JOB POSTING NUMBER	77-19	ISSUE DATE	3/20/2019	CLOSING DATE	4/3/2019
TITLE	Information Technology Specialist	RANGE	P21		
LOCATION	Division of Management and Budget Office of Information Systems Enterprise Business Unit 222 South Warren Street, Trenton, NJ 08625	SALARY	\$53,611.76 - \$75,900.80		
		OPEN TO	Public		
DEFINITION	The successful candidates will be responsible for assisting the Enterprise Business Systems Unit with supporting departmental specific applications. They would also benefit from having familiarity of various shell scripting languages, including, but not limited to, Perl and Korn Shell. UNIX experience, preferably with IBM AIX, is a plus. Knowledge of Oracle Databases, WebSphere, or J2EE Framework is a major plus. The ability to multi-task concurrent projects and issues is highly preferred.				
REQUIREMENTS					
EDUCATION	Graduation from an accredited college or university with an Associate's degree in Computer Science or Computer/Information Technology.				
EXPERIENCE	One (1) year of experience in at least one of the following areas: the design and preparation of programs for electronic data processing utilizing current operating systems, modification of systems software and multiprogramming technology; or the development, maintenance, or installation of application programs; or in performing technical support functions within a direct access device environment, or the development, implementation, and maintenance of multi-network, multi-user Local Area Networks (LAN), Metropolitan Area Networks (MAN), and/or Wide Area Networks (WAN) environment.				
NOTE	If you previously applied for Job Posting #05-19, you do <u>not</u> need to apply for this posting. Your resume remains under consideration.				
	<ul style="list-style-type: none"> ➤ Technical support functions include experience in resolution of online production and/or communications network problems, and/or code modification, testing, and debugging of program modules in an online environment, and/or space allocation and control of direct access storage devices (DASD management). ➤ A Bachelor's or Master's degree in Computer Science may be substituted for one (1) year of indicated experience. ➤ A general Bachelor's degree from an accredited college or university may be substituted for the Associate's degree. 				
	<u>SPECIAL NOTE ON SUBSTITUTING EXPERIENCE FOR EDUCATION</u>				
Experience in the study of work methods/processes, analysis of varied types of data, design and preparation of systems/programs, operation of multiprogramming computer systems and work in the data processing support areas of input/output control or reliability support may be substituted for the required education on a year-for-year basis with thirty (30) semester hour credits being equal to one (1) year of experience.					
Evidence of formal training in Computer Science/Information Technology received at an accredited institution may be submitted with your application for evaluation by the Department of Personnel for possible credit. These training courses will be examined to see how they compare, both in hours/content, to college courses to which they equate, sixteen (16) training hours being equal to one (1) college credit. In house training courses will not be accepted as meeting this criterion; thus, they will not be evaluated.					
NOTE FOR FOREIGN DEGREES	Degrees and/or transcripts issued by a college or university outside of the United States must be evaluated by a reputable evaluation service at your expense. The evaluation must be included with your submission. Failure to submit the required evaluation may result in an ineligibility determination.				
LICENSE	Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.				
IMPORTANT NOTICE					
RESIDENCY	Effective 9/1/11, NJ PL 70 (NJ First Act), requires all State employees to reside in New Jersey, unless exempted under the law, or current employees who live out-of-state and do not have a break-in service of more than 7 calendar days, as they are "grandfathered." New employees or current employees who were not grandfathered and who live out-of-state have one year after the date of employment to relocate their residence to New Jersey or request an exemption. Current employees who reside in NJ must retain NJ residency, unless he/she obtains an exemption. Employees who fail to meet the residency requirements or obtain an exemption will be removed from employment.				
NOTE	Applicable special re-employment list established as a result of a layoff will be used before any promotions are made.
