

# Electronic Rapid Referral Program for Medication for Addiction Treatment

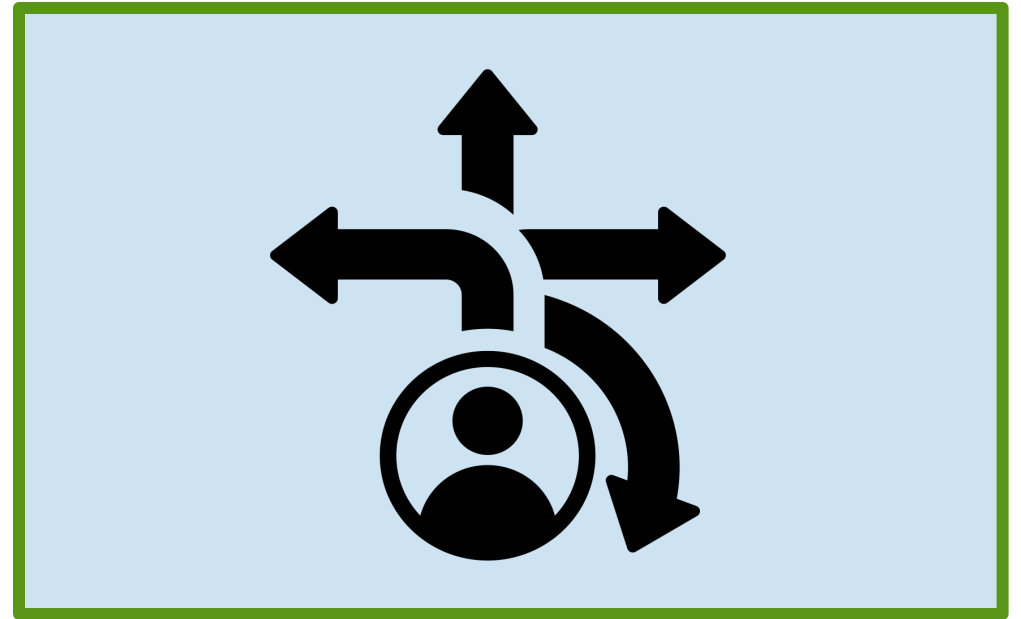

---

DMHAS Quarterly Providers Meeting  
December 11, 2025

# A MAT Rapid Referral Program for NJ

The Rapid Referral platform is used to efficiently link individuals with opioid use disorder to **existing** MAT treatment programs and providers.

Success is supported through embedded resources including telehealth, transportation and bridge prescription vouchers, and linkage to other services such as peer recovery and harm reduction.

# Pilot Sites

---

Camden County

Initial Pilot

Pilot in four counties  
in Northeast and  
Southern New Jersey:

Atlantic, Essex,  
Passaic  
Counties

2026 and beyond

All of NJ
