Effective July 1, 1996, certain Division of Medical Assistance and Health Services (DMAHS) staff and functions were transferred to the new Department of Health and Senior Services. This communication is intended to explain the shift of assignments which resulted from the reorganization.

As of July 1, 1996 management and administration of the Community Care Program for the Elderly and Disabled (CCPED) and Assisted Living/Alternate Family Care (AL/AFC) waived programs were transferred to the Department of Health and Senior Services.

The following waived care programs remain the responsibility of the DMAHS:

AIDS Community Care Alternative Program (ACCAP)  
Model Waiver I, II, and III  
ABC Waiver  
Traumatic Brain Injury (TBI) Waiver

All program policy and requirements remain in effect.

**ACTION:** You will be contacted by MDO staff in the near future to discuss coordination of procedural changes in managing referrals, correspondence and general inquiries with the MDO based upon this new division of responsibility. Your assistance and cooperation is very important and much appreciated.

If you have any specific questions concerning this Communication, please contact the Medicaid District Office Director servicing your county.

Sincerely,
