

Division of Mental Health and Addiction Services

Community Support Services for Individuals Discharged from State Psychiatric Hospitals who are Forensically Involved
Awarded: April 20, 2018

Name of Program: Community Support Services for Individuals Discharged from State Psychiatric Hospitals who are Forensically Involved

Purpose: The Division of Mental Health and Addiction Services (DMHAS) has made the following awards for the provision of Community Support Services (CSS) to adult consumers age 18 and over being discharged from a New Jersey State Psychiatric Hospital and who are forensically involved.

The annualized total funding is \$487,500 subject to State appropriations. The DMHAS will initiate a deficit funded contract for a period of six (6) months, after which the contract will be transitioned into the fee for service network, subject to state appropriations. DMHAS anticipates serving a minimum of 15 individuals through this RFP.
