			shared with the board at a later date.
Antibiotic Resistance	Pages 12-13; Tab 6		A Unisys Medical Exception Newsletter involving prevention of Antibiotic resistance was distributed to the Board. The State will obtain a report from Unisys profiling prolonged antibiotic use in order to develop strategies to combat antibiotic resistance.
Unisys Report	Pages 14-16; Tab 7		Unisys presented the monthly denials with explanations of each category.
Annual Reports	Pages 25-71; Tab 7		The NJDURB annual reports from SFY 2006 and 2007 have been approved by the division and posted on the NJDURB website.
Follow-up Items			
1. HMO Denial Reporting			Managed Care contracts are being renewed and amended at this time. The State will present the reports to the Board for review after May 15, 2009. The State has requested that the information provided by the HMOs be similar to the denial reports presented by Unisys.
2. Newsletter on Dental Prophylaxis			The State will draft a newsletter addressing recent updates to the guidelines.
3. DURB annual report			The DURB annual report for SFY 2007 through 2008 is currently being worked on and will be distributed to the Board upon approval from DMAHS.
4. Letter to HMOs			The Board requested a letter be sent to the HMOs to include coverage of Lyrica® for non-FDA approved indications.
