

Division of Mental Health and Addiction Services
Recovery Housing for Young Adults with Opioid and/or Stimulant Use Disorder
Date of Final Award – October 5, 2026

Name of Program: Recovery Housing for Young Adults with Opioid and/or Stimulant Use Disorder

Purpose:

This Request for Proposals (RFP) is issued by the New Jersey Department of Human Services (DHS), Division of Mental Health and Addiction Services (DMHAS) to develop and/or expand recovery housing throughout the state for young adults (ages 18-24) with opioid and/or stimulant use disorders (StUD) including cocaine and methamphetamine. Funding for this RFP is through one-year State Opioid Response (SOR) grant supplemental funding from the Substance Abuse and Mental Health Services Administration (SAMHSA). Per SAMHSA's funding announcement, "Young adults are at high risk for substance misuse and have specific needs and barriers they face in accessing and maintaining treatment for substance use disorders (SUDs). Recovery housing will ensure that young adults have a stable living environment that allows them to maintain and increase their recovery capital." Seven awards were made in the total amount of \$2,343,122 to five awardees to provide case management, supportive services and housing support for this population in need.
