Plans in yellow have \$0 premium for those with Medicaid, Low Income Subsidy (also known as "Additional Gap Help"). All yellow plans are referred to as "benchmark" plans.

** Plans work with many pharmacies, but offer two pricing structures: one for "standard" network pharmacies and another for "preferred" network pharmacies. You will pay the plan's standard copays at network pharmacies and reduced copays at preferred pharmacies within your plan's network. This column shows chain stores where preferred pricing is available for each plan. Many independent pharmacies and grocery store pharmacies may also offer preferred pricing for your plan. Check with your plan and/or pharmacy.
