DATE: October 19, 1987

TO: County Welfare Agency Directors
County Medically Needy Coordinators

SUBJECT: Health Insurance Manual

A Health Insurance Manual was distributed to the County Welfare Agencies and the Medically Needy Coordinators as part of the Medically Needy Communication No. 86-6, issued June 30, 1986. This Manual is a resource document to be consulted when there is a question as to whether health insurance is available through employment. The communication also stated that supplements to the Manual would be compiled and distributed periodically. The second of these supplements is enclosed. These pages are to be added to the binder that was sent with the first supplement.

Your cooperation and assistance are requested to expand and improve the Manual. Please notify the Health Benefits Resource Development Unit in the event that any incorrect information is discovered in the Manual. Also, forward to Division of Medical Assistance and Health Services, CN-712-(29), Trenton, New Jersey 08625, information that you obtain on any employer or union not listed in the Manual, regardless of location, for inclusion in future supplements.

Thank you for your continued cooperation.

Sincerely yours,
