Please note, once Encounter Data is submitted, it can't be edited.

By checking the box to the left of this text, the NJMHAPP user entering the encounter information is confirming that such encounter data has been entered accurately based on information recorded in the client's progress note on the entered date(s) with respect to the type and duration (number of units) provided to the client.*

Check the box to the left if 1) the service identified in the Encounter/Billing calendar is not a Medicaid covered-service or 2) you have checked the EMEVS and confirmed that the consumer receiving the service was not eligible for Medicaid on the date(s) for which you entered encounter units.*

Fiscal Dashboard

- **Fiscal Dashboard (Snapshot and description)**

- Avails the following Provider Agency fiscal information:
 - **Monthly Limit** – Budget dollars provided to the agency by the state
 - **Remaining Amount** – Budget amount remaining to date after Encumbered services are entered into the system
 - **Net Encumbered** – Encumbered services dollar amount
 - **Encounter/Billed** – Total amount billed to state in the system for the current month.
 - **Adjusted** - Amount adjusted by DMHAS Fiscal due to offline financial transactions.
- Displayed as part of Admission, Encumbrance, and Encounter/Billing modules .
- Is available as a pop-up window for an on-demand view in any module by selecting Fiscal Dashboard menu option.
