

Division of Mental Health and Addiction Services

Outpatient Treatment Services in Ocean County RFP
Awarded: December 30, 2015

Name of Program: Outpatient Treatment Services in Ocean County RFP

Purpose: The Division of Mental Health and Addiction Services (DMHAS) has made one award for the provision of outpatient mental health treatment services to adult consumers age 18 and older presenting at mental health ambulatory care settings in Ocean County. The DMHAS seeks to provide a comprehensive outpatient service delivery system that meets the needs of individuals with mental health symptoms. This service is intended to provide viable, accessible, and effective therapeutic treatment for consumers to preserve or improve current functioning, strengths, and resources.
