**MEDICAID COMMUNICATION NO. 95-4**

**DATE:** February 14, 1995

**TO:** County Welfare Agency Directors  
Institutional Services Section Area Supervisors

**SUBJECT:** Change to the Medicaid Eligibility File

As part of the Division's ongoing effort to develop and implement a managed health care program for Medicaid recipients, I am pleased to advise you of a system enhancement to the Medicaid Eligibility File.

The Garden State Health Plan (Screen 078) on the Medicaid Eligibility File (ELIG/MEDQ) formerly provided enrollment information on recipients enrolled in the Plan. This has been modified and expanded to provide information about recipients enrolled in all Health Maintenance Organizations (HMOs) that currently contract with the State and is called Managed Health Care.

Attached is a sample of the new 078 Screen which is currently being used for enrolling Medicaid recipients and a listing of State contracted HMOs and their codes. Also attached is a listing of the enrollment and disenrollment codes.

Please note that this screen is for Inquiry Purposes Only. Questions regarding this new screen may be directed to the Office of Managed Health Care at (609) 588-2705.

Sincerely,

Velvet G. Miller  
Director
