MEDICAID COMMUNICATION NO. 08-03

DATE: February 7, 2008

TO: County Welfare Agency Directors
ISS Area Supervisors

SUBJECT: January 1, 2008 Income and Resource Standards for Medicaid Only

REFERENCE: Medicaid Only Manual, N.J.A.C. 10:71-4.8, 5.4, 5.5, 5.6 and 5.9

Attached, in Administrative Law format, are the revisions to the Medicaid Only Manual relating to the new eligibility standards and deeming computation amounts. These changes reflect the 2.3 percent federal cost-of-living adjustment to the SSI eligibility standards. In anticipation of their adoption, we are sharing these new figures with you to be used in eligibility determinations effective January 1, 2008.

Also, note that the resource standards for determining how much of a couple's resources are to be protected for the community spouse have been increased effective January 1, 2008. (See N.J.A.C. 10:71-4.8).

Questions concerning this communication should be referred to the field service staff assigned to your county.

Sincerely,

John R. Guhl
Director

10:71-4.8 Institutional eligibility; resources of a couple

(a) In the determination of resource eligibility for an individual requiring long term care, the county board of social services shall establish the combined countable resources of a couple as of the first period of continuous institutionalization beginning on or after September 30, 1989. This determination shall be made upon request for a resource assessment in accordance with N.J.A.C. 10:71-4.9 or at the time of application for Medicaid benefits. The total countable resources of the couple shall include all resources owned by either member of the couple individually or together. The county board of social services shall establish a share of the resources to be attributed to the community spouse in accordance with this section. (No community spouse's share of resources may be established if the institutionalized individual's current continuous period of institutionalization began at any time before September 30, 1989.)

1. The community spouse's share of the couple's combined countable resources is based on the couple's countable resources as of the first moment of the first day of the month of the current period of institutionalization beginning on or after September 30, 1989 and shall not exceed [~~\$101,640.00~~] \$104,400.00 unless authorized in (a)4 or 5 below. The community spouse's share of the couple's resources shall be the greater of:
