate possible power outages, especially if you have medical equipment that is dependent upon power.
- If you use a ventilator or have other complex needs that you cannot manage on your own, you may consider contacting a care facility for temporary assistance.
- Contact your local Emergency Management Coordinator or call 211 for information on what people with disabilities should do during power outages.
- Keep clear pathways in your home to allow for safer mobility if lighting is affected.

Oxygen

- Buildings where oxygen is kept must display an “Oxygen in Use” emblem.
- Oxygen must be kept in containers specifically manufactured for that purpose.
- Alert emergency response staff to the use of oxygen.
- Consider having a backup power source for your oxygen concentrator.
- Oxygen is flammable, so avoid sparks and flame. Demand that people not smoke near an oxygen container.

Miscellaneous

- Keep battery-operated flashlights and/or lanterns with lots of extra batteries.
- Blankets and warm clothes should be packed in an emergency.
- Keep the gas tank in your car full.
- Have a battery-powered radio and extra batteries on hand.
- Keep ample cash on-hand. ATMs and banks may not function during power outages.
- Have a non-electric can opener.
- Keep a supply of assorted plastic bags.

Pathways to Preparedness (Training Sessions and Booklet)

The NJ Statewide Independent Living Council and the NJ Department of Human Services presents this ongoing training to help any New Jersey resident prepare for a disaster. Specifically designed to target people with access and functional needs, including those with disabilities and caregivers.

Participants of the training will receive all necessary training material as well as other items to assist them with their disaster preparedness efforts. To schedule a training session, email EOCESF6@njsp.gov or call (609) 631-4636.

A printable flyer with all the information can be found at this link:

Persons with Disabilities or Oxygen Use Emblem Program

Issues a person with a disability or who uses oxygen, one of two identification emblems. The disability emblem is affixed to a window of a residential dwelling and alerts firefighters, medical rescue or law enforcement personnel, when responding to an emergency situation, that a person with a disability may be present therein and may require special assistance. The oxygen emblem is also affixed to a window of a residential dwelling to warn firefighters that oxygen is in use within that dwelling. A person with a disability or who uses oxygen may apply for an emblem by contacting the Department of Community Affairs, Division of Fire Safety at **(609) 777-3552**.

CHAPTER 26: TRAVELING WITH A DISABILITY

Air Carrier Access Rules lift many restrictions that formerly discriminated against passengers with disabilities, and all carriers are now required to have a Complaints Resolution Officer (CRO) immediately available to resolve disputes between carriers and passengers with disabilities. While airlines may not require passengers with disabilities to provide advance notice of their disability or intent to travel (except in some very specific circumstances), doing so may in some cases help to avoid inconvenience.

The following is a list of suggestions for air travelers with disabilities:

Physical Disability

- Ask the screener for assistance with your mobility aid and carry items.
- Let the screener know your level of ability and your need for physical assistance.
- Inform the screener about any special equipment or devices that you are using and where this equipment is located on your body.
- Ensure that all bags hanging from, or carried on, your wheelchair are put on the X-ray belt.
- Ask the screener to reunite you with your carry items and assistive devices after screening.
- Request assistance with removing your shoes when additional screening is necessary.

Hearing Disability

- Ask the screener to write the information down or to look directly at you and repeat the information.

Visual Disability

- Ask the screener to explain the security process to you step by step and to let you know where the metal detector is located.
- Ask the screener to let you know when you will be going through the metal detector and when there are obstacles that you will need to avoid.
- Ask the screener to find someone to escort you through the security process.
- Ask the screener to perform a hand inspection of equipment to prevent damage and to direct you toward your gate once the screening has been completed.

Hidden Disability

- Advise screeners that you have a disability and may need some assistance, or need to move slower.
- Offer suggestions to screeners on the best way to approach you during a pat-down inspection.
- Notify the screener if you need to sit down before and/or during the screening process.

Traveling with Medical Supplies/Devices

- Notify the screener that you are carrying medical supplies with you.
- Medications must be properly marked with a professionally printed label identifying the medication or manufacturer's name or pharmaceutical label.
- Notify screeners if you are using any surgically implanted medical device (i.e., insulin pumps, prosthetics, or artificial joints).
- Advise screeners if you are experiencing low blood sugar and are in need of medical assistance.
- Pacemaker users may wish to carry a Pacemaker Identification Card (ID).
- Crutches, canes and walkers will need to go through the X-ray machine. The screener will perform a hand inspection of your equipment if it cannot fit through the X-ray machine. You can ask for a private screening for the inspection of your prosthetic device or body brace.
- Notify screeners if you need assistance, such as a chair or someone to assist you during the inspection of your prosthetic devices or body braces.
- Tools and appliances used to put on or take off prosthetic devices must be screened.

Traveling with Service Animals

- Carry appropriate identification. Identification may include: cards or documentation, presence of a harness or markings on the tags. Service dogs and their harnesses or vests are subject to inspection.
- Advise the screener how you and your dog can go through the metal detector as a team with the leash and/or harness. If necessary, remind the screener that you should not be separated from your dog.
- When flying with their service animal, an individual can be required to provide their air carrier with the Service Animal Behavior Health Training Form prior to the flight: www.transportation.gov/sites/dot.gov/files/2020-12/ServiceAnimalHealthBehaviorTrainingForm.pdf
- If the flight is longer than eight hours, then the individual will also be required to complete and provide their air carrier with a Service Animal Relief Form: <https://www.transportation.gov/sites/dot.gov/files/2024-09/Service%20Animals%20Relief%20-%20Final%2009.20.24.pdf>

Disability Health and Wellness (DH&W):

Seeks to promote healthy living and prevention of secondary conditions for people with disabilities.

The Division of Disability Services (DDS) collaborates with policy makers, health educators, public and private agencies, and experts in the field of health and wellness on projects and initiatives. DDS aims to promote healthy living and prevention of secondary conditions for people with disabilities and create healthier, more inclusive communities through policy, systems and environmental change.

DH&W Projects:

Preventing Violence and Abuse Against Women with Disabilities

Since 2015, DDS has been awarded funding by the U.S. Department of Justice, Office on Violence Against Women through the New Jersey Office of the Attorney General Department of Law and Public Safety to strengthen prevention and intervention efforts for sexual assault and domestic violence survivors with disabilities throughout the State of New Jersey.

For a full listing of all County Domestic Violence and Sexual Assault Service Providers [see Appendix 8](#) (open to all women - not limited to women with disabilities).

New Jersey Healthy Communities Network (NJHCN): Community Grants Program

The New Jersey Healthy Communities Network grant program, established by local, regional and statewide leaders, aims to enable communities across the state to promote healthy eating and active living, and reduce obesity and chronic disease, especially among residents at highest risk for poor health outcomes.

DDS is a funder through NJHCN and awards grants to implement healthy eating and active living strategies to advance inclusive environmental, policy and system changes to enhance the lives of people with disabilities.

CHAPTER 28: AUTOMOBILITY EQUIPMENT RESOURCES AND CERTIFIED DRIVER REHABILITATION SPECIALISTS (CDRS)

National Mobility Equipment Dealers Association (NMEDA)

NMEDA, a nonprofit trade association representing the Automotive Mobility Industry, is the certifying body for the nationally recognized Quality Assurance Program (QAP), the only accreditation for auto mobility businesses in North America. NMEDA offers resources to assist consumers in understanding and navigating automobility equipment solutions. **For more information**, visit: www.nmeda.org

NJ Quality Assurance Program (QAP) Accredited Dealers

QAP accredited dealers will provide in-depth knowledge of the different types of equipment available, recommend the best vehicles for the equipment needed, help consumers find a local Certified Driver Rehabilitation Specialist (CDRS) for an evaluation, and provide financing options. Unlike a standard dealer, QAP dealers specialize in automobility.

CHAPTER 29: RESOURCES FOR NEW AMERICANS

The Office of New Americans (ONA) in the Department of Human Services supports new Americans through outreach and education, administration of the State's Refugee Resettlement Program, and work on priorities to build trust, improve access to social services, workforce development and employment services, and legal services for immigrants. The ONA seeks to increase accessibility to State programs available to new Americans, including those who speak languages other than English. The ONA also serves as a resource for other state agencies to amplify education and outreach on state initiatives and programs to ensure they reach all new American communities in our state.

Legal Representation for Children and Youth Program

The Office of New Americans in partnership with Kids in Need of Defense (KIND) provides free legal counsel and social services coordination to migrant children and youth (under age 21) arriving to New Jersey as unaccompanied minors or currently facing immigration court hearings independently of their family may qualify for free help. To request assistance, call **201-305-9217** or submit a referral form at www.njic.org/refer-a-child.

Refugee Resettlement Program

The New Jersey Department of Human Services, Office of New Americans (NJDHS-ONA) oversees and administers New Jersey's Refugee Resettlement Program (RPP) in partnership with the International Rescue Committee's New Jersey's Office of Refugees (IRC-NJOR). Refugees, asylees, and other eligible groups receive services and supports through this program including cash/rental assistance, case-management, healthcare and employment supports. These supports are provided to ensure the successful resettlement of our new neighbors. **For more information on the Refugee Resettlement Program, please visit newamericans.nj.gov/programs/refugees.**

The Program of Initial Resettlement provides intensive immediate support to recently arrived refugees for the first 90 days after their arrival. This includes housing, case management, medical support, ESL classes, job training and placement, and other supportive services. If you arrived in New Jersey as a self-arrived Special Immigrant Visa (SIV) recipient, you may be eligible for the Program of Initial Resettlement* -- contact Church World Service.

For ongoing refugee supports after the initial 90 days, refugees, those granted asylum, or have other ORR-eligible populations such as SIV and CHE, and are in New Jersey, you may be eligible for [Refugee Support Services \(RSS\)](#), which includes employment and ESL services, or **Refugee Cash Assistance (RCA)**.

Please reach out to the Refugee Agency that serves the county in which you reside to find out more.

APPENDIX 3: AREA AGENCIES ON AGING (AAA)/AGING AND DISABILITY RESOURCE CONNECTION (ADRCs)

New Jersey has 21 county-based Area Agencies on Aging (AAAs) responsible for developing comprehensive, coordinated systems of community-based services for older adults. AAAs serve as the Aging & Disability Resource Connection (ADRC) lead agencies in their counties to ensure that seniors, adults with disabilities, and their caregivers have easy access to information and long-term services and supports. AAA/ADRCs are responsible for providing outreach, information, and assistance; a screening to assess an individual's needs; and options counseling.

For more information, contact your county's ADRC or visit www.aging.nj.gov.

APPENDIX 5: ADULT PROTECTIVE SERVICES

Adult Protective Services (APS) receives reports of suspected abuse, neglect, and/or exploitation of vulnerable adults aged 18 or older who reside in the community. Reports to APS that meet state criteria will generate a thorough assessment, including a private face-to-face interview with the potentially at-risk adult, to determine if further intervention is warranted. All information generated by the investigation is confidential. A report of suspected maltreatment should be made directly to the APS office in the county in which the vulnerable adult resides. The Division of Aging Services may be contacted to help facilitate the report to APS by calling **1-855-835-5277 (855-TELL-APS)**, or calls may be placed directly to the APS office in the individual's county of residence.

APPENDIX 8: DOMESTIC VIOLENCE (DV) AND SEXUAL VIOLENCE (SV) SERVICE PROVIDERS

Check with the Division on Women for possible provider changes: **609-888-7164**
www.nj.gov/dcf/women/

Glossary of Programs:

Domestic Violence Services (DV): Emergency shelter, counseling/therapy, childcare, children's services, survivor support groups, transportation, interpretation/translation, transitional housing, legal advocacy, economic empowerment, advocacy.

Sexual Violence Services (SV): 24/7 hotline, crisis intervention, accompaniment to hospitals, law enforcement agencies and courts, victim advocacy, counseling/therapy, interpretation and translation.

Abuse Intervention Programs (AIP): Programs aimed at individuals who exert power and control within their relationship(s), with the goal of changing behaviors and becoming a healthy relationship partner.

Trauma-Focused Cognitive Behavioral Therapy (TF-CBT): TF-CBT is an evidence-based, therapeutic program for children and youth exposed to domestic violence. It aims to help children overcome post-traumatic stress disorder (PTSD), depression, feelings of shame, and behavioral difficulties. The service works to increase children's coping and resiliency.

Peace: A Learned Solution (PALS): The PALS program utilizes a research-based, therapeutic program model created to reduce the effects of trauma on children and their non-offending parent. Through creative arts therapies such as art, dance movement, or drama, the PALS program is available for children aged 4-12 that were exposed to domestic violence.

Address Confidentiality Program (ACP): ACP is a statewide program that provides a legal substitute address and mail forwarding services for victims and survivors of domestic violence, stalking, sexual violence, and also for reproductive health patients and providers.

APPENDIX 12: FEDERALLY QUALIFIED HEALTH CENTERS (FQHC)

New Jersey's Federally Qualified Health Centers (FQHCs) deliver high quality health care to all people regardless of their ability to pay. You don't need health insurance to receive care at a health center. They serve the uninsured as well as patients with Medicaid, NJ FamilyCare, Medicare and private insurance. If you are uninsured, fees are charged based on your income level using a sliding fee scale. No one is ever turned away for lack of funds.

Health centers provide a wide range of services which include:

- Comprehensive Primary & Preventive Health Care
- Pediatric Services
- Dental Care
- Women's Health
- Behavioral/Mental Health
- Lab Services
- HIV/AIDS Counseling & Testing
- And much more

Health Centers are conveniently located statewide. To locate the health center nearest you, please visit <https://healthapps.state.nj.us/fhs/cphc/cphcSearch.aspx>
