

**Division of Mental Health and Addiction Services
 Provider Gambling Disorder Counseling Services Program
 Date of Final Award –November 3, 2021**

Name of Program: Provider Gambling Disorder Counseling Services Program

Purpose:

This Request for Proposal (RFP) was issued by the New Jersey Department of Human Services (DHS), Division of Mental Health and Addiction Services (DMHAS), to develop gambling disorder services rendered through a Gambling Disorder Clinician to provide treatment and case management for individuals with a dual disorder of gambling and substance use. This RFP is funded through the New Jersey state gambling appropriations. Total annualized funding for this RFP is \$1.2 million subject to State appropriation, and is awarded regionally and based on need in order to offer statewide gambling services. Awarded providers will hire, at minimum, 1 FTE equivalent Gambling Disorder Clinician and provide case management services provided by the clinician or additional staffing. In addition to treatment services, the Gambling Disorder Clinician will work with individuals to assist with issues that often occur concurrently with gambling disorders, such as financial ruin, broken relationships, legal issues, need for social services, etc. Gambling services can be added to treatment at the following ASAM levels of care: Standard Traditional Outpatient, Intensive Outpatient, Medically Managed High Intensity Residential Services, and Medically Monitored Intensive Residential Services. DMHAS awarded 10 contracts in the total amount of \$1,199,336.
