

NOTICE OF FUNDING AVAILABILITY

STATE OF NEW JERSEY DEPARTMENT OF HUMAN SERVICES DIVISION OF MENTAL HEALTH AND ADDICTION SERVICES

Recovery Housing for Young Adults with Opioid and/or Stimulant Use Disorders

TAKE NOTICE that, in compliance with N.J.S.A. 52:14-34.4, 34.5 and 34.6, the Division of Mental Health and Addiction Services (DMHAS) hereby announces the availability of the grant program funds described herein.

Program Name: Recovery Housing for Young Adults with Opioid and/or Stimulant Use Disorders

Purpose: The Department of Human Services (DHS), Division of Mental Health and Addiction Services (DMHAS) is issuing a Request for Proposals (RFP) to bidders to provide supportive services and housing support to young adults (ages 18-24) with opioid and/or stimulant use disorders throughout the state.

Funding for this RFP is through the Substance Abuse and Mental Health Services Administration (SAMHSA) fiscal year (FY) 2025 supplemental funds allocated to State Opioid Response (SOR) awardees. Per SAMHSA's funding announcement, "The purpose of this one-year supplemental funding is to develop and/or expand recovery housing for young adults (ages 18-24) with opioid and/or stimulant use disorders (StUD) including cocaine and methamphetamine. Young adults are at high risk for substance misuse and have specific needs and barriers they face in accessing and maintaining treatment for substance use disorders (SUDs). Recovery housing will ensure that young adults have a stable living environment that allows them to maintain and increase their recovery capital."

Funding is subject to availability of federal funding. Total federal funding of \$2,382,176 is available through this RFP for participating bidders to provide case management, supportive services and housing support for young adults aged 18-24 with opioid and/or (StUD). The length of the funding is through September 29, 2026. There is the potential that these federal funds may carry over and contract may be renewed at a no cost-extension up to one year. These funds are one-time, and bidders will need to plan on how to sustain their proposed activities. DMHAS plans to serve approximately 65 young adults with this funding at a cost of \$36,648.20 per client. See Section IV. Contract Scope of Work - Budget for estimated costs breakdown.

Costs and award amounts will be variable depending upon the number of clients to be served. Since DMHAS is interested in geographic distribution, so proposals will be limited to 15 clients with a minimum of 5 clients per county.

Available Funding Amount: Total annualized funding is \$2,382,176 subject to subject to availability of federal funding.

Who Can Apply/Bidder Qualifications: To be eligible for consideration for this RFP, the bidder must satisfy the following requirements:

Bidder is not required to complete full registration in SAM.gov to obtain a UEI, but it must at least obtain the identifier. Therefore, a bidder may satisfy this requirement by providing a certification that it applied for a UEI number prior to the submission due date stated in this RFP and if it is the successful bidder, it will notify DMHAS of the UEI prior to final notice of subaward. Persons in a position of trust include Provider Agency staff members, officers and Governing Board Members. A bidder must have written Conflict of Interest policies and procedures that satisfy the requirements of P8.05, thereby ensuring that paid Board members do not participate in transactions except as expressly provided in the P8.05 circular; and
- Pursuant to N.J.S.A. 52:32-44, a for-profit bidder and each proposed subcontractor must have a valid Business Registration Certificate on file with the Division of Revenue.
