TAKE NOTICE that, in compliance with N.J.S.A. 52:14-34.4, 34.5 and 34.6, the Division of Mental Health and Addiction Services (DMHAS) hereby announces the availability of the grant program funds described herein.

Program Name: Child and Adolescent Psychiatry Fellowship Training Initiative for positions starting July 1, 2027

Purpose: The Department of Human Services (DHS), Division of Mental Health and Addiction Services (DMHAS) is issuing a Request for Letters of Interest (RLI) to fully accredited child and adolescent psychiatry (CAP) fellowship programs in New Jersey that are currently providing this psychiatry training (the Program). This RLI is similar to the previously DMHAS issued CAP fellowship RLIs.

Funding Availability: The CAP fellowship programs that are selected for funding will be awarded in the amount of up to \$460,000 to cover the costs of two years of training of up to two new fellows. The award provided by DMHAS to the CAP fellowship program would be paid over two years (i.e., DMHAS would provide the CAP fellowship program \$230,000 per year for two (2) CAP fellowships positions). DMHAS is awarding funding up to four (4) CAP fellowship positions in total with this RLI.

For any remaining fellowship positions not applied for, DMHAS will consider the application request of a CAP fellowship program demonstrating the ability to support one or two additional fellow(s) in their CAP fellowship program. The Applicant will request the number of fellowship positions to be funded with their LOI. DMHAS will provide the sum of \$230,000 per fellow to the awarded CAP fellowship program paid over two years.

RLI Procedure: Effective August 18, 2026, the RLI is available at <https://www.nj.gov/humanservices/notices/grants/proposals/> and <https://nj.gov/humanservices/dmhas/notices/opportunities/>. The Letters of Interest must be submitted that comports with the RLI requirements and instructions.
