Unusual circumstances must be documented in the Worker Portal and include, for example: (1) when the agency cannot reach a decision because the applicant or an examining physician delays or fails to take required action, or (2) an administrative or other emergency beyond the agency's control. If an unusual circumstance is not documented in the Worker Portal, the case will be included in the CWA's processing times;
- c. to be paid consistent with DMAHS's Eligibility Determination Incentive and Penalty Payment Program: In accordance with P.L. 2019, c.246, payments will be made quarterly as set forth in Appendix B to this MOU based on average county-specific statistics using DMAHS reports and system capabilities;

- j. that CWA shall be responsible for any retraction of any capitation payments due to federal eligibility audit findings on cases processed after April 1, 2021 for any case deemed ineligible. Any recoupment shall not exceed 50% of the total incentive payment awarded to the CWA for the calendar year in which any cases improperly deemed eligible were found. The recoupment will be applied to the CWA as an adjustment to payment due for the following calendar year.

3. COMPLIANCE WITH LAW AND OFFICIAL GUIDANCE: Pursuant to 42 C.F.R. 431.10(d), DMAHS must have an agreement with the CWA for determining eligibility. This agreement must set forth the relationship and respective responsibilities of the parties, the quality control and oversight of DMAHS including instituting corrective action, and that the CWA will comply with all Medicaid requirements in carrying out its eligibility functions including complying with all relevant Federal and State laws, regulations and policies, such as those related to the eligibility criteria applied by the agency under 42 CFR part 435, prohibitions against conflicts of interest and improper incentives, and safeguarding confidentiality. DMAHS Eligibility Determination Incentive and Penalty Payment Program

Effective April 1, 2021, and continuing until DMAHS notifies CWA in writing of a new Eligibility Determination Incentive and Penalty Payment Program and modification to this Appendix B, the DMAHS Eligibility Determination Incentive and Penalty Payment Program shall be as follows:

Total payments for calendar year 2021 are subject to a county specific cap of 110% of 2019 calendar year payments to CWA under the previous \$35.80 per case payment plan (“cap”), and, for each CWA that signs the MOU prior to April 15, 2021, a county specific floor of 50% of total calendar year 2019 payments to CWA under the previous \$35.80 per case payment plan (“floor”). The floor will only apply to those CWAs that execute the MOU by April 15, 2021.

Payments to be counted toward the calendar year 2021 cap and calendar year 2021 floor will include the following payments:

- January 1, 2021 through March 31, 2021 (under the previous MOU)
- April 1, 2021 through December 31, 2021 (under this MOU). For accounting purposes, the last quarter incentive payments will be tabulated utilizing data available to the Division as of December 15, 2021.

The provisions of this 2021 incentive are defined as follows:

1. Initial Eligibility Determination and Ongoing Administration of Active Eligibility –

This incentive payment focuses on processing applications to address enrollment increases and current beneficiary eligibility, and the need to promptly determine and promptly administer eligibility for Medicaid and CHIP individuals who receive eligibility through the CWA.

Subject to the above described cap and floor for all calendar year 2021 incentive payments to CWA, an incentive payment of \$3 per individual as of the last day of the quarter, as reported in the Medicaid Eligibility System, will be paid to the CWA based on the county of supervision. This payment will be for determining initial eligibility and ongoing administration.

For example, if the CWA has 20,000 individuals under its supervision as of the last day of the quarter, the incentive payment for incentive #1 for that quarter would be \$60,000 (20,000 individuals x \$3 per individual = \$60,000), **subject to the cap and the floor, set forth above, for total (incentives 1, 2, 3 and 4) calendar year 2021 incentive payments.** This incentive payment based on the individuals under

supervision, plus other incentive payments under this MOU, would be paid quarterly until the CWA reaches the above described cap.

Once the CWA reaches its cap, no further payments will be made in calendar year 2021. If calendar year 2021 payments do not reach the above described floor, and the MOU is executed prior to April 15, 2021, additional payments will be made with the last calendar quarter payment to reach the floor.

- 2. Information Technology Platform** – Integrated Eligibility System performance reports will be used to determine the sum of applications submitted by the CWA.
 - a) For the period April 1, 2021 to December 31, 2021, the CWA will be paid \$10 per paper application data-entered and submitted into the Worker Portal.

- 3. Initial/New Application Processing Time** – Integrated Eligibility System performance reports will be used for the calculation of the initial application processing time. This includes only applications entered into the Integrated Eligibility System after April 1, 2021.
 - a) Beginning July 1, 2021, a bonus payment of \$10,000 per quarter will be paid to CWA for processing 100% of initial applications within federal timelines.
 - b) This incentive is available only if processing times are met for all MAGI and ABD cases for the quarter.

- 4. Redetermination Timeliness** - The redetermination report in DMAHS’s Shared Data Warehouse will be used for the calculation of the completed redetermination rate and the calculation will be based on the average monthly completed redeterminations during the entire quarter. For the period April 1, 2021 to December 31, 2021, as follows:
 - 80 - 89.99%: \$10,000
 - 90% - 100%: \$20,000
 - a) The average quarterly value will not be rounded.
 - b) Beginning April 1, 2021, this bonus payment is available only if there are no redeterminations 2 years or greater past due for that county.

No incentive payments will be paid to CWA for activity performed on or after April 1, 2021 if CWA does not have this signed MOU with DMAHS by April 15, 2021 containing the new Eligibility Determination Incentive and Penalty Payment Program.

For MOUs executed on or after April 15, 2021, incentive payments will be paid for the quarter the signed MOU is received by the State, but the floor described above will not apply to the incentive payments.

SSA records may only be used for determining eligibility for Medicaid and CHIP. Failure to safeguard SSA records can subject the CWA and its employees and workforce to civil and criminal sanctions under Federal and State laws including the Federal Privacy Act at 5 U.S.C. 552a; Social Security Act sections 205 and 1106 (see 42 U.S.C. 405(c)(2)(C)(viii) and 42 U.S.C. 1306, respectively); and N.J.S.A. 56:8-164. The CWA shall train all workforce that SSA records can only be used for determining Medicaid and CHIP eligibility, the standard for safeguarding, the requirement of reporting breaches and improper disclosure of SSA records immediately and within 24 hours, and the penalties for improper use and disclosure. CWA shall ensure that all persons who will handle or have access under this MOU to any SSA records will be advised of the confidentiality of the records; the safeguarding requirements to protect the records and prevent unauthorized access, handling, duplication and re-disclosure of the SSA records; the breach reporting requirements, and the civil and criminal sanctions for failure to safeguard the SSA records (subject to SSA changes: civil penalties and costs of prosecution; criminal penalties of \$5,000 and misdemeanor). The CWA agrees to enact and/or maintain safeguards necessary to protect these records and prevent the unauthorized or inadvertent access to, duplication of or disclosure of a Social Security number or other SSA records.

c. **DATA SECURITY MEASURES TO BE FOLLOWED:**

CWA agrees to protect the privacy and security of its Medicaid and CHIP data consistent with the following security guidelines:

1. Centers for Medicare and Medicaid Services' Minimum Acceptable Risk Standards for Exchanges (MARS-E) version 2.0 or latest version, currently found at: <https://www.cms.gov/CCIIO/Resources/Regulations-and-Guidance/>.
2. National Institute for Standards and Technology current guidance. See <https://csrc.nist.gov/>.
3. The Federal Information Security Management Act of 2002 as amended by the Federal Information Security Modernization Act of 2004.
4. State of New Jersey Office of Information Technology, Information Security Policies, <http://www.state.nj.us/it/business/index.shtml#policies>, as updated, and the New Jersey Office of Homeland Security and Preparedness Statewide Information Security Manual as updated, https://www.nj.gov/it/docs/ps/NJ_Statewide_Information_Security_Manual.pdf.

CWA agrees to use the following security measures:

5. The CWA shall limit access to its electronic systems and to its data containing applicant and beneficiary information for DMAHS programs to only those authorized CWA workforce members who need DMAHS applicant and beneficiary data to perform their job duties consistent with this MOU. In this Appendix C, DMAHS electronic systems and data with DMAHS applicant and beneficiary information will be referred to as “**DMAHS PII.**” Information about applicants and beneficiaries on non-electronic records (paper, phone) is also referred to as DMAHS PII. CWA workforce members who need to access DMAHS PII to perform their job duties under this MOU are referred to in this Appendix C as “**CWA Users.**”
6. CWA shall use appropriate administrative safeguards to protect DMAHS PII. CWA User access limitations shall include role-based access limits. CWA shall have a written access policy. CWA Users granted access to a DMAHS PII shall be advised of the confidential nature of the data, the safeguards required to protect the data, and the civil and criminal sanctions for noncompliance with the confidentiality requirements contained in applicable State and federal laws. Access to DMAHS PII should always be limited to the minimum necessary to accomplish the official job duty or task. A warning banner providing notice of the confidentiality of DMAHS PII must be displayed when accessing eligibility or other DMAHS PII.
7. CWA shall implement and maintain appropriate physical security and storage safeguards to protect the DMAHS PII from loss, theft or inadvertent disclosure. CWA shall ensure that data containing DMAHS PII shall be physically and technologically secure from access by unauthorized persons during work hours and non-work hours, and when not in use (door locks, card keys, biometric identifiers, other appropriate protections.). Fax machines and printers that may receive PII

shall be secured by appropriate physical barriers. DMAHS PII shall be accessed and used in such a way that unauthorized persons cannot retrieve any DMAHS PII data by means of computer, remote terminal or other means. DMAHS PII will only be transported by authorized CWA Users. Laptops and other electronic devices and media containing DMAHS PII must encrypt and password-protect the DMAHS PII. Storing DMAHS PII on movable devices is to be avoided. Accessing DMAHS PII by CWA Users outside of normal work locations is to be avoided. DMAHS PII should not be included in emails and further cannot be sent by email outside of the CWA secure email system unless encryption is used (such as the State's Datamotion system). CWA Users will only send emails containing DMAHS PII (using encryption as appropriate) to persons authorized to receive DMAHS PII at authorized email addresses. CWA will establish appropriate safeguards for DMAHS PII by performing, and annually updating, a risk-based security assessment. In cases involving FTI, CWA Users and agents must comply with IRS Publication 1075's rules and restrictions on use and disclosure of FTI and emailing FTI.

- i. When sending or receiving faxes containing PII or printing documents containing PII:
 - Fax machines and printers must be located in a locked room, and for faxes, there must be a trusted staff member having custodial coverage over outgoing and incoming transmissions;
 - For faxes, accurate broadcast lists and other preset numbers of frequent fax recipients must be maintained; and
 - For faxes, a cover sheet must be used that explicitly provides guidance to the recipient that includes a notification of the sensitivity of the data and the need for protection, and a notice to unintended recipients to telephone the sender (collect if necessary) to report the disclosure and confirm destruction of the information.
8. CWA agrees to implement and maintain appropriate technical safeguards. CWA agrees that DMAHS PII will be processed under the immediate supervision and control of authorized personnel to protect the confidentiality of the data in such a way that unauthorized persons cannot retrieve any such data by means of computer, remote terminal, or other means. CWA Users must enter personal identification numbers when accessing DMAHS PII on electronic systems. CWA will strictly limit authorized access to those electronic data areas necessary for CWA Users to perform his or her official duties.
9. IRS Safeguards. For FTI, CWA agrees to maintain all tax return information sourced from the IRS in accordance with IRC section 6103(p)(4) and comply with the safeguard requirements set forth in IRS Publication 1075, "Tax Information Security Guidelines for Federal, State and Local Agencies," which is the IRS published guidance for security guidelines and other safeguards for protecting return information pursuant to 26 C.F.R. 301.6103(p)(4)-1. In addition, IRS safeguarding requirements require CWA, if it receives FTI (for example, through the IEVS or Iacquire system), to:

- i. Establish a central point of control for all requests for and receipt of FTI, and maintain a log to account for all subsequent disseminations and products made with/from that information, and movement of the information until destroyed, in accordance with Publication 1075, section 3.0.
- ii. Establish procedures for secure storage of FTI consistently maintaining two barriers of protection to prevent unauthorized access to the information, including when in transit, in accordance with Publication 1075, section 4.0.
- iii. Consistently label FTI to make it clearly identifiable and to restrict access by unauthorized individuals. Any duplication or transcription of FTI creates new records which must also be properly accounted for, logged and safeguarded. FTI should not be commingled with other CWA records unless the entire file is safeguarded in the same manner as required for FTI and the FTI within is clearly labeled in accordance with Publication 1075, section 5.0.
- iv. Restrict access to FTI solely to officers, employees, agents and contractors of CWA whose duties require access. Prior to access, CWA must evaluate which personnel require such access. Authorized individuals may only access FTI to the extent necessary to perform services related to this MOU, in accordance with Publication 1075, section 5.0.
- v. Ensure, in accordance with Publication 1075, section 5.1.1, prior to access, that officers, employees, agents or contractor personnel who require access to FTI for their job duties, successfully undergo the background investigation (including fingerprinting and criminal background check) required by IRS Publication 1075, consistent with State law (P.L. 2017, c.179), coordinated through the DHS Central Fingerprint Unit consistent with DHS policy, that it is completed for any individual who will have access to FTI, and that a reinvestigation is conducted within 10 years at a minimum. DHS Central Fingerprint Unit must also be notified when an individual no longer has access to FTI for their job duties (for example, when individuals retire or get promoted to different positions) and no longer requires updating of the background investigation required by this paragraph (CFU can be reached at 609-292-0207 or 609-292-1617).
- vi. Prior to initial access to FTI and annually thereafter, ensure that employees, officers, agents and contactors that will have access to FTI receive security awareness training regarding the confidentiality restrictions applicable to the FTI and certify acknowledgment in writing that they are informed of the criminal penalties and civil liability provided by section 7213, 7213A, and 7431 of the Internal Revenue Code for any willful disclosure or inspection of FTI that is not authorized by the Internal Revenue Code in accordance with Publication 1075, section 6.0.
- vii. Cooperate with DHS in DHS submitting annually a comprehensive Safeguard Security Report required by IRS Publication 1075, that fully describes the procedures established for ensuring the confidentiality of FTI; addresses all outstanding areas for improvement; accurately and completely reflects the current physical and logical environment for the receipt, storage,

- processing and transmission of FTI; accurately reflects the security controls in place to protect FTI in accordance with Publication 1075 and a commitment to protect FTI;
- viii. Report suspected unauthorized inspection or disclosure of FTI within 24 hours of discovery to DMAHS for reporting to the IRS in accordance with Publication 1075, section 10.0, and cooperate with investigators from state or federal government, providing data and access as needed to determine the facts and circumstances of the incident; support site review to assess compliance with Publication 1075 requirements by means of manual and automated compliance and vulnerability assessment testing, including coordination with information technology divisions to secure preapproval, if needed, for automated system scanning and to support timely mitigation of identified risks to FTI in a Corrective Action Plan for as long as FTI is received or retained.
 - ix. Ensure that FTI is properly destroyed or returned to the IRS when no longer needed based on established CWA record retention schedules in accordance with Publication 1075, section 8.0, or after such longer time as required by applicable law.
 - x. Conduct periodic internal inspections of activities where FTI is maintained to ensure IRS safeguarding requirements are met and permit the IRS access to such facilities as needed to review the extent to which CWA is complying with requirements.
 - xi. Ensure information systems processing FTI are compliant with Section 3544(a)(1)(A)(ii) of the Federal Information Security Management Act of 2002 (FIMSA). CWA will maintain written documentation that fully describes the systems and security controls established at moderate impact level in accordance with National Institute of Standards and Technology (NIST) standards and guidance. Required security controls for systems that receive, process, store and transmit FTI are provided in Publication 1075 section 9.0.
 - xii. Ensure that contracts with contractors and subcontractors performing work involving FTI under the MOU contain specific language requiring compliance with IRC section 6103(p)(4) and Publication 1075 safeguard requirements and enforce DMAHS's right, CMS's right and IRS's right to access contractor and subcontractor facilities to conduct periodic internal inspections where return information is maintained to ensure IRS safeguarding requirements are met.
 - xiii. Officers, employees and agents who inspect or disclose FTI obtained pursuant to this MOU in a manner or for a purpose not authorized by 26 U.S.C. 6103 are subject to the criminal sanction provisions of 26 U.S.C. sections 7213 and 7213A, and 18 U.S.C. section 1030(a)(2), as may be applicable. In addition, CWA may be required to defend a civil damages action under section 7431. Criminal Penalties subject to IRS changes: section 7213 specifies that willful unauthorized disclosure of returns or return information by an employee or former employee is a felony. The penalty can be a fine of up to \$5,000 or up to five (5) years in jail, or both,

plus costs of prosecution. Under section 7213A, willful unauthorized access or inspection of taxpayer records by an employee or former employee is a misdemeanor. This applies to both paper documents and electronic information. Violators can be subject to a fine of up to \$1,000 and/or sentenced to up to one year in prison. Civil Penalties subject to IRS changes: A taxpayer whose return or return information has been knowingly or negligently inspected or disclosed by an employee in violation of section 6103 may seek civil damages. Section 7431 allows a taxpayer to institute action in district court for damages where there is unauthorized inspection or disclosure. If the court finds there has been an unauthorized inspection or disclosure, the taxpayer may receive damages of \$1,000 for each unauthorized access or disclosure, or actual damages, whichever is greater, plus punitive damages (in the case of willful or gross negligence), and costs of the action (which may include attorney's fees). There is no liability under section 7431 if the disclosure was the result of a good faith but erroneous interpretation of section 6103

- xiv. Allow the IRS to conduct periodic safeguard reviews of the CWA to assess whether security and confidentiality of FTI is maintained consistent with the safeguarding protocols described in Publication 1075. Periodic safeguard reviews will involve the inspection of CWA facilities and contractor facilities where FTI is maintained, the testing of technical controls for computer systems sorting, processing or transmitting FTI, review of CWA recordkeeping policies and interviews of CWA employees and contractor employees as needed to verify the use of FTI and assess the adequacy of procedures established to protect FTI.
 - xv. Recognize and treat all FTI records and related communications as IRS official agency records; understand that they are property of the IRS, and that IRS records are subject to disclosure restrictions under federal law and IRS rules and regulations and may not be released publicly under the Open Public Records Act (NJAC 47:1A-1 et seq.), and that any requestor seeking access to IRS records should be referred to the federal Freedom of Information Act (FOIA) statute (5 U.S.C. 552) and the IRS. If the CWA determines that it is appropriate to share FTI documents and related communications with another governmental entity for the purposes of operational accountability or to further facilitate the protection of FTI, that the recipient governmental entity must be made aware, in unambiguous terms, that FTI and related IRS communications are property of the IRS and that they constitute IRS official agency records, that any request for the release of IRS records is subject to disclosure restrictions under federal law and IRS rules and regulations, and that any requestor seeking access to IRS records should be referred to the federal Freedom of Information Act (FOIA) statute. Federal agencies in receipt of FOIA requests for FTI and related IRS communications must forward them to the IRS for reply.
10. IRS and DMAHS PII Incident Handling and Reporting. In regard to FTI, SSA records, and DMAHS PII, CWA shall comply with DHS's formal written policies

and procedures for responding to privacy and security incidents, breaches and the required breach notification procedures in accordance with state and federal law, MARS-E, IRS, SSA and CMS guidance. These policies and procedures will include the scope, roles, responsibilities and how to:

- i. Identify Incidents involving DMAHS PII, SSA records or FTI
 - ii. Report all suspected or confirmed Incidents involving DMAHS PII, SSA records or FTI to the DMAHS Privacy Officer (currently Charles Castillo; Charles.Castillo@dhs.nj.gov) and DMAHS Information Security Officer (currently Achuta Nagireddy; achuta.nagireddy@dhs.nj.gov) immediately upon discovery. This requirement applies to all system environments (e.g., production, pre-production, test, development). Using DMAHS's Incident Reporting Form, the CWA shall report all suspected or confirmed Incidents (including loss or suspected loss involving DMAHS PII, SSA records or FTI) to DMAHS within one hour of discovery for reporting to CMS, SSA and/or the IRS as well as State officials. Privacy and security incidents include suspected or confirmed incidents that involve PII. DMAHS must report a breach or suspected breach to CMS and as required by HIPAA and as required by the New Jersey Office of Information Technology. DMAHS must also report breaches or suspected breaches involving social security numbers and records to the SSA, and DMAHS must report breaches or suspected breaches involving FTI to the IRS. DMAHS will comply with all applicable laws that require the notification of individuals in the event of unauthorized release of PII, PHI, SSA records or FTI, or other event requiring notifications under applicable law.
 - iii. Work with DMAHS to determine the risk level of Incidents involving DMAHS PII, SSA records or FTI, and determine a risk-based response to such Incidents.
 - iv. Work with DMAHS to determine whether breach notification is required, and if so, work with DMAHS to identify appropriate breach notification methods, timing, source, and contents from among different options and bear costs associated with the notice as well as any mitigation.
 - v. Limit the disclosure of information about individuals whose information may have been compromised, misused, or changed without proper authorization, determine the person who improperly disclosed DMAHS PII, SSA records or FTI, and report to authorized federal, state, or local law enforcement investigators in connection with efforts to investigate and mitigate the consequences of any such Incidents.
11. CWA has and follows written policies and procedures regarding the creation, collection, use and disclosure of DMAHS PII (including SSA records and FTI) consistent with State and federal privacy and security requirements. CWA has trained each current CWA User and will timely train any new CWA User in these policies including regarding State and federal Medicaid confidentiality requirements and HIPAA privacy and security requirements including workplace security and incident response, in addition to the required SSA record training and

- IRS training for FTI access. CWA will annually review and update its written privacy and security policies, and annually refresh staff training in these policies.
12. CWA will restrict access to DMAHS PII, SSA records and FTI to officers, employees and contractors of CWA who have an official purpose for getting access to the data. Any contractor or agent of CWA shall sign an agreement with the same standards as this MOU in order to have any access to DMAHS PII, SSA records and FTI. CWA shall require each CWA User requiring access to the DMAHS PII (including SSA records and FTI) to sign a confidentiality agreement requiring that they maintain the confidentiality of the DMAHS PII, requiring that the CWA User will only access DMAHS PII that is necessary for their job duties, and requiring that such records will be properly stored and destroyed when no longer needed. CWA Users will sign an FTI confidentiality agreement agreeing to follow Publication 1075 requirements if the CWA User has access to FTI.
 13. CWA will not use DMAHS PII, SSA records or FTI to extract information concerning individuals for any purpose not allowed by this MOU and federal law.
 14. CWA agrees that DMAHS PII is and will remain the property of DMAHS, SSA records are the property of SSA, and FTI records are the property of the IRS. These records will be retained and destroyed consistent with CWA record retention policies.
 15. CWA acknowledges that DMAHS's applications and its website will provide notice to applicants and beneficiaries of the use of an individual's PII.
 16. CWA acknowledges and will advise CWA Users that any individual who receives information from the CMS Federally Facilitated Marketplace (FFM) or Federal Data Services Hub (FDSH) in connection with an eligibility determination for enrollment in DMAHS's programs (including DMAHS PII provided to CWA under this MOU) and who knowingly and willfully uses or discloses the information in a manner or for a purpose not authorized by 45 CFR 155.260 and Section 1411(g) of the ACA, is potentially subject to the civil penalty provisions of Section 1411(h)(2) of the ACA and 45 CFR 155.285, which carries a fine of up to \$25,000.
 17. CWA agrees to provide, pursuant to 5 U.S.C. 552(o)(1)(K), access for the Government Accountability Office (Comptroller General) to all DMAHS PII records as necessary in order to verify compliance with federal requirements.
 18. CWA agrees that DMAHS's electronic data systems, including DMAHS PII, are as is. Any inaccuracies in DMAHS data systems that are discovered by the CWA shall be corrected according to procedure or reported to DMAHS's Office of Eligibility Policy if appropriate.
 19. CWA understands that access to DMAHS PII is dependent upon the availability of the DMAHS systems functioning and there may be periods of unavailability from

time to time due to system maintenance.

20. CWA may use Appendix C-1 or other similar form to track unmet security measures and the plan of action to correct them.
