

herein by reference. This matter concerns the October 20, 2018 denial of Petitioner's application due to the failure to provide requested verifications. The issue presented here is whether Petitioner provided the necessary verifications for the Camden County Board of Social Services (CCBSS) to make an eligibility determination. In an attempt to determine Petitioner's eligibility in connection with her September 2017 Medicaid application, CCBSS issued requests for information on December 4, 2017, May 3, 2018, and August 6, 2018. The credible evidence in the record demonstrates that Petitioner failed to provide the requested information prior to the October 20, 2018 denial of benefits. Without this information, CCBSS was unable to complete its eligibility determination and the denial was appropriate.

Based on my review of the record, I concur with the ALJ's findings and hereby ADOPT the Initial Decision.

THEREFORE, it is on this 1st day of APRIL 2019,

ORDERED:

That the Initial Decision is hereby ADOPTED.
