

Supported Education (SED)

Provides direct services and support in educational coaching so that consumers may enter and succeed in educational opportunities. SED also serves as an information clearinghouse for consumers, families, colleges, and providers within a geographical area. Direct service may include the provisions of supported educational coaching services provided directly to the consumer in the educational setting. The services also include enrollment and registration assistance, teaching study skills, illness management and recovery skills particularly related to school, assistance and advocacy in obtaining "reasonable accommodations" from the school.
