MEDICAID COMMUNICATION NO. 92-5

DATE: January 9, 1992

TO: County Welfare Agency Directors

SUBJECT: Correction to Medicaid Communication No. 91-29:
New Jersey Care...Special Medicaid Programs; Expansion

Medicaid Communication No. 91-29 advised of the expansion of the New Jersey Care program to include children born after September 30, 1983 whose family's income is less than 100 percent of the federal poverty level. However, the Communication incorrectly identified the program status code assigned to these children. The correct program status code for children determined eligible under this program expansion is **483** as listed on the chart attached to the Communication **not** 383 as indicated on page 2.

The first sentence on page 2 should read:

Children determined eligible under this program expansion shall be assigned a program status code (PSC) of 483.

Please make the appropriate pen and ink changes. I apologize for any inconvenience this may have caused. Questions should be referred to the field staff assigned to your county.

Sincerely,

A handwritten signature in cursive script that reads "Saul M. Kilstein".
