

BH Integration provider meetings schedule

Helping providers prepare for the end of the Phase 1 transition period

Register now for upcoming provider readiness meetings

Date	Topic	Target audience	Link
June 17, 2025 10:30AM-12:30PM	Virtual End of Phase 1 Transition Period Information Session This session offers an opportunity for Phase 1 BH providers to hear more about the transition period updates and meet directly with representatives from the NJ Division of Medical Assistance and Health Services (DMAHS) and all 5 managed care organizations (MCOs). DMAHS will review the transition period policies, the changes to come beginning July 1st, and information about how providers can be prepared for the end of the transition period. After the State presentation and Q&A, providers will be able to join breakout rooms with each MCO to meet representatives and ask questions.	All phase 1 behavioral health providers	(Register)
June 26, 2025 2-4PM	In-Person Office Hours <i>(no virtual option)</i> This session is an opportunity for providers to drop-in and ask representatives from the NJ Division of Medical Assistance and Health Services (DMAHS) and all 5 managed care organizations (MCOs) any questions about BH Integration and managed care processes, such as enrollment, credentialing and contracting, claims and billing, prior authorization, MCO-led Care Management, and the end of the transition period.	All behavioral health providers	(Register)
