MEDICAID COMMUNICATION NO: 09-03

DATE: February 18, 2009

TO: County Welfare Agency Directors
New Jersey Care...Special Medicaid Programs Liaisons

SUBJECT: New Jersey Supplemental Prenatal Care Program (NJSPCP)
Funds Exhausted

As a result of the overwhelming success of the NJSPCP program, it has come to our attention that the federally qualified health centers (FQHCs) and hospitals portion of State Fiscal Year 2009 funding has been exhausted. Therefore, the Division of Medical Assistance and Health Services Presumptive Eligibility Unit will no longer accept and/or process Presumptive Eligibility/NJ FamilyCare applications for pregnant women who would have been eligible for benefits under the NJSPCP program. All unprocessed applications submitted by the FQHCs and hospitals will be returned to the Presumptive Eligibility Coordinators.

As always, we appreciate your continued assistance in assuring that every pregnant woman is afforded the opportunity to access quality prenatal care, which will ultimately improve her chances of delivering a health newborn.

Should you have any questions regarding this Medicaid Communication, please contact the Division's Presumptive Eligibility Unit at 609-588-2911.

Sincerely,

A handwritten signature in cursive script that reads "John R. Guhl".
