

Unite New Jersey Veterans

Aligning on Mission and Vision

Unifying government, non-profit, community, and health provider teams in support of service members, Veterans, and families

Mission

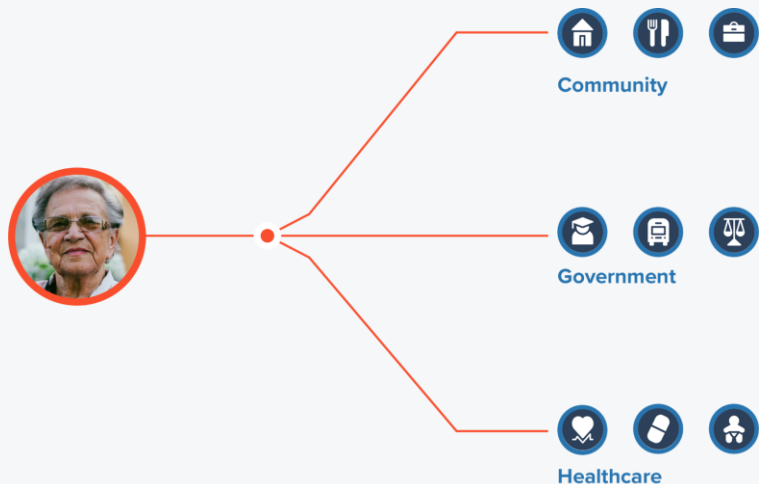

Every service member, Veteran, and family will have the tools needed to succeed in the community.

Vision

Create, deploy, and support a digital platform designed to empower frontline Veteran service providers to quickly and securely refer New Jersey service members, Veterans, and families to the resources and services they need. Modernize the way service members, Veterans, and families are connected to assistance with benefits, employment, education, housing, and mental health programs.

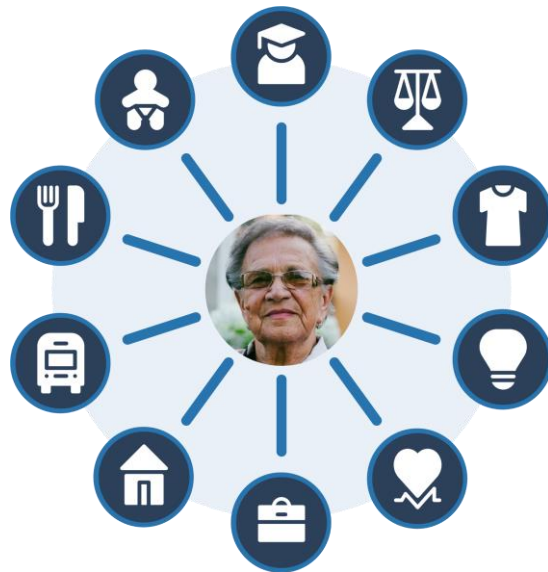

BEFORE

Health and social care organizations **lose visibility** of client outcomes after discharge.

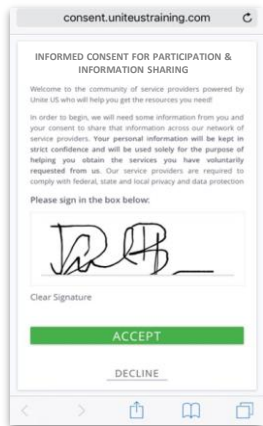

AFTER

Organizations are equipped with the tools they need to **collaborate** across sectors.

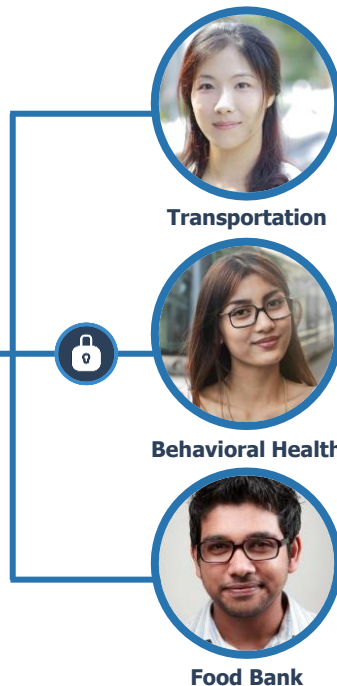

Unite Us Privacy & Security Overview

Client

Housing

Transportation

Behavioral Health

Food Bank

No referral can be shared without documented consent.

Unite Us developed its consent to prioritize client privacy, health equity and accessibility.

Consent is translated in 50+ languages and six formats (e.g., secure text, email, on-screen).

Individuals can easily revoke their consent at any time.

Individuals can access services regardless of consent.

- Unite Us is **HIPAA compliant** and **HITRUST, SOC 2, and NIST certified**.
- Unite Us features **smart, permission-based access** to **restrict access to information**.
- Sensitive information (e.g., SUD treatment information, DV/IPV info) is **subject to heightened restrictions**.
- **All data is encrypted** in transit and at rest, with **continuous vulnerability monitoring**.

It's your story. Tell it.

Demonstrate your organization's outcomes and drive community change.
